

# A MODERN MIRACLE

## FACTS SHOWS HOW ZAM-BUK CURES ARE PERMANENT

Mr. T. M. Marsh of 101 Delorimier Ave., Montreal, has had this wonderful experience of Zam-Buk. Mr. Marsh has lived in Montreal for over 30 years, many of them at his present address. He is well known and is willing to satisfy any enquirer as to the genuineness of his cure. He suffered 25 years from eczema in the hands and had to wear gloves day and night, the itching was so terrible when the air got to the sores. Doctors said there was no cure. Three years ago Zam-Buk cured him. Interviewed a few weeks ago he said:—

"From the day I was cured by Zam-Buk to the present moment I have had no trace of the eczema and feel sure it will never return. When I think of the marvellous cure Zam-Buk worked in my case I am more and more impressed by the value of this great household balm. I have had letters of enquiry from all over Canada, and am glad to personally corroborate the published facts of my cure."

It is by working cures like this that Zam-Buk has won for itself a world-wide reputation. Unequaled for ulcers, abscesses, piles, blood-poison, inflamed sores, cold cracks, chapped hands, babies' eruptions, varicose ulcers, burns, cuts, etc. All druggists and stores at 60c box, or Zam-Buk Co., Toronto, for price.

### TOM FOOLED HIMSELF.

On Wednesday last, Mr. Thomas Black of Heathcote, came to town, and got a check cashed at the bank, which amounted to about \$130. He put the money in his coat pocket, and went down to the lake shore for a load of gravel. He took his coat off, and placing it in the wagon, covered it over with gravel. When he had finished loading gravel, and was ready to start for home, he commenced to look for his coat, but could not find it. Thinking it had been stolen he came up town and notified the authorities, and then proceeded home. However, when the graveling reached home and the gravel was removed, he was greatly surprised to see his coat safely stowed away in the wagon box under the gravel.—Herald-Reflector.

### J. C. ROCKWELL'S NEW SUNNY SOUTH CO.

This attraction which is well known in this town will appear in the town hall, Durham, Thursday evening, Nov. 3rd. It is a little over two years since it has been here and since that time it has been enlarged and strengthened in every way and today it is conceded to be one of the strongest and most capable colored organizations of the day. The fun which will be handled over the foot lights is all new and needs no arrow to point the way to the laughs. It is bristling with new, novel and entertaining features and is brim full of laughable situations, charming musical numbers and excellent situations. The olio is composed of eight high grade vaudeville stunts, that are the kind that not alone please but have merit as well. Comedy is all that is aimed at and nothing else is reached, but some very clever singing, dancing and thrilling specialties, which will make the audience sit up and take notice. There is plenty of fun in the performance in fact it was built for laughing purposes only and it is generally conceded to be one of the funniest shows since time began. It is a musical performance wedded to the most tuneful music one would care to listen to, full of ginger and life with not a dull moment from start to finish, something is going on all the time the curtain is up. Mr. Rockwell does not believe in putting the greater part of his salary allotment into one or two acts and allow the balance of the performance to suffer through the employment of cheaper ones who always disgust the experienced patron, but he has found that the expenditure of money for the purpose of making each act and detail complete pays twice over in the box office receipts. This explains why the Sunny South always gives unbounded satisfaction. The organization is accompanied by a high class solo concert band and a superb orchestra. The band will head the Koontown parade which will take place at noon. The prices of admission have been placed at 35 and 50c. Reservations are now being at Macfarlane's Drug Store.

### A NEEDED INVENTION.

An invention has been completed for what many people thought to be impossible, namely an indicator to reveal the number of the phone on the line where the receiver is taken down while a conversation is taking place. Subscribers to rural phones know that on a line there is usually one or two people who are always interested in other people's business and frequently their presence may be known by the click of the receiver as it is taken from the holder. This invention will not only indicate when a third party comes on the line but also when they go off. The contrivance is not a complicated appliance at all but can be manufactured at a very reasonable figure and can be easily attached to any phone. The inventor of this very useful appliance which we believe will revolutionize the rural telephone system in Canada and the United States where new lines are being built daily are Burgener Bros., of Linwood, Ontario, who have applied for a patent for their invention.—Ex.
