

THE DURHAM CHRONICLE

W. IRWIN, Editor and Proprietor.
DURHAM, NOVEMBER 17, 1910

FLESHERTON.

The Methodist church anniversary services on Sunday, conducted by Rev. G.R. Young, B.A. of Chatsworth, were quite successful. Mr. Young, who is a fluent and pleasing speaker, preached two excellent sermons. His discourse in the morning was specially good, based on the call of Jesus to the fisherman, "Follow Me, and I will make you fishers of men." In the evening his text was John 8. 12. "I am the light of the world," and coupled with it, Newman's familiar hymn, "Lead Kindly Light," of which he gave an interesting exposition. The congregations were large and the offerings were over \$100. Mr. Young also conducted anniversary service at Meaford Road in the afternoon. On Monday evening, Mr. Young again spoke in the church here giving his lecture on "The Indian, and our duty toward him." The speaker, who was born on the Mission Field and is familiar with the life and habits of the Indian, dealt with his subject in a deeply interesting manner. A liberal silver collection was taken. The choir gave special music at all the services.

Heard-Bowes. — Mr. John A. Heard of this place is receiving the congratulations of his friends upon his recent marriage, which took place on Wednesday, Nov. 9th the esteemed young lady to become his bride being Miss Ella Bowes, daughter of Mr. James Bowes, of St. Vincent. The wedding took place at the home of the bride, the ceremony being performed by Rev. H.E. Kemp, of Water's Falls.

Mr. John Thistlewaite has moved to Mr. Roddy Stewart's residence on Durham Street, and Mr. James Wallace has moved to Mr. Albert Stewart's residence on Sydenham Street.

Mr. Harry Wood had the misfortune to lose a valuable cow last week. She was found strangled by her rope hater.

A number of the Presbyterian congregation attended the Presbyterian anniversary services at Eugenia on Sunday, to hear their former old pastor, Rev. John Wells, who preached with his old-time vigor.

Mr. Wesley Buskin has bought the Sproule-Higginbotham grocery business, situated in his own block, and takes possession upon the completion of stocktaking, now in progress. Mr. Sproule has leased an office in the block, and will continue in conveyancing, &c.

The hunters have returned from the north, reporting a splendid holiday, and the capture of the full number of deer allowed by law.

Mrs. Bunt gave a party to a lot of little folk on Saturday, in honor of Master Frank's birthday.

Rev. G.S. Milligan returned on Saturday, from his holiday of four weeks at his old home in St. John, New Brunswick.

The Presbytery of Orangeville Sunday school and Mission Institute, will hold meetings in the Presbyterian church here on Monday next at 2.30 and 7.30 p.m. The special speakers for the occasion will be Rev. J.C. Robertson, General Sunday School Secretary, and Rev. A.E. Armstrong, Assistant Foreign Mission Secretary. Flesherton has been chosen for this meeting, a local centre for the territory including Eugenia, Priceville, Proton Station, and Swinton Park, and a good delegation is looked for from these points. All are welcome, and the meeting will doubtless be interesting and profitable.

Miss Allie Ottewell, of Osprey, spent part of last week with her brother, Dr. J.J. Ottewell.

Mr. Harry Atkinson, of Toronto, has been a visitor for a week at D. McTavish's and Herb. Smith's, returning with the latter from hunting in Parry Sound.

Mrs. J.W. Henderson, who has been on an extended visit here, returned to the city.

Mrs. R.T. McDerm, 4th line, has returned from an extended visit with friends in the West. She was accompanied home by her son, Cecil, who has also been in the West for some time.

Mrs. Clark, of Chatsworth, visited Mrs. Holland over Sunday.

Most cases of baldness are due solely to neglect. The hair often becomes dry and dandruff forms because the hair glands do not supply enough natural oil. Nothing overcomes this deficiency so effectively as fast delicately perfumed, refreshing hair pomade, I amine. Avoid baldness; apply Bearing to your hair occasionally. All druggists, 50 cts. a jar.

DAVIS' RESTORATIVE SAUCE

A thick adhesive ointment, combined with Benzoin Myrror and Yuccine, two of the best wonderful healing drugs known. It soothes, heals and tends to restore those who suffer from Piles, Yaws, Abscesses, Sores, Chafing, Irritated and other skin troubles.

The word "Sauce" literally means to well in good health. Try Davis' Restorative Sauce and you will be relieved.

All Druggists.

CLOSING ENTERTAINMENT.

A fairly well filled house assembled on Friday evening last in Ritchie's school house, about a mile east of the town. The Sunday school held there during the summer months, was closed for the season, and in accordance with the usual custom, the event was marked by the regular closing concert.

About eight o'clock, a lunch was served, consisting of tea, coffee, pies, cakes, sandwiches and other edibles, for which the ladies of the section are famous for the very tasty and tempting manner in which they are prepared. All participated in this part of the program, and when the cravings of the inner man were fully satisfied, the Editor of the Chronicle was invited to the chair, and a program of recitations, choruses, drills, dialogues and addresses was quickly disposed of, considering its length, to the enjoyment of all present. There were over twenty numbers on the program, yet the very best of order was observed till the National Anthem closed the meeting about half-past eleven.

This orderly feature of the entertainment contributed, no doubt to its eminent success, and left a very favorable impression on all who went there for a night's real enjoyment.

Dr. Farquharson excelled himself in a pointed and pithy address, directed chiefly to the young people. Rev. Mr. McCausland, the new pastor in the Baptist church, made his first appearance in No. 9 and left a very favorable impression by the earnestness of his short address.

Near the close of the entertainment, the Superintendent, Mr. W. J. Young, assisted by Miss Scott, presented handsome certificates to a large number of the pupils. The Secretary's report, by Miss Aljee, showed the school in a good healthy and prosperous condition, both spiritually and financially. The average attendance for the season was over 70.

Miss Ethel Weir was an efficient organist, and accompanied all the choruses and solos very commendably. Recitations were contributed by Vida Ritchie, Geo. Bell, Vera Hopkins, Edna Ritchie, Eliza Patterson, Lena Ritchie, Chrissie McGirr, Clara Ritchie, and the teacher of the public school, Miss Scott.

The flag drill, by a dozen girls, was a pretty and well rendered, spectacular feature of the evening's entertainment, and the dialogue, entitled "An Army of Applicants," was humorous and entertaining.

Everything passed off nicely, and the school is to be congratulated on its year's work, as well as the very pleasant nature of its closing exercises.

A GENEROUS OFFER.

Macfarlane & Co. Will Refund Your Money if Parisian Sage Doesn't Banish Dandruff

Pretty strong talk, perhaps you'll say, but it's honest talk, every word of it, because if Macfarlane & Co. were not absolutely certain if they did not know from actual results obtained, they could not make such a generous offer. Parisian Sage, which can now be obtained in every town in Canada, is also guaranteed to stop falling hair and itching scalp.

It is the ideal, delightful, rejuvenating hair dressing that makes hair grow in abundance. Parisian Sage is a prime favorite with women, because it keeps the hair brilliant and fascinating, is daintily perfumed, and is not sticky or greasy.

The price for a large bottle is only 50 cents at Macfarlane & Co's, who guarantee it. Sold everywhere, or direct. All charges prepaid by the Canadian makers, Giroux Mfg. Co., Fort Erie, Ont.

The Rev. Ir. R. Hicks 1911 Almanac

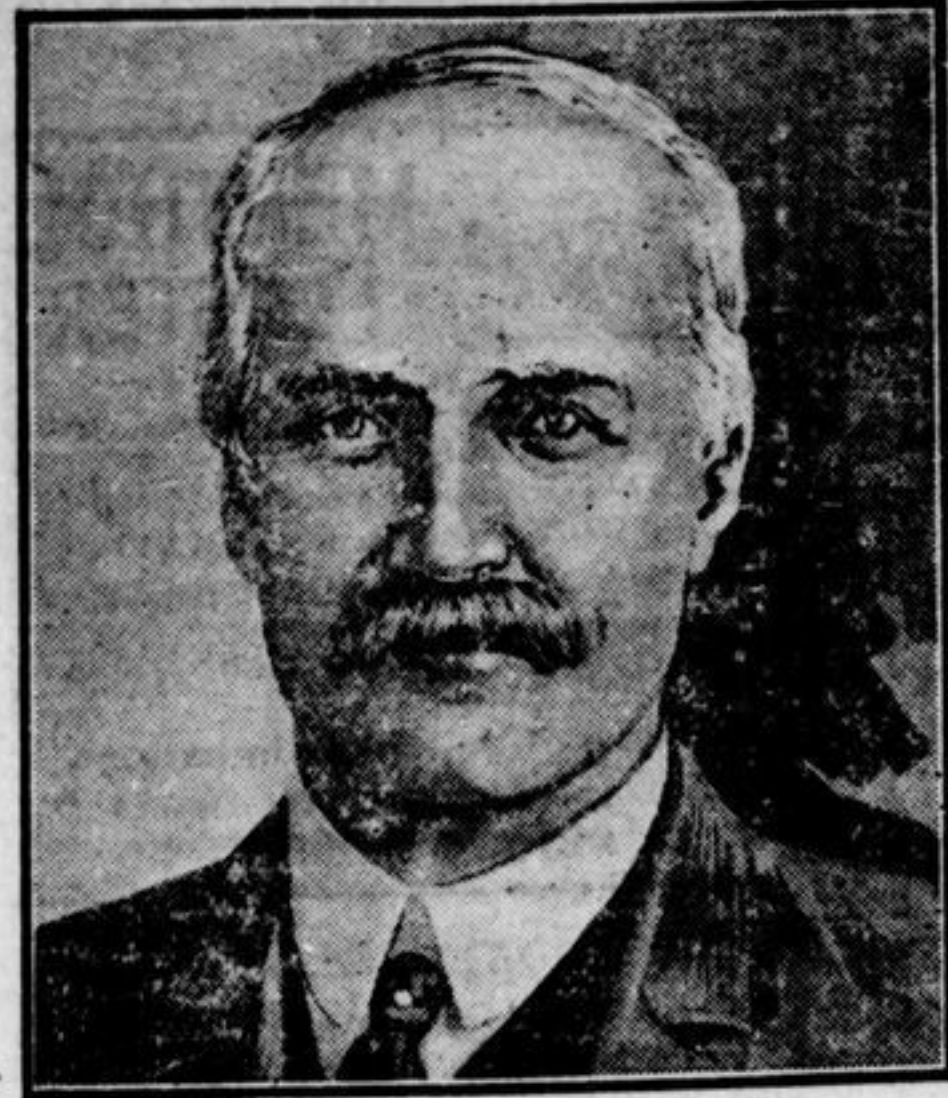

The Rev. Ir. R. Hicks Almanac for 1911, that guardian angel in a hundred thousand homes, is now ready. Not many are now willing to be without it and the Rev. Ir. R. Hicks Magazine, Word and Works. The two are only One Dollar a year. The Almanac is 35c. prepaid. No home or office should fail to send for them. To Word and Works Publishing Co., St. Louis, Mo.

UNNECESSARY CANINES.

We don't see the necessity, in nine cases out of ten, of keeping dogs in a town like this. Only a few days ago our attention was called to an attack made on a boy as he went along the street, by a vicious brute, that has, for some time been a menace to boys, children, and women, who go along minding their own business. It may be all very well to say that if a dog commits harm, the owner is responsible, but the responsibility of dog owners is often all there is to it. Some of them have no more need for a dog than a cat has for two tails, and instances might be found where the cost of keeping up a big, hungry brute might be used on members of the family to much better purpose. Dogs are supposed to be muzzled, chained securely or locked up, but though many dogs may be seen running at will, the muzzles have been discarded, and every dog owner who is disregarding the law is liable to all prescribed penalties. There may be a sudden awakening and violators of law and order will have an opportunity to reflect over their disobedience.

SUFFERED FOR YEARS WITH STOMACH TROUBLE

"Fruit-a-tives" Promptly Cured Him

DANIEL SAUNDERS, Esq.

Mr. Daniel Saunders, of Shoal Lake, Manitoba, is one of the best known gentlemen in Canada's great wheat country. He lived for years in the West—made a success of his farming—and has now retired from active business life to enjoy the fruits of his work.

When a man of such financial and social standing voluntarily testifies to the great benefits he has received from taking "Fruit-a-tives" there can be no doubt but that "Fruit-a-tives" deserves the confidence of every reader of this paper.

SHOAL LAKE, MAN., JUNE 11th, 1910.

"For years, I was bothered with persistent Dyspepsia and Indigestion, having severe pains after meal time. I tried everything that I could get but the pain in my stomach became no better.

Last summer, Mr. Oatway, a druggist of my town, recommended "Fruit-a-tives" to me. While taking "Fruit-a-tives," I in no way gave up any foods that I was in the habit of eating, neither did I stop smoking. Yet in spite of all, "Fruit-a-tives" has done wonders for me and I strongly advise all my friends to use it."

"Fruit-a-tives" is the only medicine in the world made of pure fruit juices, and will always cure Indigestion, Dyspepsia, Sour Stomach, Biliousness, Constipation and any other disease that comes from disordered Stomach, Bowels, Kidneys or Skin. 50c. a box. 6 for \$2.50, trial size, 25c. At dealers or sent on receipt of price by Fruit-a-tives Limited, Ottawa.

HOLSTEIN.

Mr. Thos. Brown, after a month's stay with relatives and friends at Regina, returned on Friday of last week, accompanied by Mr. Ed. Cars, who left again Monday morning for Regina.

Miss Ethel Sharp spent the early part of the week with Miss Ida McEwen, of Mt. Forest.

Revs. Marshall and Low exchanged pulpits on Sabbath last. Messrs. W.G. Pettigrew and Arch Baird left Friday for North Dakota, where they will again engage in the binder twine business for the winter.

Dr. Jamieson, of Durham, was in the burg Monday on business regarding the saw mill here. We understand the Defiance Handicraft Society have decided to cease operations in that line, hence Dr. W. was anxious to secure the premises for the benefit of the Durham Furniture Factory, the plant and buildings of which are being extensively enlarged. The timber question promises to play an important part in the manufacture of furniture in the near future. We are informed that the Durham Co. has secured the premises.

Richard Irvine left last Friday morning for Ashland, Wis., to visit his brothers and sisters there. He will be absent for about ten days.

The job on Main Street has been finally passed, and orders given for payment of same. Mrs. Andrew Ales is very seriously ill at time of writing, and but little hopes are entertained of her recovery.

Mrs. James Durrant was summoned to Owen Sound on Friday, on account of the continued serious illness of a relative.

TRAVERSTON.

Some are busy engaged cutting the year's wood supply, while others are equally as busy visiting their neighbors and kindred. Such is life.

Mr. Wm. Sweeney, who went West on the harvesters' excursion, returned home last week.

Messrs. Kenny and McCarty have the contract for cutting a long pile of wood for W.J. Greenwood.

Miss Jennie Cook arrived home on Sunday, after spending a fortnight with her sister, Mrs. W. J. McFadden.

The plasterers are busy at Mr. R. Martin's house at present.

Lorne McNally is a buster for his age, and is as active and willing as he is robust. He was helping Mr. Martin to cut logs last week.

There is deep sorrow throughout this vicinity over the sudden death of Mr. A. Dargave, of Dornoch, and many are the expressions of sympathy for the grief-stricken members of the family.

Zion Sunday school closed on the 13th inst., after a most successful season. The total number enrolled was 77, of these there was an average of 59 present every Sabbath. Over forty missed only two Sundays out of the 29 days the school was open.

Zionites were delighted with the discourse of the Rev. Wm. McMullen, B.A., of Toronto on Sunday afternoon. 'Twas an earnest, missionary appeal.

Thos. E. Bair has engaged Geo. Gray for a year, and they are busily engaged now in moving the sand hill from the farm of Timmins Bros. to the handy corner of that big barn foundation.
