DURHAM, JUNE 29TH, 1911 THAT SIEER STORY From the Bruce Herald. Recently the Herald published a statement alleged to have been made by Mr. Guthrie, at Ingersoll. to the effect that a steer for which a farmer would receive 672 ducts. for the alleged reason as Aljoe's flock. advanced by the speaker, that there was a combine, headed by Mr. J. W. Flavelle, that controlled the prices in this country. Mr. Rowland challenged the statethe Bruce County Hospital if Mr. albe afternoons were spent Guthrie could prove his statement to the satisfaction of Mr. James Cameron and Mr. Duncan McKerracher, two life-long Grits. On being shown the challenge, Mr. nice tasty meat. Guthr e said he did not say Guelph but had said Ottawa. Mr. Row- Mrs. Wm. Davis spent a couple of land then amended his offer, and days in Owen Sound last week changed the word Guelph to Ottawa, and put it up to Mr. Guthrie, or his friends, to prove the statement, and thus earn \$200 for that worthy charity, the Bruce County Hospital. We have before us a letter from Mr. W. E. Matthews, vice president of the George Matthews Co., of Peterboro, Hull and Brantford, saying ty. \$810.12. Total, \$1350.20. that he knows of no meat trust in Canada, and that certainly Mr. J. W. Flavelle has no interest or influence in the operation of their company. He also adds that Mr. \$108, not counting the by-products. ment. Mr. Matthews further says he will add \$100 to the amount offered by Mr. Rowland, and that the books | Miss Venie Black returned home of his company are open for any from Toronto on Monday for member on the Board, and might ure to his new field of labor. for a few cents in postage have Mr. Guthrie explain what he meant when he made the statement. We would expect Mr. Dack, the secretary, to take the necessary steps, only he is on the sick list. If Mr. Guthre was making a statement ficiating. he knows to be untrue, the farmers of the country are entitled to an explanation, and if he was making a statement he knows to be true.

the speaker all he has to do is to substantiate the statement and the Hospital Treasury will be enriched by \$300. Mr. King is reminded that farmers delivering hogs in Hanover this week are receiving \$7.00 a hundred, that the price in Toronto is \$7.30 fed and watered, in Montreal \$7.50 to \$7.75 in Buffalo \$6.50 to \$6.60 and in Chieago \$5.95 to \$6.30.

Well Known Merchant Of Sarnia Cured by "Fruit-a-tives"

SARNIA, ONT., Feb. 5th, 1910. "I have been a sufferer for the past 25 years with Constipation, Indigestion and Catarrh of The Stomach. I tried many remedies and many doctors but derived no benefit whatever.

Finally I read an advertisement of "Fruit-a-tives". I decided to give "Fruit-a-tives" a trial and found they did exactly what was claimed for them. I have now taken "Fruit-a-tives" for some months and find that they are the only remedy that does me good.

I have recommended "Fruit-a-tives" to a great many of my friends and I cannot praise these fruit tablets too

Thousands now use "Fruit-a-tives. Thousands more will try Fruit-a-tives" after reading the above letter. It proves, beyond the shadow of a doubt, that at last there is a cure for Constipation and Stomach Troubles.

"Fruit-a-tives" is Nature's cure for these diseases, being made of fruit juices and valuable tonics
