The season of 1911 has been so far a most pleasant one, and in the continued warm weather, the field and garden crops are developing wonderfully fast. As one proof of the mildness of this spring, we were shown on Saturday, June 3rd, by Mr. David Kinne, of this place, a couple of ripe strawberries, plucked from his garden that morning.

Dave Foster, of the Hanna House Paisley, disappeared with his family, and not until he had time to reach the land of Uncle Sam, did the citizens surmise that he was gone for good, leaving mourning creditors behind him. He was thought by the citizens to be honorable in his dealings, but they have changed their minds on that point.

The trip down the river on the magnificent White Star steamer in connection with the Times Press Club excursion, is worth the fare alone. Special G.T.R. excursion train leaves Owen Sound, and Warton, on Friday, July 7th, returning Monday, July 10th. Great-est four day outing of the season. Information and tickets at all G.T.R. stations south to Hanover. Read the posters and small bills.

Three masked burglars entered the bank at Danville, Que., a few nights ago, but were driven off by the bank clerks, who slept in the building. Early on Monday morning last the home of Rev. and Mrs. Brewer, Episcopal minister, at Compton, was entered, supposedly by the same gang, and the minister and his wife were badly beaten. After setting the bed on fire, the desperados made their retreat but the couple succeeded in getting the flames under control. No trace of the assailants has been found.

A Hamilton pastor 22 years of age committed suicide by taking prussic acid. His mind became unbalanced on account of the illness of his mother, who was suffering from cancer. Though the young man was strongly attached to his mother, he didn't show much strength of character by acting as he did in taking his own life. We admire persons who are possessed of parental devotion, but we think they should be made of stronger stuff than the young man in question. There was a screw loose somewhere.

About a hundred and ten tickets were sold here on Saturday for the excursion to the Model Farm. The morning had a very suspicious appearance, and before the train pulled out it had started to rain quite heavily, and looked as though we might have an all day downpour. Dark clouds soon covered the sky, and it got as dark as midnight for a few minutes. Following another refreshing shower, the clouds rolled away, and the day turned out to be most delightful, but perhaps a little too warm for real enjoyment.

Wanted—At once, servant girl. Apply to Mrs. J. Towner.

Judge Hatton, senior Judge of the County of Grey, died at the home of his parents, near Owen Sound, on Saturday last. He had been ill for about a year, was unmarried, and forty-five years of age. Judge McCrimmon, senior Judge of the County of Ontario, died on Monday night. He was in his fifty-sixth year.

Mr. Zenus Clark is building a comfortable home for himself on Garafaxa street, south. The basement is of concrete, and the walls baloon frame, with brick veneer when finished. We are always glad to see improvements in the way of building, and from present indications, it will not be long till greater accommodation will be needed to house the people.

It was quite a shock to the citizens of this town when the intelligence was passed around on Monday last that Mrs. (Rev.) Newton had died rather unexpectedly at Alpena, Michigan, where she was being treated for nervous trouble. We have no further particulars, and are, therefore, unable to give our readers any further information at this time. We tender our heartfelt sympathy to the bereaved husband, who fills the position of pastor in the Baptist church at Hartney, Manitoba. The family is truly widely scattered. Mr. Newton being in Hartney, the eldest son Carl, in San Antonio, Texas, the other son, Keith, in some geological work in British Columbia, and the mother, during her late sickness and death, in Alpena, Michigan. As a slight personal tribute to the deceased, we may say that we always held her in the highest esteem, while we regarded the now bereaved husband as the essence of honor and true manhood.

The District annual meeting of the South Grey Women's Institute, was held in the town hall, Durham, on June 7th. The president, Mrs. McCrie, was in the chair. The secretary's books were audited, and found correct. The secretary then gave the report of the district and branch meetings. There are seven branches in the South Grey district. Elmwood, Hanover, Aytton, Holstein, Robb, Dromore, and Durham. Each branch has its own president and secretary, and are doing splendid work. Throughout the whole district, 59 meetings were held, and 1410 people attended them. The branch expenses this year were \$116.14, and cash on hand, \$96.24, making a balance of \$212.38. The district expenses were \$24.46, and cash on hand \$42.62, making a balance of \$67.08. Some of the branches send money to the Sick Children's Hospital, and other charities. They also have flower and shut in committees to visit and send flowers to the sick. One branch bought a piano, and have it nearly clear of debt. The district officers for the following year were then elected, as follows: President, Mrs. J.H. Allen, Varney; Vice President, Miss A. Kenwick, Dromore; Secretary, Mrs. T. McGirr, Durham; Directors, Miss G. I. Laurie, Elmwood; Mrs. Dr. Rogers, Hanover; Mrs. J. Schell, Aytton; Mrs. J.H. Sharp, Holstein; Mrs. I. Robb, Robb; Mrs. T. Atchison, Dromore; Mrs. W. Lee, Durham; Auditors, Mrs. C. Ramag, Mrs. N. McCannel.—Com.

Hilton Rowe about seven or eight years of age had one of his feet badly cut a few days ago. While running through long grass on the side of one of the streets he stepped on a broken whiskey flask inflicting a very deep gash which bled very profusely for a time. He was attended by Dr. Hutton and is now doing well.

Mr. Allan Bell went to Guelph Saturday morning with the Farmers' excursion, but decided not to return for a time. On Monday last he was married in Guelph to Miss Maud Beckwith, and left on a honeymoon trip to Winnipeg where he will be absent, we understand, until about the first or second week in August. A few weeks ago, we had a complaint from a Bentinck resident about the condition of the Durham Road near the old creamery. The complaint appeared in the Chronicle, and the Durham council was not slow in making things right. Now, another Bentinck resident complains about a pathmaster leaving stones on the roadway, which interfere, very materially, with the comforts of travel, when a few hours' work in each division picking off the stones, would make a very decided improvement. We are told that pathmasters are required, by law, to see that this work is done, and if this be so, we are quite sure they will attend to it willingly. For doing such work, however, they should be paid by the municipalities to which they belong.

## HYMENEAL

BELL—BECKWITH

A quiet but pretty wedding was solemnized this afternoon at the residence of Mrs. W.R. Fairman, 109 Neeve street, when her daughter, Miss Maud Emily Beckwith, was joined in the bonds of matrimony to Mr. Allan Bell, a prominent business man of Durham. The ceremony was performed by Rev. B. Goodfield, B.A., of Woolwich street Baptist church. The bride, who was given away by her brother, Mr. Clayton Beckwith, was attired in a beautiful white silk mull, daintily trimmed with lace. Her travelling gown was pongee with tan trimmings, with hat of a tuscany shade black velvet trimmed with rosebuds. The wedding march was played by Mrs. Stapleton.

Supper was served in the dining room, which was beautifully decorated with ferns and carnations. Only the immediate relatives from St. Catharines, Durham and Toronto, of the contracting parties, were present. The happy couple leave this evening for Winnipeg and points west, and on their return will reside at Durham—Guelph Mercury, Monday June 12.

BURNETT—MacDONALD

A very pretty wedding was solemnized this Wednesday morning at eleven o'clock at the home of Mr. and Mrs. Hugh MacDonald Bruce street when their only daughter, Myrtle, was united in marriage with Mr. George S. Burnett of this place.

The ceremony was performed by the bride's pastor Rev. Mr. McCausland, in the presence of about fifty guests. Miss Cassie MacDonald cousin of the bride, played the wedding march. Miss Agnes Howard, of Guelph, was bridesmaid, and Mr. Howard MacDonald, brother of the bride, was best man.

At the appointed hour, the groom took his place on the lawn in front of the house, and immediately afterward, the bride, who took her stand beside him. She looked very pretty in her dainty wedding gown of navy blue silk, and carrying a bouquet of white peonies.

The nuptial knot tied, the young couple received the congratulations and well wishes of their friends there assembled, after which the company sat down to a most sumptuous dinner.

Mr. and Mrs. Burnett left on the Grand Trunk afternoon train on a short honeymoon trip to Toronto and other points, the bride traveling in a suit of navy blue, with hat to match. After their return, they will take up their residence on Bruce street. We join their many friends in wishing them a long and prosperous married life.

An interesting and profitable convention of Owen Sound District of the Baptist church is in session here this week. A large number of ministers and lay delegates are in attendance, and many important subjects are being discussed. The convention opened on Tuesday evening, when a very hearty address of welcome was given by Mayor Black.

A Picnic will be held at Hutton Hill on Thursday, June 29th. Among the many amusements is a prize Baseball Match. Everybody come. Don't forget to bring a basket.

Sherwood Rowe, the five-year-old son of Mr. and Mrs. Rowe, was in Guelph Monday with his parents at the Allan Bell wedding. Getting tired, he wandered away unseen. When missed there was a general search made, and police notified. After spending an anxious hour or two the young coon was found near Guelph Junction on the railway track, headed for Durham, intending to hoof it home as he was tired of the wedding ceremonies and preferred his own playmates. A policeman noticing the lad telephoned to know if he had a red head and freckled face, and being advised that this was a good description of the missing boy he was soon captured and restored to the bosom of his anxious mother. The red head and freckled face served a good purpose for
