C. D. Sheldon the blind pool artist who created such a sensation last year in Montreal was found guilty and sentenced to five years in the penitentiary. He made a plea for clemency on account of his age and the statement that he would devote the remainder of his life in paying back those whose money he had taken. He was 56 years of age and the amount placed in his hands for investment as shown at the trial, was \$1,427,000.00.

On Friday evening last about seventy invited guests assembled at the home of Mr. and Mrs. Hugh MacDonald on Bruce street, to welcome the home coming of Mr. and Mrs. G. S. Burnett who were married the Wednesday previously and who spent their honeymoon in Toronto. It was a merry gathering and all enjoyed themselves in dancing and other amusements until well after midnight. About 12 o'clock a daintily prepared lunch was served. The bride was the recipient of many beautiful and costly presents. Mr. and Mrs. Burnett have taken up housekeeping on Bruce street.

The Toronto Board of Trade has been visiting the towns of New Ontario and the little village of Matheson on the T. & N. O. not far from Cochrane will not soon forget their visit. While there on Friday last they visited the Union church and in a jocular spirit suggested the taking up of a collection and the hat was passed. One of the citizens expressed his pleasure that the contribution would help to liquidate the church debt of \$500, when the giving spirit it took possession of the visitors and in ten minutes sufficient was raised to discharge the debt with an extra \$23 which was to be donated to the student pastor

In a G. T. R. train wreck near Newcastle on Friday last, James Madill a commercial traveller was killed and twenty-five were injured. Amongst the latter we find the name of A. Derby Hanover Commissioner to the Presbyterian General Assembly at Ottawa leg slightly cut. The train is said to have been going at a high rate of speed to make up time when something broke and several cars were thrown from the track.

A despatch from Ripley to the London Free Press gives the following intelligence of the death of Kenneth McKay father of Mrs. (Rev.) Bice now of London, but formerly of this place. Her many friends here will deeply sympathize with her in her bereavement. This village was again saddened by the death of Kenneth McKay on Queen street on Saturday June 10. He had been for a month very near death's door. Mr. McKay was 82 years of age and is survived by his widow three daughters, two of whom are at home the other Mrs. (Rev.) Bice; also three sons Neil, William and Donald, who live on the 10th concession of Huron township. The funeral took place on Monday June 12th, to Ripley cemetery and was very largely attended.

On Saturday morning last Mr. Arthur Edge son of the late Robt Edge of Edge Hill, met with a costly accident and had a narrow escape from being killed at the same time. He put on a new hay loader at the Grand Trunk station and started for home. For some reason the horses took fright, and made an effort to get away. Mr. Edge however hung to the lines and was in a fair way to get the horses under control when the wagon seat slipped and rendered him powerless to guide the movements of the frightened animals which started off on a lively run. But they were very soon brought to a standstill as they ran into a telegraph pole in front of Dr. Wolfe's office. The neckyoke and wagon tongue were badly broken and Mr. Edge was pitched violently forward onto the street but escaped practically uninjured. The sudden impact caused a breakage of four or five pieces of the new loader which cannot be set up till the repairs come to hand from the factory. We are pleased to learn that the driver escaped so well as he would certainly have been killed if thrown against the telegraph pole instead of the roadside.

Mr. Wm. Hazen, and old and well known resident of this place for many years, died at his home here on Monday morning. He was 68 years of age, and had been ailing for some time. Entertaining takes place to-day, Wednesday.

Mr. William Williams, of Collingwood Bulletin, had the misfortune to have his hand caught in a press. The index finger was broken near the hand and the second and third fingers badly torn, while the back and palm of the hand were terribly mangled.

Two were killed and five injured on Saturday evening last at Hawkesville near Orillia. It resulted from a wheel breaking off their automobile which turned a half somersault into the ditch pinning the two occupants of the front seat under the machine and killing them instantly. The killed are D. Wilson Braidwood and Miss Florence Howard. The party all from Toronto were taking a week-end trip and their destination was Atherley near Orillia. They intended to remain at Atherley over night and return to Toronto next day.

A man should never give a joke if he isn't prepared to take one in return. There are people who are everlastingly driving at others and enjoying the exercise immensely till the tables happen to turn and the fun goes the other way. These big overgrown babies are found everywhere, even Durham is not an exception, and it's no rare thing to see a joking smartie skulk off like a whipped pup to his hiding-place as soon as the fun takes a turn. If a man enjoys a joke, he should be able to enjoy one at his own expense. He will, too, if he is a man, but a true man will be equally quick to resent the really coarse buffoonery that some pass off for mere pleasantries. Vulgarity and profanity should never be taken for jokes, and they never are by the better class.

THE BAPTIST ASSOCIATION

The Owen Sound Baptist Association met for its twenty-fourth annual gathering in the Baptist church here on Tuesday evening of last week and continued in session throughout Wednesday and Thursday. The number of delegates present from surrounding churches is estimated at about eighty. After the devotional exercises conducted by Mr. A. E. Pickard of Warton the moderator, Rev. H. D. Moore called on Mayor Black who welcomed the delegates to the town. Rev. A. H. Jones spoke on "The Christian Ideal" after which Rev. C. J. Cameron gave an illustrated address on "Home Missions" showing a number of scenes from New Ontario and various characters among the immigrants who have come to this country. The new pastors were introduced to the Association on Wednesday morning. Since the Association met last year there have been a number of changes in the various parishes. At this session Rev. E. J. McEwen delivered an address on "Stewardship" and Rev. H. W. Piercey preached the annual sermon dealing with some of the live problems of the day. After the address by Rev. Jas. Currie on "Visions of Spiritual Things in Our Churches" the meeting was given into the hands of the ladies. Mrs. Johnson of Chesley, occupied the chair and Mrs. Stevens read the address of welcome from the ladies of the entertaining church. Addresses were given by Dr. Smith on foreign missions by Mrs. Muldowney on home missions and by Mrs. Sinclair on mission band work.

The Moderator's address in the evening was a strong appeal to the people to have principles and stand by them unflinchingly. He denounced the ne temere decree. Dr. Smith gave another helpful address on India stating the obstacles which stand in the way of spreading the gospel there. Dr. Smith has an attractive way of describing the conditions of heathen lands.

The Thursday morning session was devoted chiefly to the transaction of business. However there were two brief addresses by Rev. J. W. Black on "Sunday School Teacher" and Rev. S. S. Bates, D. D. on "Christian Education." Dr. Bates deplored the fact that there is so much ignorance of truth among Christian people. He briefly outlined some of the distinctive principles for which Baptists stand as the equality of all believers and converted church membership. The afternoon session of Thursday consisted of addresses. Rev. J. H. Kelly on publication work; Rev. W. A. Gunton on the church's relationship to social and moral reform. The Laymen's Missionary movement was represented by Mr. Geo. McLagan of Stratford. In the closing service after many resolutions had been passed dealing with the ne temere decree the Peace movement and sympathy for Rev. W. L. Newton Rev. Walter Daniel gave an address on Western missions. The last and perhaps the best address was eloquently given by Rev. H. S. Muldowney of Owen Sound, on "Sympathy: the power to reach men."

The Baptists of Durham desire to thank the friends who kindly assisted them in the entertainment of the delegates making special mention of the kindness of Dr. and Mrs. Jamieson, in allowing them the use of their newly purchased residence in which to provide the meals.
