**Priceville**

Dry, hot and sultry weather is what we are having for the past couple of weeks. Rain is badly needed, as crops are suffering on hilly land, and in fact on all kinds of land. We notice clover beginning to turn its color in some places, and if the dry spell continues, haying will be on sooner than expected.

The 1st of July was quietly observed here. Some went fishing, others at something else. Some to Dromore picnic and the most stayed at home to mind their own business.

We had two or three marriages during the last ten days, and, by the way, it's no matter how old they are, they are called a young couple after marriage.

Duncan McArthur, north line, to Mrs. Clark, by the Rev. J.A. Matheson, on the 22nd June, and on Wednesday, the 29th, two marriages, John Eckhardt, Jr., to Miss Ostrander, of Priceville, by the Rev. H. Berry, and the same evening by Rev. J.A. Matheson, Frank Reiley, of this town, to Miss Bella McMillan, daughter of Mr. Donald McMillan, south line, Artemesia.

The picnic held under the auspices of the South Line Baseball club on the 28th of June, was quite a success. About two hundred enjoyed themselves on a beautiful afternoon's outing. Prof. Hector McDonald and his pipes, entertained the crowd, and his daughter Jessie, as the prize dancer, was highly applauded at step dancing and sword dance, and then Wm. Ramage, Esq., who cannot be beaten as a singer, gave "orans galore." Messrs. Runciman, and others, D. McDougall's bush was an ideal place for a picnic, and the committee deserves credit for the manner in which they discharged their part.

Mrs. Francis McLeod, of Collingwood, visited at Mr. Wm. McLeod's on her way to her brother's, Mr. Neil McCannell, of Durham.

John L. McKinnon, teacher, of Stratford, is enjoying himself at home with his mother and brother near this place. John is engaged for the coming year at an advanced salary.

Mr. Donald McKinnon, son of our postmaster, who taught for a few months at Irish Lake, was made the recipient of a beautiful present, being a solid gold watch chain, which speaks highly of the appreciation of the young man's services by the residents of the section.

Gaelic Communion was held in the Presbyterian church last Sunday, and was fairly well attended. English communion next Sunday at the usual time.

Mr. Moore, of Durham, is busy at our sidewalks during the past two weeks. It will take him about a month yet to finish.

Dr. McCormick, from the vicinity of Stayner, is expected early this week to take up practice in this place. Priceville was always a good place for the doctors, and we hope this doctor is coming to stay.

The Sunday school picnic, held in Colin McLean's bush on the 29th of June was fairly well attended considering so many other amusements at other places.

Mr. Colin McLean had an accident a while ago by getting some of his fingers cut up by coming in contact with the saw while cutting wood with his engine. He is getting better.

Councillor McMillan, Glenelg, had a gang of men and teams one day last week on the south line running the grader, and we hope some gravel will be applied to some of it, as the sand on the hills is knee deep, and makes bad going.

Merchant Aldeorn took a trip to Toronto on July 1st on business and pleasure.

Revival meetings were held at Ebenezer Methodist church during the past week, and were well attended.

We would like if Mr. Blakeston would send us some of that 8000 pounds of honey he referred to as it is a scarce article around here, and then the words "what is sweeter than honey, and stronger than a lion," would be solved by placing the word "love" opposite Mr. Blakeston's name.

We notice that fruit is going to be of an inferior quality in some places this year. Crab apples, as far as we can see, are going to be a total failure, as the frost nipped the blossoms in May, but we are only speaking from what we know in this vicinity.

Died.—In this town, on Friday night, July 1st, Mr. Alex. McDonald after a long and painful illness, from cancer of the liver, at the age of 62 years. Mr. McDonald came to the township of Glen-

elg when only two years of age, and was a resident of the south line, near Top Cliff, for forty years and is for the last fifteen years a resident of Priceville. The funeral will take place this Monday afternoon to the cemetery in this village, where he will be placed beside his wife, who died fourteen months ago. (Of once a strong and robust family of six brothers and five sisters, only three remain, two brothers and the sister.

Died.—At the residence of Mr. F. McKinnon, on Saturday night, July 2nd Miss Susan McArthur, at the age of 60 years, Miss McArthur was sister to Mrs. Arch'd McLellan, barrister, known in Durham years ago.

Anemic women and children who frequently feel chilly, are pale and exhausted will derive great benefit from the use of Ferrovim, the invigorating tonic, which consists of Iron in a form they can assimilate, fresh lean beef and pure Sherry Wine. Nothing could be better than this combination of strength giving agents in such cases. \$1.00 per bottle.

**Edge Hill.**

Mr. Sam. Ellison, from near Palmerston, is visiting among the Edge families in this vicinity.

Mr. Clarence Staples, of Markdale, is spending part of his vacation with his brother Fred.

Mr. Alex. Duffield, of Guelph, is visiting his aunt, Mrs. Jos. Firth, and other friends here.

Miss Edge, and her mother, Mrs. D. Edge, are visiting Mrs. Edge's brother, Rev. Jas. Binnie, of Tweed.

The return baseball match between Edge Hill and No. 9 teams was played at the No. 9 picnic on Thursday last, and resulted in a win for the No. 9 team. Mr. F. Irwin was umpire, and gave general satisfaction.

Mrs. John Sutherland, and little son, of Palmerston, are at present the guests of Mrs. Thos. Banks.

Our teacher, Mr. John L. McDonald, is holidaying at his home near Priceville.

On Monday evening last, the teachers, Bible class, and the senior pupils of the Edge Hill Union Sunday school, met and drove in a body to the home of Mr. and Mrs. Thos. Moore, at McWilliams, Mrs. Moore was for a number of years a teacher in the Sunday school, and as a mark of appreciation of her services, was presented with a handsome rocking chair, and a nicely worded address. The address was read by the Superintendent, and the presentation made at the proper time by Geo. Banks. Mrs. Moore replied briefly, thanking them sincerely for their gift. The remainder of the evening was then spent in various games, in which all participated. Following is the address:

Mrs. Thos. Moore,

Dear Friend,—For several years past you have been a faithful and efficient teacher in our Sunday school, and recognizing the value of your assistance, we wish to meet with you in your new home for a social evening.

No praise of your teaching is necessary, as we all know of your untiring energy and enthusiasm for the work. Your class attended regularly, and never lacked interest, showing the success of your efforts as a teacher. We will miss you very much, but we wish to show you in some way our appreciation of your worth, and ask you to accept this rocking chair, as a mark of esteem and respect with which you are held by your many friends of the Sunday school.

In closing, we all wish you every joy and happiness, and hope your husband and yourself may have many happy years together. We trust you will ever remember with pleasure, the happy days spent at Edge Hill.

Signed on behalf of the Edge Hill Sunday school,

W. J. RITCHIE,
