

BLYTH'S CORNERS.

Beautiful, bright crisp weather since December came in, and most excellent sleighing.

Mrs. David Marshall, and son, Jimmie, referred to as being very ill, are, if anything, slightly improved, and this week we are sorry to report the severe illness of Dave himself, with the same trouble, water on the lungs, and pleurisy.

Another case of "dog running at large" trouble, came up before W. H. Ryan, J.P., in Ayrton, last Friday, which ended up in a rather romantic manner.

Mr. Jas. Marshall lately returned from the West, is at present quite poorly, suffering from a complication of troubles.

Rev. Mr. McCollough, of Harrison, has kindly consented to conduct the revival services in Knox church, beginning the second week in January.

COBALT, GOWGANDA AND PORCUPINE.

Investors are now flocking into the above regions, and the splendid reports of new silver finds at Gowganda, and gold at Porcupine, indicate that before long there will be a rapid expansion in values.

Don't let that bald spot grow! Go to a druggist at once and get a bottle of Parisian Sage and if that don't check the falling hair and cause new hair to grow, nothing will.
