DARKIES CORNERS.

That welcome harbinger of spring robin redbreast, is again with us.

Reciprocity, the all-important question which is attracting the undivided attention of the citizens of our fair Dominion, the question which is turning the eyes of all people towards the Laurier administration at Ottawa, a treaty which it is to be hoped will never be ratified by the rulers of Canada. Where does British preference come in? Is it to be thrown aside, and preference given to the United States? Will the Government act wisely and put it before the people to decide, or will they rush blindly ahead, ratify the treaty, and sell Canada's "birthright"? Time will tell.

Messrs. Wm. Lawrence and Palmer Patterson, accompanied by Mrs. Lawrence and Mrs. Patterson spent a week ago Sunday with Mr. and Mrs. John McGirr.

Mr. Jos. Payne, we regret to say, lost a fine two year old heifer recently.

On Friday night last, the last of a series of literary entertainments was held in the school here, and as usual, a good time was enjoyed by all. A large crowd listened attentively to a program, which was second to none. The debate proved a close one, resulting in a victory for the affirmative by just one point. The judges were Messrs. Peter Ramage, Jamie Farquharson, and Miss Julia Weir, and undoubtedly an impartial and very fair decision was arrived at. The following is the program, and those contributing to same certainly deserve credit:

Chairman's address: singing by Glee Club, "Old Uncle Ned"; secretary's report: violin selection, Mr. S., and Miss K. Ritchie; recitation, Nellie Collier; duet, John Greenwood and Ernest McGirr; address Mr. Thos. McComb; debate, "Resolved that wood has more uses than iron. Affirmative. Mr. Alex. Aljoe, Miss Ethel Weir. Negative. Mr. Will Lawrence, Miss Elizabeth Scott; instrumental, Mr. S. and Miss K. Ritchie; instrumental, Mr. S. and Miss K. Ritchie; duet, Misses E. (Weir and B. McGirr); Judges' decision, in favor of affirmative; singing by Glee Club, "Will ye no come back again"; comic reading, mixed sale bill and marriage license, A. Heather; God Save the King.

SCROFULA

Scrofula disfigures and causes life-long misery.

Children become strong and lively when given small doses of

Scott's Emulsion

every day. The starved body is fed; the swollen glands healed, and the tainted blood vitalized. Good food, fresh air and Scott's Emulsion conquer scrofula and many other blood diseases.

DISTRESSING HEADACHES

Headaches are largely the result of disordered kidneys.

Mrs. Hall, 84 Flora St., St. Thomas, Ont., says "I suffered for years with headaches of a most distressing nature. They would come on me suddenly, and would last for days at a time. These were usually accompanied by spells of dizziness that would leave me unable to attend to any household duties. My back was weak and I was much suffering through the night. I had doctored for years, but all to no avail. Nothing benefited me, and my condition was gradually becoming worse. I learned of Booth's Kidney Pills. One box gave me a complete and lasting cure. I have not had a headache or dizzy spell since and I feel like a new person. Booth's Kidney Pills are sold by all druggists, 50c box, under a

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the formation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.
