

THE DURHAM CHRONICLE

W. IRWIN, Editor and Proprietor.

DURHAM, MARCH 23, 1911

CORNER CONCERNS

Mr. and Mrs. Wm. Jack, of Traverston, spent Sunday with Mr. and Mrs. Wm. McFadden Jr. and attended service in St. Paul's church.

Mr. Wm. Allan will return next week from his mission work near Chatham. We all welcome him back. The place seems dull without him.

Mr. David Gordon was in Owen Sound last week, having his eye treated by a specialist, which was injured a month or so ago, by a chip striking him on the ball of the eye, while chopping. We hope he may soon fully recover.

Mr. Alex. Allan's sale on Friday was well attended by good liberal buyers, horses going up to \$175, cows well over \$50, sucking pigs \$4.25, a gobbler \$4, turkeys \$2.50, geese \$2.50, hens, 75c. each.

Mr. Jas. Matthews, of the 3rd con., was taken ill last week, but Dr. Jamieson has him well on the way to recovery. He pronounced it an acute attack of neuralgia.

Mr. Thos. Tucker has been laid up for the past fortnight with a sore knee. He is recovering very nicely now, and can hobble around home very well, but would be no good yet for a long journey.

As we intimated a few weeks ago a wedding at the home of Mrs. Dennett, occurred last Wednesday, in the marriage of Miss Sarah Dennett, to the man of her choice, Mr. Robt. Skene, of Wiar-ton. The ceremony was performed by Rev. Mr. Wright, of Durham, in the presence of close relations and nearby neighbors. After the ceremony, congratulations, and a dainty wedding supper, the happy couple took the afternoon train for Toronto, to spend part of the honeymoon. We have not received a detailed account of how the bride was dressed, but know she would be tastily attired, and look well, and, what is better, will make a good wife. They carry with them the best wishes of all in this part.

Mrs. Dennett had a wood-cutting bee on Monday, and party in the evening, which, we presume would have been well attended, and would have been at least one better, had it not fallen on the day of Mr. Queen's burial.

Mrs. ——— of Wiar-ton, nee Martha Dennett, attended her sister's wedding, and has spent the past few days with old friends.

Mr. Fred Schweiber, of Arthur township, was up exchanging bulls with Mr. Wm. Marshall on Monday.

Another of the few pioneers left in this part, passed away Friday morning in the person of Mr. Samuel Queen, who was nearing the allotted age, although an exact record had not been kept. His illness, of pneumonia, was of short duration, and the best medical skill could not check its ravages. He was a native of the Emerald Isle, and emigrated to America in 1853, settling for a few years at Montreal. From there, with his father, mother, brothers and sisters, he came to this neighborhood. Forty years ago, he joined heart and hand with Miss Sarah Brown, and the union was blessed by three children. Mrs. Alex. Allan, of this place, Mrs. John Chapman, Markdale, and John, south of the old home, who with their aged mother, mourn the loss of a kind father and indulgent husband. He has been acting magistrate for a goodly number of years, and served several terms on the school board, notably the year in which our fine new school was built. The funeral on Monday was conducted by Rev. Mr. Hartley, and the remains laid at rest in Maplewood cemetery, a large number of friends and neighbors turning out to pay a last tribute of respect.

TBIR HAIR A Liberal Offer

When the hair thins out on the top of the head and the bald spot is getting ready to appear in public, don't get discouraged or irritable. Just go to your druggist and ask for Parisian Sage Hair Tonic. He will charge you 50c for a large bottle, but if it does not cause hair to grow where the hair is thinning out, nothing on this earth will.

And we want to say to everybody, man, woman and child, that you can have your money back if Parisian Sage isn't the best hair-grower hair saver, hair beautifier, and dandruff cure on the market to-day.

It stops itching scalp and falling hair, and makes hair grow thick and abundantly. All druggists everywhere sell Parisian Sage, or postpaid from the Giroux Co., Fort Erie, Ont. See that the girl with the Auburn hair is on every bottle. Sold and guaranteed by Macfarlane & Co.

FLESHERTON

The Women's Institute concert, given in the town hall on Wednesday evening of last week, encountered foul weather, but notwithstanding the storm, there was a twenty-six dollar house, which was gratifying to the management. Mr. Geo. Mitchell presided, and the programme of a varied character, and wholly given by local talent, was highly pleasing. The first part consisted of solos, duets, trios and quartettes, and we have not space further than to say that all who took part acquitted themselves splendidly. In the second part a Model Institute meeting was of a very mirth provoking character, both by the conduct of the meeting, and the grotesque attire of the members, which included the modern harem skirt. "Tenting on the old camp ground" was well given, and the National Anthem was the closing number.

FISHER-SIMMONS.—The residence of Mr. and Mrs. W.R. Simmons, 4th line, Artemesia, was the scene of a pretty wedding, at 4 o'clock on Wednesday afternoon, March 15th, when their second daughter, Margaret J., was joined in marriage with Mr. Robt. J. Fisher, eldest son of Mr. Wm. Fisher near Portlaw. In the presence of about thirty guests, the ceremony was conducted by Rev. G.S. Milligan, M.A., pastor of Chalmers' church here, and the bride's sister Miss Flossie Simmons, played the wedding march. The bride, unattended, was given away by her father, and looked very dainty in a dainty gown of cream tulle, with pearl trimmings and tulle veil, caught up with orange blossoms. A nicely tailored suit of brown cloth, with hat to match, comprised her traveling costume. After the ceremony, and season of congratulations, the wedding supper was served, at the conclusion of which the officiating clergyman acted as toastmaster, in a very happy manner. The company spent the evening very enjoyably. Mr. and Mrs. Fisher will settle in their farm home on the 4th line, and many friends wish them prosperity. The bride received a large number of beautiful wedding gifts.

WICKENS-PEDLAR.—A very pretty house wedding took place at Rock Mills on Wednesday, March 15th, at high noon, when Miss Nellie, eldest daughter of Mr. and Mrs. W.T. Pedlar, became the bride of Mr. John Wickens, son of Mr. R. Wickens, of Kimberley. To the strains of the wedding march, played by Miss Nellie Wickens, sister of the groom, the bride entered the parlor on the arm of her father, daintily attired in cream satin striped delaine, with yoke of overnet, and pale blue pipings, and wore the conventional wreath and veil. Rev. H.E. Wellwood, B.D., of Flesherton, tied the mystic knot, which binds "till death do us part." Mrs. Forster, of Eugenia, was matron of honor, and Miss Leona Weber was a sweet little flower girl in pale blue silk frock, and carrying a basket of carnations. The house was decorated with evergreens, bells, and beautiful arch, under which the bridal couple stood. The ceremony and congratulations over, the guests, about fifty in number, repaired to the dining room, where a choice wedding dinner was served. Mr. and Mrs. Wickens left on the afternoon train for Toronto, amid showers of rice and confetti, the bride's neat traveling costume being blue serge, with blue velvet hat to match. The bride was the recipient of many beautiful and useful gifts, which testify to the esteem in which she was held.

St. Patrick's Day was honored here with two special functions, in the evening being an "At Home," given by Prince Arthur Lodge, in the Masonic Hall, and an Assembly, given by the bachelors and bachelorettes in the Norris hall. Both events were well attended, and an enjoyable time at each reported.

Mr. Will Crossley is home from Toronto on a short holiday, and to visit for a few days with his sister Mrs. Geo. Cairns, who leaves soon to join her husband at Winnipeg.

Mrs. Buskin, and daughter, Lillian are spending a few days with friends at Owen Sound.

Mr. Henry Holman, 4th line, is in Toronto, under osteopathic treatment for spinal affection, resulting from injuries in the Caledon wreck a few years ago.

Mr. John Flynn moved last week to the Milne farm on the Meaford Road recently purchased by him.

Mr. D. McTavish has been traveling for a couple of weeks in the interests of the carriage company in Toronto, of which he is a member.

During the electric storm, which passed over this section some days ago, Wesley church, Meaford Rd., was struck, and about 10 damage

was done to the chimney and roof.

The choir gallery in the Methodist church here was improved last week by having the pulpit platform moved forward, so as to admit space at the rear for another row of sittings.

The electric service here is off for the present, by a break at the power house at Eugenia on Friday last, which necessitates sending the gymnasium to Toronto for repairs.

An epidemic of mumps and grip is felt in many homes in the community, and the attendance at the schools is being affected by it.

Mr. and Mrs. John Patton, who spent the past few months with relatives left last week for their home at Calgary, Alta. Miss Ina McMullen accompanied them to visit relatives at Calgary, and other points.

Messrs. John Cairns and Alf. and Charley Chislett have gone to the West.

Mr. Joseph Henderson, and daughter Millie, of Robt Roy, paid a brief visit at Dr Murray's last week.

Miss Ruth Paul, of Eugenia, visited the past week with her sister, Mrs. Richard Bentham.

AT LAST, A CURE FOR RHEUMATISM

"Fruit-a-tives Cured Me" Says Mrs. Baxter. "I was a helpless cripple from Rheumatism for nearly a year. All down the right side, the pain was dreadful and I could not move for the agony. I was treated by two physicians without help. I saw "Fruit-a-tives" advertised in "The Telegram" and decided to try them. After I had taken one box, I was much better. When I had taken three boxes, I could use my arm and the pain was almost gone. After taking five boxes, I was entirely well again. The cure of my case by "Fruit-a-tives" was indeed splendid because all the doctors failed to even relieve me. "Fruit-a-tives" cured me. Mrs. LIZZIE BAXTER. 4 HOME PLACE, TORONTO, Dec. 15, '09.

In hundreds of other cases, "Fruit-a-tives" has given exactly the same satisfactory results because "Fruit-a-tives" is the greatest blood purifying medicine in the world.
