THE DURHAM CHRONICLE

W. IRWIN Editor and Proprietor.

DURHAM, JULY 20TH, 1911

FLESHERTON

The residence of Mrs. W.C. Parker was the scene of a pretty wedding on Tuesday, July 11th, at 4 p.m., when her only daughter, Eva May, was married to Mr. C.H. Munshaw, of this place. Rev. H.E. Wellwood, B.A., B.D., performed the ceremony, and Mrs. G.B. Welton, sister of the groom, played the wedding march. The bride, who was given away by her brother, Mr. John Parker, looked very pretty in a dainty gown of white silk, trimmed with applique lace. She carried a beautiful bouquet of bridal roses, and the only ornament worn was a sunburst of pearls, the gift of the groom.

After the marriage, a choice wedding supper was served, covers being laid for about sixty guests, and among those from a distance were Mr. and Mrs. G. B. Welton, and Mrs. W. Moore, Toronto; Mr. Edgar Robinson and Miss Sinclair, Stayner. About six o'clock, the Band, of which the groom had been for many years an active member, appeared on the scene, and added much to the pleasure of the occasion. Later, with music, the young couple were escorted to the depot, where, amid showers of rice, and good wishes from a host of their friends, they left for Owen Sound, to take in the Mackinaw trip. The bride's traveling suit was of plum colored broadcloth. With this was worn a Paisley waist, and tuscan hat. A large number of beautiful wedding presents were bestowed upon the young bride.

On Tuesday, July 11th, there passed away at her late home in Toronto, Mary Cook, beloved wife of Mr. John Cook, and second youngest daughter of Mr. and Mrs. Robt. Cook, of Ceylon. On the following day, the remains were brought to the home of her parents, from where the funeral took place to Flesherton cemetery on Thursday. Service at the house was conducted by Rev. H.E. Wellwood, assisted by Rev. J.H. Kelly. The deceased, who was 32 years of age, was highly esteemed in the community. Ten years ago, she was married to her now sorrowing husband, who, with two children, feel keenly their great loss.

The terrible calamity by fire which befell Porcupine last week was the source of anxiety and sorrow to some families here, who had members in that district. Mr. T.A. He lost his residence, but worst of all, one of his sons, Mervin, who was drowned in the lake, in his attempt to escape from the fury of the fire. The deceased was an industrious young man about 21 years of age, and had a good barber business in the town. His body has been recovered, and brought to Thessalon for burial. Deep sympathy is felt for the bereaved family. Mrs. Geo. Rutledge's son Will, and Mrs. Jas. Jamieson's sons Ed. and Geo., and Walter Loucks, at Porcupine, are reported safe.

NEW I.O.O.F. LODGE ORGANIZED AT HANOVER.

Thursday, July 6th will be a day long to be remembered by the Oddfellows of this district, for on that date, a new lodge was organized in Hanover, making the sixth lodge in this district. Much credit is due W. H. Brown, D.D.G.M. of this district, for his efforts in having the new lodge started there. Seldom, if ever, is any district so fortunate as to have so many Grand Officers visit it as were present to assist the D.D.G.M.: Bro. Powley, Grand Master; Bro. Popplestone, Deputy Grand Master; and Bro. Brooks, Grand Secretary, were all present; also representatives from the different lodges of the district. Winton Lodge conducted the initiation. Owen Sound conferred the 1st degree, Tara, the 2nd degree, and Chesley the 3rd degree. After the degrees were conferred, Bro. Powley instituted the Lodge and Bro. Brown, D.D.G.M., and Bro. Pringle, D.D.G. Marshall, installed the officers of the new lodge, and Cedar Lodge, No. 431 got off with a good start, and should increase in its members very rapidly in the flourishing town of Hanover.—Chesley Enterprise.

Happiest Girl in Lincoln

A Lincoln, Neb. girl writes: "I had been ailing for some time with chronic constipation and stomach trouble. FISH FOR THE SAUCEEN.

For some time past a movement has been on foot among local sportsmen, to have the Saugeen river, with all its branches, restocked with speckled trout.

With this object in view, an association, known as The South Fish and Game Protective Association, was formed early in the spring of the present year, and after due consideration, a petition was forwarded to Mr. H. H. Miller, M.P., for presentation to the Department of Marine and Fisheries, at Ottawa, asking that a fish hatchery be established in or near the town of Durham.

Since that time, Mr. Miller has steadily pressed the claims of the Association upon the notice of the Department, with the result that on Saturday last, Mr. A. Finlayson, Dominion Inspector of Fish Hatcheries, paid an official visit to Durham, to inspect proposed sites for the hatchery, and was met by several members of the Association, who took advantage of the kind offer of Mr. Kelly's automobile, to enable them to show the Inspector the several sites proposed.

After viewing each in turn, and making a careful examination, Mr. Finlayson expressed himself as satisfied that any of the sites would amply fill the bill, and said that he would report favorably on the subject to his Department, and we have reason to hope that in the near future we will have a Government Fish Hatchery, fully equipped, and running over-time, in the town of Durham.

What is truly the finest summer resort in Ontario, is beautiful Point au Baril on the Georgian Bay, a few hours' ride from Toronto by the C. P. R., boasting of a post office, and several summer hotels and cottages, situated in the midst of several hundred islands. The bass fishing is excellent among the islands, and the days are all too short at this delightful resort. A handsome booklet, entitled "Beautiful Point au Baril" issued for 1911, containing complete information, and many handsome illustrations of the district, together with the finest map of that portion of the Georgian Bay yet published, may be had for the asking at any Canadian Pacific office or by writing R.L. Thompson, District Passenger Agent, C. P. R., Toronto.

Easter Morn.

By R. Walter Wright.
The following little poem on "Easter Morn," is regarded as a production of merit, as it appears amongst a number of choice selections from Canadian Verse, and is issued in plate matter by a Toronto Agency, which supplies the local press with the genus of poetic Canadian literature. Mr. Wright is the Methodist minister here, and has no knowledge of its public appearance in this issue.
Hushed is the voice of scorn,
Anew the world is born,—
Sweet morn! Sweet morn!
Sing songs so loud and clear
That all the world must hear
Their notes of cheer.

White angels of surprise
Whisper from morning skies
Arise! Arise!
'Neath the lightning countenance
Sleep men of sword and lance.
In heavy trance.
Broken the skeptic's seal,
Backwards the devils reel,
The nations kneel.
Christ bids the Old adieu,
Christ lives the Ever-New,
Faithful and True.

THE CURSE OF THE NATION IS CONSTIPATION

"Fruit-a-tives" Alone Cures This Disease

A famous scientist states that Constipation, or non-action of the bowels, causes more deaths than all other diseases combined. Constipation inflames the Kidneys, ruins digestion, is the foundation of Rheumatism, poisons the blood, causes Headaches, Neuralgia, Nervousness and Insomnia.
Constipation is caused by a weak or sluggish liver. Bile, the only purgative of the body, is secreted by the liver, which in turn should pour out into the intestines sufficient bile to move the bowels. Unless the liver is active, there cannot be enough bile to move the bowels regularly, and Constipation is the result.
"Fruit-a-tives", the famous fruit medicine, will always cure Constipation because it acts directly on the liver—relieves the congestion—increases the quantity of bile—and strengthens the bowel muscles.
