Western Lands For Sale Re E. 1-2 Section 19, Township 39, Range 17 W. 2nd M.

Location.-This half section is situated in the famous Quill Plains, about twenty miles north of Watson Station on the C.N.R. It is in the midst of a good settlement, chiefly of Canadians and Americans, with some Germans and Norwegians. It is about two miles from school, store, church, post office, etc. It is in a very fertile part of the West, which is claimed to be equal to the Portage Plains, one of the most fertile ar- Dr. D. S. Craig, D.V.S. V.S.V.D. eas in the world. Besides immense yields of wheat, the neighboring farmers raised as high as 100 bushels of oats to the acre in some instances in 1909. The survey of the Thunderhill branch of the C.N.R. is near, and the road is already completed to within 70 miles of it.

Water.-A fine spring creek runs along the East side, and cuts off the North-east corner of the half section. Water can also be easily obtained in wells almost anywhere in the neighborhood. The low land near the stream furnishes excellent hay and pasturage.

Wood,-This is convenient and plentiful for fuel. A few miles distant good building timber can be got, and also timber larga enough for sawing into lumber. Game.-Fish are abundant in the lakes, and game in the woods and on the lakes.

Soil.-The soil is dark and deep, rich with vegetable matter, and in short, is a strong clay soil that is not too heavy to be easily work-

General.-This is a very desirable property, sloping gradually to the creek, the greater part of the farm commanding a fine view of the surrounding country It is surrounded by prosperous and progressive farmers, one of whom has a fine steam threshing outfit, and steam plough. There is a little scrub on the farm, but nothing to huit. Many consider a little scrub an indication of greater richness in the soil. Anything else you may require to know, I will be pleased to supply on re-

If the aforesaid land is not what buyer wants, I have several other sections at my disposal, some quite close to a railway station, DITA IRWIN, MUSICAL INand others entirely free from It structor on piano and organ. crub.—W. L. DIXON, Dromore, Terms on application at her residence, Ontario.

We copy the following from the Youngstown Telegram, as we know our numerous readers will be interest :d.

A quiet and beautiful wedding or wried on Thursday evening, 1st inst, at 7 o'clock, when Miss Charlotte E. Burrows, became the bride of John F. Pearce. The weddieg occurred at the home of the bride's parents, Rev. and Mrs. A. Edwin Burrows, Warren Avenue. The impressive ring service was used in the marriage. The bride's father, Rev. A. E Burrows, D. D. assisted by Dr. J.L Hillman, officiated at the ceremony. The bride was attended by her sister, Miss Margaret Burrows, and Paul Reebel was best man. Little Miss Francis Burrows carried the ring in a large white rose. Miss Joanna Ambrose sang "O Promise Me" (De (Kovan) and "I Love You Truly," (Carrie Jacobs Bond) The bride was attired in a beau-

tiful creation of white messaline en traine, with pearl and baby Irish trimming, and full length veil. She carried a shower of white bridal roses. The maid of honor wore white embroidery and carried pink roses. The little ring bearer was dressed in white and pink. A dinner was served immediately after the ceremony. The

house and dining room were beautifully decorated with ferns, gladiolas and asters. A pink and white color scheme was carried out in the dining room. The bridal party and immediate relatives of both families sat at the bride's table. At 4.30, the young couple left on a trip up the lakes. Upon their return, they will take up their
