DURHAM, 11; HANOVER. 2.

The Hanover Northern League lor. team played their return game with the locals, on the rink here. on Thursday evening last, and like the rest of the games played in Durham this season, the locais were the victors, 11 to 2. Though the game was rather one

view, the Flying Dutchmen put up a good argument all the way, McKinnon, F. Hooper, B. Hartford. and it was a good game for the I. McCuaig. TO THE SUNNY SOUTH spectators, good combination. and spectacular rushes bringing M. McEachern. M. Tucker. A. Hoopthe crowd to their feet continually. Though the Hanover line-up was not the regular one, we believe it from JAMES. R. GUN, Town Agent to be just as good a team as the one that played Durham the first Tucker, J. Shortreed, A. McCuaig, of the season, the new men, Miller, M. McDougall, R. Haines, E. Mcin Leod. at cover point, and Scarboro goal, being live ones, and able to take care of themselves.

The game was called at 8 o'- NO. 10, BENTINCK. clock sharp, by referee Taylor, of Sr. IV-F. McLean Walkerton, and went away with a J. Clark, R. Lamb. rush, Hanover scoring the first goal in 11 minutes. In 14 minutes. Lavelle scored Durham's first on a rush from his position at cover, Cowan following in two minutes more. Durham scored again in 17 minutes, and added two more in the next minute, making the tally 5 to 1 at half time.

The second period started out stronger than the first, and Lavelle, in another rush, scored for the locals in three minutes, Falkof express trains carrying through ingham repeating the dose four NO. 5, GLENELG. standard and tourist sleeping cars for minutes afterwards. In another four minutes, Rowland scored, and Falkingham got two more in thirteen minutes. Lavelle tallied again one minute later. In this half, Hanover also scored, after 11 minutes of play, the score, at full time, 11 to 2 in Durham's favor.

> due on this Thursday evening, R Jacskon. when the locals go to Owen Sound for their first game with the fast pucksters of the County Town. Like Durham, they too, have only lost one game, being defeated by the same team, Chesley, on Chesley ice. This places them on the top of the heap, and the game at Owen U. S. S. NO. 1, E. AND N, Sound will practically decide who has to step down and out. For this great game, the locals have practised faithfully, and will play the game from start to finish, and win if they can. The Owen Sound team, too, are confident of success, and the battle between these two teams should be the best ever seen up in this part of the country. For the accommodation of the fans, in fact at the request of large number of them, a special train is being run over the C, P. R., leaving Durham at 6.30, and returning immediately after the game. The return fare of \$1.60 for adults, and 80c. for children, should be a popular one, and a record crowd is expected to go with the team.

The sporting editor of the Chesley Enterprise lay off a week to think up something bad enough to say about the Durham team, for trimming Lustig's pets here a couple of weeks ago. From his account of the proceedings, one would imagine it was a bullfight instead of a hockey match, and that the way their darlings were used was a gosh-durned L. Hopkins. blooming shame. Of course all the Chesley boys are angels, and so W. Grierson, H. Mountain. sweet that honey tastes like vinegar when they're around. But never mind, Chesley, we'll se U. S. S. NO. 3, B. AND G, what crimes Hanover resorted to to beat these self-styled champions when your next issue comes hand, unless the shock forces you to suspend publication altogether. Whatever else Chesley may be they're certainly a bunch of sore-head losers.
