THE DURHAM CHRONICLE

Five Boxes Of "Fruit-a-tives" Cured Her

4 HOME PLACE, TORONTO, DEC. 15th, 1909. "I was a terrible sufferer from Rheumatism for nearly a year, and my right

arm was swollen and the pain was fearful. All down the right side, the pain was dreadful, and I could hardly move for the agony. I was treated by two physicians but their medicine did me no good, and I tried numerous other remedies but received no benefit. I was simply a helpless cripple and suffered from Rheumatism all during last winter.

I saw "Fruit-a-tives" advertised in "The Telegram"and decided to try this remedy. After I had taken one box, I was much better and the pain less, and I continued the treatment with good hopes. When I had taken three boxes, I was so well that I could use my arm again and the pain was practically gone. After I had taken five boxes, I was entirely well again-no pain-no suffering-and now I am as WELL as I ever was.

The cure of my case by "Fruit-a-tives" was indeed splendid because all the doctors failed to even relieve me of my sufferings.

For the sake of others who may suffer from this terrible disease, Rheumatism, I give you permission to publish this statement." MRS. LIZZIE BAXTER.

"Fruit-a-tives" is the only remedy that actually cures Rheumatism, and Sciatica because "Fruit-a-tives" is the only medicine that actually prevents Uric Acid being formed in any quantity in the body. If there is no excess of uric acid in the blood, there can be no Rheumatism.

"Fruit-a-tives" keeps the stomach clean—the liver active—the bowels regular -the kidney strong and the skin healthy. These are the organs that rid the body of all waste. When "Fruit-a-tives" so regulates the system that all waste is eliminated, then there can be no waste or "urea" to be changed into uric acid. Thus, there can be no uric acid in the blood, to inflame nerves and cause the pain which we know by the names of Rheumatism, Sciatica, Lumbago, Neuralgia. "Fruit-a-tives" will cure every trace of Rheumatism, Pain In The Back, Swollen Hands and Feet, and other troubles due to the blood being poisoned by uric acid. If you are subject to Rheumatism, cure yourself now with "Fruit-a-tives"

and be free of pain this winter. 50c. a box, 6 for \$2.50, trial size 25c. At all dealers, or sent postpaid on receipt of price by Fruit-a-tives Limited, Ottawa, Ont.

Pres., JE. Marcellus; Man, A.S. Thurston: Capt. O. Whitten: Sec. Treas., R Kerr; Committee, F. Sullivan, E. Bellamy, H Mitchell,; Mascott, Charlie Crossley. Miss Lily Bird, : Meaford Road, last week to spend some time in the city.

Mr. John Osborne, of Arcola, Sas. a arrived on Saturday to visit relatives in Artemesia and Osprey. Miss Annie Wilcock, who left in October last to train for a nurse at Montclair, N.J., was soon after seized with a severe attack of rheumatism, which incapacitated her for duties, and she has returned home tor ecuperate. Miss Wilcock is improving, and her friends

hope for her speedy recovery. Miss Willa Wright has been engaged in Desboro public school for the coming year.
