\$60,000 IN PRIZES Canadian National Exhibition Prize List is Out The Prize List of the Canadian National Exhibition, August 26th to September 11th, which is being distributed, shows that the prizes have been increased in nearly every department, till the grand total reaches \$60,000. As no prizes are given for manufactures, the whole of this amount goes to live stock, dairy products horticulture woman's work educational exhibits, and similar lines of Canadian industry. The increase in the amount given to live stock is particularly noticeable. Nearly \$5000 has been added to the horses alone, while special prizes of \$500 each for the best animal in the Holstein and Shorthorn classes, show that the cattle have not been neglected. Poultry also gets an additional \$1000. In women's and children's work and educational exhibits new classes have been added, and in short every department shows the exhibition is keeping pace with its wonderful increase in attendance. The prize list can be had by writing Manager J.O. Orr, City Hall, Toronto. That the management fully expect to reach the million mark this year is evidenced by the announcement that the spectacular attraction will be The Festival of Empire, a reproduction of the glories of the coronation ceremonies, in which 1500 performers will take part, while the famous Coldstream Guards Band, musicians to the Royal Household, will be the musical feature.

ATTACKED BY STALLION. At the Holstein Horse Show on Tuesday a young man named McMeekin, of Durham, who was in charge of a stallion belonging to Mr. Walpole, of Durham, was attacked by the animal, and was severely bitten about the legs, only for the interference of Mr. Alex. Ross, of Yeovil, with a club, the groom would probably have been killed.—Mt. Forest Confederate.
