DURHAM 14, PAISLEY 1.

The Paisley-Durham hockey match on Friday last was one of biggest burlesques that has taken place here this, or any other winter, but the hockey management are glad that where is no chance of a repetition again his season. as all the other games will be off a superior quality. This game, however, was a walkover for the locals, who scored 14 goals on their opponents, and could have made it 44 if they had wished. Paisley, however, got one, which was handed them, so that they might not go back empty handed. The game tonight, Thursday, in Chesley, will be one of the best this season, and the locals are running a special train, leaving Durham at 8.45 para. The round trip fare is \$100. As an evening's outing, this will be the best this season, and an many have signified their intention of going, a bumper crowd is looked

### "THE SWEETEST OF ALL THE CHARITIES."

Will You Help It In 🤊 Its Hour of Need ....

# COLLEGE STREET, TORONTO

Since its organization the Hospital has treated in its cots and beds 16,837 children; 12,370 of these were unable to pay and

READY FOR MOTHER. were treated free. There were 60 cases of club feet corrected

THE HOSPITAL IS A PROVING CIAL CHARITY.

The sick child from the most remote corner of Ontario has the same claim as the child living within sight of the great House of Mercy in College Street, Toronto. Our cause is the children cause. Could there be one that has a strongers claim on the people of this Province?

Perfect results in Harelip cases. 18 infants were relieved of this terrible deformity last year. If the Hospital is to continue its great work, must appeal to your pocketbook as well as to your purity, its apostles being up-to-date heart. Let your Dollars be messages of mercy to

> Please send your contribution to J. Ross Robertson, Chairman, or to Douglas Davidson, Secretary-Treasurer, The Hospital for Sick Children. College St., Toronto.

## VICTIMS OF CONSUMPTION.

alone to solace himself. By chance MOTHER AND TWO CHILDREN AT MUSKOKA FREE HOSPITAL.

> Are Now Under Treatment-Husband Too, Had Been a Patient-A Tragedy in Real Life-Heavy Debt om Institution.

A story from the Muskoka Free Hospital for Consumptives tells of a mother whowith ner two children, is now under treat. ment in that institution. The husband hack been a patient, but the case was an advanced one when the patient entered, and he has since passed away. There is littles doubt but that the wife was infected as as the result of caring for her husband, and now she is in the Muskoka Hospital. Her littles girl, about five years of age, and a boy of ten are with her, both being afflicted with this dread disease.

The words of the mother are pathetic. She writes: "I went to a doctor and got tow often seen in statues, but generally him to examine my lungs to see whether believed not to be found in real life. there was anything wrong with them, and These men, by the way, have the most he said that the right lung was affected. De luxuriant hair in the world, and yet A little rest, he hoped, would build me up. the doctor says that if I could take her ! a up with me it would do her ever so much good, as she is not very strong. I have me three more children, and one of these, a de boy of ten, seems also to be afflicted, and it is advisable that he should enter the hos-

These three are of the 104 patients who are residents in this deserving institutions and being cared for without money and without price. The sorry part of it is that the trustees are carrying a debt of some Va thing like \$40,000, incurred largely through the additions that have been made within the past year, and that have more than doubled the accommodation of the institution, together with the heavy cost of main-F taining so large a number of free patients.
