Rev. Wright visited a number of his people the other week, and found them all right.

Mrs. Saunders, who has been visiting her brother, Mr. Munroe, Kincardine, for a fortnight, returned last week.

School re-opened the 5th, with Miss A. MacKenzie as instructor. We feel assured she will be successful, as Miss MacKenzie is a good teacher.

Recently Mrs. Redford, Mrs. Sutherland, Durham, and Mrs. Lynn, of Allan Park, spent an evening with Mrs. Thos. E. Hutton.

Master Almer Hutton spent a day or two with Master Charles Lawrence.

Mrs. Geo. Noble, Durham, spent last Sunday with her son, Mr. Wm. Noble.

Mrs. Chas. Lawrence, who spent about a week in Toronto, returned the 6th. She enjoyed everything exceedingly, but Mrs. Lawrence is of the opinion the country is the best place to live.

Mrs. C.P. Kinnee of Durham, Sunday with her uncle and aunt, Mr. and Mrs. D. Hopkins, lately.

Miss B. Petty, who has been at her uncle's in N.Y., for about a year, is home on a visit. We are pleased to see her again, as her smiling face brings sunshine to all who meet her.

Miss M. Forman was the guest of her sister, Mrs. M. Campbell.

Monday last, Mr. and Mrs. A. Alexander visited friends in Durham.

It would do you good to see Mr. and Mrs. Mighton. They are all smiles, and Mr. J. Mighton is feeling so big now, as a little son arrived there, and intends making it his home for twenty years or so.

Sorry to hear that Mr. and Mrs. H. McCaslin's infant child is seriously ill. Hope to soon hear of her recovery.

Miss M.J. Cuff spent a day or two with her sister, Mrs. W. Pickers, last week.

One Sunday not long ago, Mrs. A. Graham and son Alex., and Mrs. H. Buckler and daughter Margaret, Durham, visited with their uncles

DEATH AFTER A SCRATCH.

Morris Quatzam, an eleven-year-old Windsor boy fell off his bicycle and scratched his wrist. He thought nothing of the injury, but blood poison set in, and he is dead.

Such incidents as these—by no means infrequent, ought to make people realize the danger that may lie even in the smallest flesh wound.

Take a simple illustration. When a knife, a rusty needle, a splinter of dirty wood, a barbed wire fence, or a thorn, scratches the hand, the later is inoculated with germs of which the air about us is full.

The way to avoid serious results is to cleanse the wound and apply Zam-Buk. Zam-Buk is a powerful yet painless germ-killer, and when applied to the broken skin is absorbed into the tissue, instantly destroying the germs that spread disease, and stopping the pain and smarting. That is why Zam-Buk is so popular with children.

The flesh thus soothed and purified, the wound is made perfectly healthy, and all poison and cause of festering removed. Having done this, Zam-Buk then proceeds to heal the wound or sore, and new healthy tissue is built up in a quick, painless and perfect manner.

Zam-Buk must not be confused with ordinary ointments. Zam-Buk is a unique preparation, possessing antiseptic, soothing and healing qualities that are not to be found together in any other preparation. It is not only a unique healing balm, but it is also a skin food. For all skin diseases and injuries—cuts, bruises, burns, eczema, chafing, ulcers, ringworm, etc., it is without equal. It is also used widely for piles, for which it may be regarded as a specific. All druggists and stores sell at 50c. a box, or post free from Zam-Buk Co., Toronto, for price. Refuse harmful imitations.
