FALL FAIR CONCERT

The concert under the auspices of the South Grey Agricultural Society Wednesday night drew the largest crowd that has ever attended, or attempted to attend, a concert in Durham for a long time back. By eight o'clock the hall was comfortably filled, and by 8:30 it was packed to the doors, and many late ones who had not previously secured their seats, had to be turned away.
 The Stars Concert Co., of Hamilton, supplied the artists for the evening, and put up a good program of classical selections, which consisted of solos, recitations and violin selections. While good, the program was rather classical, and the absence of a comedian was felt, especially towards the end of the show, when the big crowd grew noticeably restless. Miss Victoria Stares, soprano soloist, was heard to advantage in a number of difficult solos, and also rendered a couple of recitations with great credit to herself. As a violinist, Miss Madge Murphy was one of the best ever heard here, and in several selections captivated the audience with her skillful manipulation of the bow, and fully lived up to her press notices. She was repeatedly encored.
 Taken along ther, the evening concert was a good one, from a classical standpoint, and the Society are to be congratulated on their selection.

MATRIMONIAL MASCOTS

Querer Ideas Among the Hindus for Finding a Mate
 Here is a tip for unmarried lady readers with matrimonial ambitions. Buy cards at a shop that is about to close for the day, or, having looked upon a bridegroom at a marriage ceremony, turn your back upon him and go straight home. Result, a happy marriage within a few months.
 Anyhow, according to Mr. R. A. Leslie Moore, who has made a close study of the people of India, the Hindus consider this an infallible recipe for securing husbands. Among other quaint ideas prevalent amongst Indian people, Mr. Moore mentions that they never get married. On the other hand, according to a picturesque Bengali fancy, if a butterfly entered and flitted about a house there would soon be a marriage in the family; and if a butterfly persisted in hovering about any particular person, that person was destined for early connubial bliss.

SECOND DAY'S JUDGING.

MAGISTRATE CURED OF PILES & ECZEMA

One of the latest prominent gentlemen to speak highly in Zam-Buk's favour is Mr. C. E. Sanford of Weston, King's Co., N.S. Mr. Sanford is a Justice of the Peace for the County, and a member of the Board of School Commissioners. He is also Deacon of the Baptist Church in Berwick. Indeed it would be difficult to find a man more widely known and more highly respected. Here is his opinion of Zam-Buk. He says:—
 "I never used anything that gave me such satisfaction as Zam-Buk. I had a patch of Eczema on my ankle which had been there for over 20 years. Sometimes also the disease would break out on my shoulders. I had applied various ointments and tried all sorts of things to obtain a cure, but in vain. Zam-Buk, unlike everything else I had tried, proved highly satisfactory and cured the ailment."
 "I have also used Zam-Buk for itching piles, and it has cured them completely also. I take comfort in helping my brother men, and in the publication of my opinion of the healing value of Zam-Buk will lead other sufferers to try it. I should be glad for the relief of suffering caused by Piles & Skin Diseases I know of nothing to equal Zam-Buk."
 Zam-Buk cures ulcers, abscesses, blood-poison, ring-worm, festering or running sores, bad leg, varicose ulcers, salt rheum, prairie itch, cuts, burns, bruises, baby's sores, etc. Purely vegetable. See box, druggists and stores. Refuse imitations.
