A Good Investment Offer

# That Produces a Revenue from the Start

If you are interested in a good Durham Dwelling House that is sure to grow into money in a short time, why here is your opportunity to make some money. Durham will be scarce of good dwelling houses shortly, for when the new factory, now in progress of erection, is completed, a number of new families will require houses of good quality, and house rent must go up. Therefore, now is your time to buy a double dwelling house reasonable, If you don't buy now you will pay more for a good house later, then you will altogether uncommon degree that be sorry. This house of mine is in a very prominent place in the heart of highly-bred grace, without which no Durham, on Garafraxa Street, known as the Keeler House; it contains all man should dare to sing those courtly here. conveniences such as two furnaces, and the town water right in the kitchen Mrs. Rolt could not help admitting, in each house, soft water cistern, cellar, six rooms with several closets, verandah and balcony with each dwelling. This house will not be long on the market and will be sold at a reasonable price. If you intend to buy this property lose no time. For particulars apply to

EARLY INDISCRETIONS AND EXCESSES HAVE UNDER-MINED YOUR SYSTEM

The nerves control all actions of the body so that any thing that debilitates them will weaken all organs of the system. Early Indiscretions and Excesses have ruined thousands of promising young men. Unnatural Drains sap their vigor and vitality and they never develop to a proper condition of manhood. They remain weak lings, mentally, physically and sexually. How you feel? Are you nervous and weak, despondent and gloomy, specks before the eyes with dark circles under them. weak back, kidneys irritable, palpitation of the heart bashful, debilitating dreams, sediment in urine, pimples on the face, eyes sunken. hollow cheeks, careworn expression, poor memory, lifeless, distrustful, lack energy and strength, tired mornings, restless nights, changeable moods, premature decay, bone pains, hair loose, etc
