

THE DURHAM CHRONICLE

W. IRWIN Editor and Proprietor. DURHAM, SEPTEMBER 28, 1911

R. J. BALL ELECTED BY 48 MAJORITY.

This is the result, in brief, of the South Riding of Grey. From the first we believed that Mr. Ball would be the winner, and we never lost hope, though we must admit we felt shaky towards the last, just when the ballots were nearly all counted. Never, we think, was a political campaign more stubbornly contested. Both candidates worked hard. In the contest three years ago, Mr. Miller had full confidence in his ability to win, but the majority of 87, when the Returning Officer made his declaration, caused him to feel that Mr. Ball was a very strong opponent. Three years ago, Mr. Miller fought his own battle. This time, he evidently did not feel so sure of his ground, and on a number of occasions during the campaign, he had some strong outsiders to assist him. Mr. Ball has not had the political opportunities of Mr. Miller. He is not so fluent on the platform, but we are pleased to note much improvement from the practice he had during the campaign. In time, with a little practice, he will develop into a good, forceful speaker, and the earnest way in which he presents his views, will command the respect of his hearers. He, too, had some able assistance during the campaign, but better than all, as an election winner, he was the opponent of the most popular side of the issue.

We never say hard things of a defeated candidate, unless he paved the way for rebuke by his own conduct during the campaign. Both could not be elected. To us, the defeat of the issue was of greater importance than the election of one or other of the candidates. We made no charges against Mr. Miller nor did we feel it necessary to smother Mr. Ball with bouquets. Now that Mr. Ball is the member-elect we tender our most hearty congratulations, and trust he may be ever on the alert to assist in all measures of legislation for the benefit of Canada as a whole. The following is the result of the voting in the different municipalities:

Table with columns for Ward, Ball, Miller, and Majority. Includes sections for BENTINCK, EGREMONT, GLENELG, NORMANBY, SULLIVAN, CHATSWORTH, and DURHAM.

Table for HANOVER and NEUSTADT. Columns include Ball, Miller, and Majority.

LATER DESPATCHES. A despatch from Montreal to the Toronto Globe says: The Herald summarizes the result as follows:—Liberals, 36; Conservatives, 15; Nationalists, 12. It is difficult to divide the Nationalists from the Conservatives, but the majority of the papers give the Nationalists 8 seats.

HAMPDEN. Come little boy blue, Come blow your horn! Miller is in the meadow, And Ball is in the corn.

It is now quite evident that the majority did not want reciprocity, but the majority at Hampden was otherwise. Last Sunday was Children's Day in the Presbyterian church here, and although the weather was bad, the attendance was fairly good.

Messrs. M.W. Byers, Jas. Byers and Thos. Derby have purchased a steam engine, and "Blizzard" corn cutter, Filling silos will be the order this week, but the hard frosts some time ago seriously damaged the corn.

Mr. Wm. Marshall, of the 16th con., is having the wall of his barn extended to the outside, which will greatly increase the stabling capacity.

Mr. John Cooper has purchased a new windmill which will lighten the work of pumping water for his large stock.

A large number of Hampdenites went to Durham and Hanover on the night of the 21st, and some came home feeling excitingly hilarious, while others came, feeling that a tour through Europe for their health would be a good thing. It has been written that we are to weep with those in sorrow, and be joyful with those who are glad. But will the great disseminator of justice, The Durham Chronicle, please excuse their Hampden correspondent for failing to show any hypocritical enjoyment.

ed by the day's performance, came almost half way across a block to make the sneering query if he had not better save the wood to keep his children warm through the winter. "Oh no," said the poor man with the best of good humor, "I have just fitted up to burn coal.

The management of the World's Fair, Egremont, are offering anything in reason for the services of a comedian who can draw any thing resembling a smile across the faces of the Grits of this Reform township.

Mr. David Hamilton sold a mare and foal to an Elora farmer for \$250, and was offered even more while delivering them. Who says horse raising is not one of our most profitable industries.

Mrs. Hannah, of Fergus, is visiting her sister, Mrs. Ann Chapman, for a week or two.

Mr. Jas. McMeeken was so unfortunate as to fall from a ladder while picking apples, and receive injuries sufficient to keep him in doors for a few days.

Mr. Robt. Grierson, with his threshing, is in this neighborhood and will finish the threshing here.

Many from this place were in Hanover at the Conservative jubilee. Some were prevented by two threshers at work in close proximity.

Mr. Alf McCabe, the Varney blacksmith, is a busy man now. He has not joined the combine, and is still keeping the old prices which he considers quite remunerative enough to suit the ordinary man. The new list seems oppressive.

We must heartily congratulate the Chronicle on its excellent work during the election. Its editorials were argumentative, clean and wholesome, while it treated every worker, no matter which side they were on, with courtesy. We predict a rapid growth of its subscription list.

FLESHERTON. The Methodist Ladies' Aid gave a hot supper in the school room of the church on Friday evening last at which a pleasant time was spent. A good program was rendered, consisting of music by the choir, solo each by Miss Lily Boyd, Rev. Wellwood, R. Wilcock and Dr. Murray; readings by Mrs. R.H. Moore and Mrs. Wellwood and a short address by Rev. J. H. Kelly. Mr. M.K. Richardson occupied the chair.

Died.—On Monday, Sept. 18th, at Calgary, Alta., Mrs. Mary McCallum, relict of the late Mr. Samuel McCallum, of Meaford Road, this township, to which the remains were brought for burial on Saturday.

The deceased, who was a highly respected woman, was born in Montreal, and came to Artemesia with her parents when quite young. She was twice married, her first husband being a brother of Mr. A. Munshaw, of this place. Ten children survive her, namely Mrs. Thorne Teeter, Markdale; Mrs. J. Stinson, Mrs. E. Clark, and John D., of Portland, Oregon; Wm. J. Edmonton; Mr. P. Munshaw, Eugenia; Hugh, Charles and Mrs. Wes Kells, of Calgary; and Alex. of Carstairs, Alta.

HER SKIN SEEMED ON FIRE

Every Other Treatment Failed But "Fruit-a-tives" Cures

GRANDE LIGNE, QUE., Jan. 2nd, 1910. "My wife was greatly distressed for three years with chronic Eczema on the hands and the disease was so severe that it almost prevented her from using her hands. The doctor gave her several ointments to use, but none of them did any good. He also advised her to wear rubber gloves and she wore out three pairs without getting any benefit. As a last resort, I persuaded her to try "Fruit-a-tives". Not only did "Fruit-a-tives" entirely cure the Eczema, but the Asthma, which she suffered from, was also completely cured.

We both attribute our present good health to "Fruit-a-tives". N. JOUBERT. "Fruit-a-tives" will always cure Eczema or Salt Rheum because "Fruit-a-tives" purifies the blood, corrects the Indigestion and Constipation, and tones up the Nervous System.

"Fruit-a-tives" is the only medicine in the world made of fruit juices and valuable tonics, and is the greatest of all blood-purifying remedies. 50c. a box—6 for \$2.50—or trial size, 25c. At all dealers or from Fruit-a-tives Limited, Ottawa.

time is expected at East Grey Fair here on Thursday and Friday. Cecil, the six-year-old son of Mr. D. McTavish, fell from the hay mow in the barn on Saturday, and sustained a cut in the head, which required half a dozen stitches in dressing. Otherwise, the plucky little fellow is not much the worse for his tumble and is going about game as ever.

Mr. John Thistlewaite has returned from Toronto, where he had been at bricklaying for some time.

Mr. Nelson Fewney, who purchased Mrs. J.M. Duncan's farm some time ago, is moving his family from Toronto. Mrs. Duncan has moved to her son's farm near by.

Mr. E.J. Swift, of Toronto, holidayed last week, and with his brother-in-law, Mr. Mark Stewart visited friends at Harriston and Owen Sound.

Mrs. C. Hamilton, and little son, Paul, and Miss Eva Barron, of Kirwin, Kansas, are visiting the former's brother, Mr. Jos. Cornfield.

STOVES & RANGES

By our past experience in Stoves and Ranges we know now which are the best and most satisfactory makes to use, and they are the only ones we are going to handle—The Buck—and their leading Range is the Happy Thought. The Happy Thought Range makes every woman happy, and when the women are happy the men must be happy, consequently we are doing our part to create pleasure in this country. Even if you could "worry along" with a common range, why should you? The "Happy Thought" returns you daily dividends in comfort, convenience, economy, good currency. No one ever bought a "Happy Thought" but was delighted—a positive fact. Remember there is no substitute for this Range. It has no equal. There can be no "just as good" until perfection meets its match.

In Coal Heaters we can satisfy your taste, for we sell the Radiant Home, Crown Brilliant, Buck's Prize, and several others. In Wood Heaters we sell the Royal Oak, Special Oak, Ideal, Maple Leaf, Canuck, Woodland, Queen Wonder, and others, too numerous to mention.

Card of Thanks.

I hereby extend my most hearty thanks to the Electors of South Grey who so ably supported me at the Dominion Election on September 21st. My election is due not only to Conservatives, but to many Liberal and Independent voters, who saw fit in the best interests of Canada to lay down their party alliances and vote against Reciprocity.

I beg to thank especially, all workers who so ably assisted me through the campaign and enabled us to win this great national victory. I shall endeavor to be true to all the people of the riding. Believe me to be ever, Yours faithfully, R. J. BALL. Hanover, Ont., Sept. 25th, 1911.
