WARNING.

Since the discovery in England and the introduction into Canada of SALVIA, the Great Hair Grower, and on account of the phenomenal sale it has had, others have tried to imitate SALVIA. Beware and make certain you get the original. Every bottle bears the name "SALVIA" (lotion for sage).

The results obtained from using SALVIA are remarkable. Falling hair is at once fastened to the scalp; new life springs up from the roots, and the growth of the hair is amazing. Dead hairs are restored to their natural color. The dandruff germ is destroyed. Every bottle has a written guarantee. Macfarlane & Co. always keep a stock of SALVIA on hand. Try a bottle, and watch your hair grow. SALVIA is the only preparation as far as we know, that is sold with a guarantee. A large bottle for 50c. 721-34

Women With Fascinating Hair Always Attract Attention

If you are a woman with dull, lifeless, ordinary hair, do not feel distressed. Just make up your mind now that you can have just as luxuriant and captivating a head of hair as any other woman, and quickly, too.

Just go to Macfarlane & Co. this very day and get a bottle of Parisian Sage. Use it as directed, and in two weeks your scalp will be free of dandruff, your hair will be soft, lustrous and beautiful.

If your hair is falling out, Parisian Sage will stop it. If your hair is thin, Parisian Sage will make it grow in heavily.

If you have dandruff, it will quickly vanish when Parisian Sage is used.

It prevents hair from turning grey, stops itching scalp almost instantly, and is the ideal dressing for daily use.

A large bottle costs only 50 cts. at Macfarlane & Co's, or direct, all charges prepaid, from the Canadian makers, Giroux Mfg. Co., Fort Erie, Ont.
