Mr. Chas. Reay met with a serious accident recently. While driving a binder through a gateway, he was jolted off the seat, and, falling on a projecting lever of the machine, received severe injuries, which required twenty-two stitches. He is recovering nicely.

The Epworth League garden party held Tuesday night at the home of Mr. Lawrence on the old Matthews farm, was largely attended, and quite a success. The band was in attendance and were liberal in dealing out their musical selections. The booths did a rushing business and all seemed to enjoy themselves. The evening was an ideal one for the occasion.

The I. O. F. will attend divine service in Trinity church on Sunday evening, August 21st. Brethren are requested to meet at the hall at 6.30. Band in attendance. The order will be addressed by the Rev. Bro. W. H. Hartley, rector. Rev. Bro. W. H. Hartley, High Orator for Ontario, for the I. O. F., and a full attendance of the members is earnestly hoped for.—W. Johnston, sr., R. S.; Geo. Meikle, C. R.

The juvenile lacrosse team went to Hanover on Monday, and were beaten in the final game for the championship of the district by 10 goals to one. Just what happened to the locals is hard to conceive as the game played here the Monday before was an even exhibition, and they won by 7 goals to 3. This gives Hanover the championship of this district, with a lead of nine goals on the round.

Mr. N. P. McIntyre returned from the West on Monday, where he has been for the past month with Messrs. B. Scott and J. Calvert. As reported in these columns last week, their horses, Paddy McKinley and Hal, Scott, were successful in carrying off several prizes in the recent racing events in the West, with the result that they have disposed of all but "Paddy," who is now on the road home.

The Varney Methodist church had a very successful garden party on Friday night last. Successful both socially and financially. The best of order prevailed throughout, and the proceeds amounted to something in the neighborhood of fifty dollars. A good musical and literary program was provided. The Maple Leaf orchestra, from Durham, gave several taking numbers, on the guitar, and mandolins. Rev. Mr. Deller sang a couple of well chosen selections and gave some nice musical renderings on the mouth organ and autoharp. In company with Miss Mead, a number of mouth organ duets were given in a very appreciative form. Mr. Wm. Allan and Rev. R. W. Wright made short, pithy addresses.

Mr. D. B. McFarlane, manager of the Raven Lake Cement Works for the past couple of years, recently resigned his position on account of his health. On the eve of his departure, he was given a magnificent banquet by the employees of the works, and in connection with this, some very eulogistic preferences were made regarding the friendly relations that always existed between him and the whole staff of officials and employees. Mr. McFarlane thought the whole ceremony ended with the banquet. He was surprised after coming here to receive a magnificent soldier's leather travelling bag and gentleman's companion, accompanied by a very flattering address. It was the intention of the employees, no doubt, to make the presentation at the time of the banquet, but the present did not arrive in time. Mr. McFarlane is highly pleased with the gift, and well he may be.

Dr. George McDiarmid and Mrs. McDiarmid, nee Miss Ida Martin, of New Orleans, were guests of Mr. and Mrs. A. W. H. Lauder over Sunday. Dr. McDiarmid lived in this vicinity about twenty-five years, during his father's pastorate in the Presbyterian churches at Dornoch and Rocky Saugeen.

The Ebenezer church purpose holding a real old-time garden party at the home of Mr. John Reay, on Tuesday evening, August 23rd. The 31st Regimental Band will be in attendance, and a good program rendered. Refreshments sold on the ground. Admission 15c. and 10c. pd

The contract for the building of a new bridge over the Saugeen river, on the second of Glenelg, a mile and a half east of town, was let on Monday last. It is to be constructed of re-inforced concrete, somewhat similar to the cement bridge in Durham. The contract was awarded to Mr. Walker, of Owen Sound, whose tender was \$400 lower than the next in order. Four tenders were received, ranging from \$1600 to \$2700. Mr. Traynor, P. L. S., of Dundalk, is the architect.

Mr. Walter Middleton, of Rocky Saugeen, was somewhat seriously injured one day last week, when roofing a house for Mr. Martin, of Glenelg. He and Mr. Karstedt, of this place, were engaged putting on metallic shingles, when they fell. Mr. Middleton striking the ground first, and Mr. Karstedt falling on top of him, the former sustaining a fracture of the elbow, and being so badly cut about the face that the wounds had to be stitched. Mr. Karstedt miraculously escaped with only a few bruises.

The following left here for the West on Tuesday morning: Wm. Atkinson, for Bender, Sask.; Jesse Edwards, Moose Jaw, Sask.; Harry Gadd, Regina, Sask.; Wm. McAlister, Broadview, Sask.; Jas. Hoy, Webb, Sask.; Mrs. Thos. Tarry, Lumsden; Mrs. Robt. Britton, and six children, for Moose Jaw; Wm. McCrie, for Swift Current; Mrs. Gadd and daughter, Miss Emma, for Regina; Mrs. Crittenden, and baby for Gilbert Plains, Man.; Geo. Pollock, for Webb, Sask.; Mrs. H. Wilkinson and children, for Yellow Grass, Sask.; Mr. and Mrs. R. W. Braithwaite, for Yellow Grass. Many of them expect to return after two or three months.

At the garden party on Tuesday night, three nuts were removed from the wheels of a buggy. Two were left where they could be easily found, but the third was not discovered. Three boys were seen at the job, but only one is positively known. He is a town boy, and is said to be such a liar that further evidence is wanted before making his arrest. But why make an arrest? Our police magistrate is too easy on wrong doers, and in a large measure they lock up in the law as hear about could easily be avoided if good stiff fines were handed out on all occasions. Irrespective of the good families to which the young culprits belong. The young rowdies themselves will go home wiser and better when their pocketbooks are reduced, and strange as it may seem, they'll have much more respect for the man who hands out the punishment.

The remains of the late Wm. Caldwell whose death we chronicled in last issue, were interred in Durham cemetery on Friday afternoon under Masonic auspices, of which society the deceased was an honored member. The members of the lodge here, accompanied by brethren from Dundalk, and other places, led the procession from the home to the cemetery. At the grave, the burial service was read by Rev. Mr. Bice, of London, and Rev. Mr. Hartley, of Trinity church here. The Masons next took charge, and performed their mystic ceremony with great solemnity and in a highly effective manner. The hearse was drawn to the cemetery by "Black Diamond" and "Black Maud," two favorite horses belonging to the deceased, horses he refused to sell when the liverly was disposed of shortly before his death. The deceased leaves many sorrowing friends and relatives, and his funeral was very largely attended.

THE SCHOOL QUESTION.

This important question is engaging the attention of many parents and young people just now. Just what to do is sometimes a problem. Where possible we believe every boy and girl should pass the Entrance and spend a few years in High School or Collegiate work. When this is not practicable the next best thing to do is to arrange for a course in some reliable business training school. In these schools the instruction is mainly individual so that the Third Book student or the High School graduate may make relative advancement in a good practical course of training alike beneficial in any walk of life. In such schools many find the training for the Entrance Examination sufficient foundation upon which to build a good business or shorthand course, which leads to office employment at a living salary as an introduction to a successful business life. Canada possesses many very good Business Colleges, but the one which has a continental reputation for doing good work and producing successful graduates is the well-known Central Business College, of Toronto.

HYMENEAL.

HEMPSTOCK—DANIEL.

The home of Mr. and Mrs. Thos. Daniel, of this place, was the scene of a pretty event on Wednesday of last week, the occasion being the marriage of their second daughter, Edith Christina, to Mr. Robt. Hempstock, of Hamilton.

The ceremony took place at half-past seven, in the presence of about thirty invited guests.

Promptly at the hour appointed the groom took his stand under arch of evergreens at the front of the house, and immediately after, to the strains of the wedding march, played by Miss Emma Gadd, the bride, leaning on her father's arm, took her place by his side, when the solemn ceremony that made them man and wife, was performed by Rev. R. W. Wright, pastor of the Methodist church, of this place.

The bride was tastily and prettily gowned in a wedding dress of cream silk, and wore in her hair white carnations and maiden hair fern, and carried a bouquet of white carnations. Her going-away suit was of blue, with white hat.

The nuptial knot tied, and after the happy couple had received the congratulations of their friends, all sat down to a dainty wedding dejeuner, to which everyone did ample justice, the remainder of the evening being pleasantly spent in games, music, and other amusements.

Mr. and Mrs. Hempstock left on Thursday morning for Toronto, and other points, on their honeymoon, after which they will take up their residence in Hamilton.

The Chronicle joins their many friends in wishing them a long, happy and prosperous wedded life.

MITCHELL—AMOS.

The following wedding notice, notice, taken from the Port Elgin Times, will be of interest to many of our Egremont readers. The bride being a grand-daughter of Mr. and Mrs. Jas. McMeekin.

On Wednesday morning, at 3 o'clock a very pretty wedding took place in the Methodist church, when Miss Pearl Amos, of this place, became the bride of Mr. William H. Mitchell, of Mount Forest. The church was tastily decorated with ferns and foliage, and presented a very pretty appearance when, to the strains of Lohengrin's wedding march, played by Miss Sadie Martin, the bridal party entered the church and proceeded to the altar. The bride was given away by her mother, who was attired in green voile over black silk. The bride, who was unattended, except for the ring bearer, little Miss Aileen Johnson, was becomingly gowned in pale wisteria messeline satin, trimmed with rare lace and ecru wisteria, and carried a shower bouquet of cream and pink roses. Rev. E. D. Becker performed the ceremony. About sixty invited guests were present, as well as many friends. Messrs. E. Prosser and C. Schell were ushers. The groom's gift to the bride was a beautiful fleur-de-lis of pearls, to Miss Martin, a brooch, and to the ushers monogram stick pins. After the ceremony, the party assembled at the home of the bride's mother, where a sumptuous wedding dinner was served. The young couple were the recipients of many splendid presents, testifying to their popularity. Mr. and Mrs. Mitchell left on the 2 p. m. train for Mt. Forest, where they will be at home after September 1st. The bride's going away gown was a sea-green serge, with large tuscan hat.

GOLDEN WEDDING.

On Tuesday, the 9th inst., an interesting gathering assembled at the home of Mr. and Mrs. Alexander Archibald. It was their Golden Wedding celebration, in commemoration of the original event which occurred on the 8th of August, 1860.

Mr. Archibald was born in Aberdeenshire, Scotland, on the 1st of April, 1834. He came to Canada in 1857, moved to Bentinck in 1858, and was married in 1860 to Miss Willis, sister of the late Henry Willis.

Mrs. Archibald was born in Somersetshire, England, in 1833, and came to Canada with her parents when five years of age. The marriage resulted in a family of fifteen children, nine sons and six daughters, of whom eight sons and three daughters survive. Of the surviving family, six sons are in the West, one at St. Thomas, and one at home. One daughter is in Toronto, one in Manitoba, and one in Normanby. There are thirty-four grand-children, and two great grand-children.

Mr. Archibald has been a member of the Methodist church for thirty years, and a very pronounced Liberal in politics. Rev. Mr. Deller, of Varney circuit, and Mr. H. Miller, M. P., were present and made appropriate addresses. A poem, written by Mr. James Whyte, the bard of Bentinck, was presented on the occasion, and Messrs. William and Mark Willis, nephews, of the aged couple made short addresses.
