## The "Woman Question—Three Meals a Day"

This is the problem confronting the average housewife—a problem of vital importance to the home, and one best solved by a trip to our store and the purchase of

For the Woman Question is not only what to eat, but how to cook it, and you find the answer in Gurney-Oxford—first in construction, as well as convenience; first in facilities for control and readiness. The Divided Oven Flue Strip assures perfect baking because of its even heat-distribution, and in every detail the perfect construction of this Chancellor Range assures satisfactory cooking results.

Gurney-Oxfords are the only stoves licensed to sell with this wonderful patent. It needs only to be set at a proper angle to hold heat for hours without attention. No fuel is wasted—a saving of 20 per cent.

The Grate is Reversible with strong teeth that save accumulation of clinkers and waste.

In point of appearance—nickel trimmings, beauty of design, etc.—the Gurney-Oxford has not a rival. Come to our store and find the best answer to the Woman Question—a Gurney-Oxford stove.

Another phase of the question is economy, and we invite a visit to our store expressly that you may examine the marvellous fuel-saving device the

cellent show. All the other shows around suffered from rain and around suffered from rain and very disagreeable weather.

Richardson Bros., threshers, are busy in our burg, and are putting the grain through lively.

Mr. John McQueen, and son Donald, from Durham, called on friends in this part Friday.

Mr. J.L. McDonald, teacher, is engaged here another year at an advanced salary.

Mrs. D. McDonald, of Wyoming, visited her brother, Mr. Neil Cameron, for a few days last week.

The Grange is holding a social next Monday night, when an evening will be spent in games, music, etc.

Friday, October, 20th, the Grange literary society will hold its first meeting. A good debate is being prepared, besides other musical and literary program.

### A LIBERAL OFFER We Guarantee to Relieve Dyspepsia If We Fail, the Medicine Costs Nothing

To unquestionably prove to the people that indigestion and dyspepsia can be permanently relieved and that Rexall Dyspepsia Tablets will bring about this result, we will furnish the medicine absolutely free if it fails to give satisfaction to anyone using it.

The remarkable success of Rexall Dyspepsia Tablets is due to the high degree of scientific skill used in devising their formula as well as to the care exercised in their manufacture, whereby the well-known properties of Bismuth-Subnitrate and Pepsin have been combined with Carminatives and other agents.

Bismuth-Subnitrate and Pepsin are constantly employed and recognized by the entire medical profession as invaluable in the treatment of indigestion and dyspepsia.

The Pepsin used in Rexall Dyspepsia Tablets is carefully prepared so as to develop its greatest efficiency. Pepsin supplies to the digestive apparatus one of the most important elements of the digestive fluid. Without it the digestion and assimilation of food is impossible.

The Carminatives possess properties which aid in relieving the disturbances and pain caused by undigested food. This combination of these ingredients makes a remedy invaluable for the complete relief of indigestion and dyspepsia.

We are so certain of this that we urge you to try Rexall Dyspepsia Tablets on our personal guarantee. Three sizes, 25c., 50c., and \$1.00. Remember you can obtain Rexall Remedies only at our store—The Rexall Store, Macfarlane & Co.

### INTERESTING FACTS Regarding the Factory of the Chamberlain Medicine Co., Des Moines, Iowa

A person purchasing a bottle of Chamberlain's Cough Remedy has no conception of the magnitude of the laboratory where this medicine is manufactured. The machinery and apparatus used in its preparation was designed especially for the purpose and cost several thousand dollars. Europe, South America and the United States supply the various ingredients of this remedy, and only the highest obtainable quality is used. No pains or expense has been spared in making it as nearly perfect as possible.

A force of helpers representing homes enough to populate as average Iowa town are regularly employed at the plant of the Chamberlain Medicine Company at Des Moines, Iowa. The printing department, which is usually overlooked in calculating the expense of a business of this kind, ranks as one of the best in the State, and is thoroughly equipped with automatic presses and folders of the latest improved type. Here enough print paper is used in one year to spread over ten farms of 160 acres each, upon which is printed advertising matter, directed in different languages and dialects. Enough lumber is used in making the cases in which the medicines are shipped to build an eight room house on each of these ten farms every three months. The bottles used by this firm every year, which are filled by machinery at the rate of 2000 per hour, if placed end to end, would reach across the United States seven times, or almost encircle the globe.

### BOOTHVILLE.

What glorious autumn weather last week. Old Sol is putting forth a great effort to lighten and waken up the earth ere she takes her winter nap. Everyone is busy, even the little animals and birds. Squirrels are gathering in their winter store, while the birds are flocking in large numbers preparing to migrate.

Most people are availing themselves of the good weather in getting up the roots, potatoes especially.

Dundalk Fair was favored with a beautiful day. Many from this part took it in and report an ex-
