### PURIFIED HIS BLOOD

Dr. Morse's Indian Root Pills  
Healed Mr. Wilson's Sores

When the sewers of the body—bowels,  
kidneys and skin ducts—get clogged up,  
the blood quickly becomes impure and  
frequently sores break out over the body.  
The way to heal them, as Mr. Richard  
Wilson, who lives near London, Ont.,  
found, is to purify the blood. He  
writes:

"For some time I had been in a low,  
depressed condition. My appetite left  
me and I soon began to suffer from indig-  
estion. Quite a number of small sores  
and blotches formed all over my skin. I  
tried medicine for the blood and used  
many kinds of ointments, but without  
satisfactory results. What was wanted  
was a thorough cleansing of the blood,  
and I looked about in vain for some medi-  
cine that would accomplish this.

At last Dr. Morse's Indian Root Pills  
were brought to my notice, and they are  
one of the most wonderful medicines I  
have ever known. My blood was puri-  
fied in a very short time, sores healed up,  
my indigestion vanished. They always  
have a place in my home and are looked  
upon as the family remedy."

Dr. Morse's Indian Root Pills cleanse  
the system thoroughly. Sold by all  
dealers at 25c a box.

fore in her 70th year. A husband  
and grown-up family survive her,

### NEWS AROUND TOWN

Rev. Jas. A. Davis of Woodstock  
charged with a serious offence  
against Martha Ann Selby, both  
colored, was sent for trial, the  
evidence of the girl, her father  
and sister, being strong against  
him.

Menthol in the form of Davis'  
Menthol Salve is the best applica-  
tion for mosquito and insect bites  
and stings, old sores, etc. 25c. a  
tin at druggists.

Wm. May, of London, aged 19  
years, is under arrest on a charge  
of shooting at his mother with  
intent to kill. The mother and  
son got into an argument, when  
the son allowed his temper to get  
the better of him when the shoot-  
ing is alleged to have been re-  
sorted to.

The hardware business con-  
ducted by Mr. L. C. Karstedt here for the  
past two or three years has been  
purchased by Messrs. Wm. Glass  
and N. Steurnall. Mr. Glass be-  
ing well and favorably known here  
as well as Mr. Steurnall, who has  
been working for Mr. Karstedt for  
the past couple of years, assures  
the new proprietors of as good a  
patronage as was enjoyed by  
Mr. Karstedt. They will take pos-  
session immediately.

The Presbyterian Sunday school  
picnic was held Tuesday afternoon  
when a very pleasant time was  
spent. The place selected was  
alongside the river, at the Mc-  
Gowan Milling Co's property. In  
addition to the ordinary picnic  
sports Mr. Brown's boat house  
was liberally patronized, and the  
whole flotilla was soon in commis-  
sion, passing up and down the  
beautiful sheet of water like a  
miniature Presbyterian Armada,  
making lots of noise, but no war-  
like manifestations. The weather  
was most delightful, and all en-  
joyed themselves fully.

Next Monday is Durham's Civic  
holiday, but more than to close up  
places of business, and make the  
town look like Sunday, there will  
be nothing doing. The first Mon-  
day in August has been fixed by a  
town by-law, and one of the many  
organizations, societies, or church-  
es might do something to furnish  
a little recreation in the shape of  
an excursion or picnic. Let some  
one get a move on now to make  
the first Monday in August 1911 a  
day to be long remembered. Had  
it not been for the Orange dem-  
onstration here, 1910 would pass  
into history without any special  
stir except the fall fair. It should  
not be so. We have just as much  
right to a big day occasionally as  
other towns of the same size, and  
we could have them too, if we go  
to work unitedly.

### McWilliamsville.

We have been somewhat tied up  
from writing of late, but we again  
renew our physical energies, and  
try to write a few items.

Mrs. James Whitmore is having  
her barn reshingled. Mr. Frank  
Scott is doing the work.

Miss Mae Hopkins returned home  
from Toronto since we last wrote.

Haying is pretty well wound up  
in this neighborhood.

Mr. Austin Hann has erected a  
fine new dwelling house this sum-  
mer.

Miss Laura Whitmore returned  
home from Toronto a couple  
of weeks ago.

Mr. Chalmers, of Owen Sound,  
visited friends in the neighborhood  
recently.

Invitations are out announcing  
the marriage of Miss Pearl Hop-  
kins, Avenue Road farm, to Mr.  
Robt. Whitmore, of Durham.

Master James Gregor, of Mt.  
Forest, is spending his holidays  
with Mr. and Mrs. G.A. Watson.

Mr. Kelly, evangelist, of To-  
ronto, spent a couple of weeks  
conducting revival meetings at  
Ebenezer. While delivering an  
Orange sermon at Bob Town Hall  
on Sunday evening he made the  
remark that if the Laurier Govern-  
ment was retained in power for  
another five years, Roman Catho-  
licism would over run the land, our  
Bibles would be done away with,  
and the Presbyterian and Metho-  
dist churches would be closed. We  
have recently noticed in an issue  
of the Review, noticed in an issue  
of the Review, that the correspond-  
ent of North Egremont to that pa-  
per condemns his statements, and  
winds up with the edifying expres-  
sion that the Rev. gentleman's

remarks were only gas. We have  
this to say to the correspondent of  
the Review, that if the weak-back-  
ed Protestants of our fair Domi-  
on, who put party before  
principle go on voting away our  
equal rights and peaceful liberties  
so dearly bought in centuries gone  
so, there is no telling how affairs  
may wind up at the end of five  
years.

### RIGHT AND WRONG.

I try to be good as I toddle a-  
long, I try to be decent and  
white; but oh, it's so easy to live  
your life wrong, and often it's  
hard to do right! A man can go  
wrong without sweating a hair,  
but if he would stick to the right,  
he has to be watching with vigi-  
lant care, and never let up in his  
fight. I find it so easy to spread  
a report, that darkens the fame of  
a man! It costs me an effort to  
pull myself short, and praise him  
the best that I can. I find it so  
easy when making a trade, to  
say that my horse is a jo; and  
it's hard to confess that he's old  
and decayed, and not worth a ko-  
puck a throw. I find it so easy  
to brag and to boast and swell  
myself up like a joss; and I hate  
to admit, that I'm merely, at most,  
no more than a fierce total loss.  
I try to be decent and humble and  
fair, and never have I understood  
as I journeyed the pathway with  
vigilant care, why it takes so  
much work to be good.
