W. IRWIN, Editor and Proprietor. DURHAM, NOVEMBER 24,

SIR WILFRID LAURIER

Sir Wilfrid Laurier, Premier of the Dominion of Canada, was 69 years of age on Sunday last. During the day, which he spent quietly in his home, he received a shower of telegrams and congratulations from far and near, expressive of good wishes for continued health, and manny happy returns of the day. King George, Premier Botha, of South Africa, Premier Asquith and Right Hon. Joseph Chamberlain, wired their congratulations from over the seas. Whatever political differences may exist, Sir Wilfrid Laurier, who stands at the head of our great Dominion, deserves the respect of the people, irrespective of their party leanings. This is not the time nor place to throw out any public criticism against the public man, who holds the highest gift in the realm, through the voice of the ballot-box. The Famous Medicine Made of Fruit Juices

After careful consideration, it has been determined that "Fruit-a-tives" is a thoroughly scientific remedy. It is based on scientific facts and it cures in a scientific manner.

In fact "Fruit-a-tives" is known to be the most scientific remedy ever discovered for Kidney and Bladder Troubles. Mr. Placey thinks so, and his experience proves it:

Ulverton, P.Q., March 17th.

I suffered for many years with Kidney Trouble and Pain in the Back. I took every known kidney remedy and kidney pill, but nothing gave me relief. I was advised to try "Fruit-a-tives," and this fruit medicine cured me when every other "Fruit-a-tives." From the first, "Fruita-tives" gave me relief and I am now well-no pain, no suffering-and every symptom of Kidney Disease gone.

> > PURIFIED HIS BLOOD

Dr. Morse's Indian Root Pills Healed Mr. Wilson's Sores

When the sewers of the body-bowels, kidneys and skin ducts-get clogged up, the blood quickly becomes impure and frequently sores break out over the body. The way to heal them, as Mr. Richard Wilson, who lives near London, Ont., found, is to purify the blood. He

"For some time I had been in a low, depressed condition. My appetite left me and I soon began to suffer from indigestion. Quite a number of small sores and blotches formed all over my skin. I tried medicine for the blood and used many kinds of ointments, but without satisfactory results. What was wanted was a thorough cleansing of the blood, and I looked about in vain for some medi-

cine that would accomplish this.

At last Dr. Morse's Indian Root Pills were brought to my notice, and they are one of the most wonderful medicines l have ever known. My blood was purified in a very short time, sores healed up, my indigestion vanished. They always have a place in my home and are looked upon as the family remedy.'

Dr. Morse's Indian Root Pills cleanse the system thoroughly. Sold by all dealers at 25c a box.
