SOUTH GREY TEACHERS' CONVENTION

The thirty-fourth annual meeting of the South Grey Teachers' Institute, was held in the Public school here on Thursday and Friday of last week...

Devotional exercises by Rev. Mr. McCausland, and the reading and adoption of the minutes came first in order as usual...

The several standing committees were appointed, after which President Halpenny delivered his address, the title of which was "Purpose."

Mr. Cameron, of Lucknow, gave an excellent explanatory address on Government Annuities.

Mr. Van Emory, of Owen Sound, next took up Composition, in which he showed the necessity of teachers being original, full of spirited inspiration, and quick witted.

Miss Scott gave a carefully prepared paper on Spelling, in which she expressed a strong opinion that reforms are necessary.

Mr. Robertson, of Stratford Normal school, gave three talks on "Arithmetic during the convention. First, on "Recent Tendencies in Arithmetic," to make it as practical as possible...

Mr. McLuhan read a carefully prepared paper on "The Teaching of History."

Miss Halliday gave a paper on Literature, as a means of moral training.

Mr. Clark, of Markdale, in dealing with examination, regarded it as a great mistake to allow pupils to pass before they were fit.

Mr. Duff, of Markdale, Instructor of Agriculture, gave reasons why this new phase of school work should be established...

The evening entertainment was a great success. Prof. Day, of the Ontario Agricultural College, gave an excellent address on Lightning, and showed by experiments how electricity might be controlled so as to be much less dangerous and damaging than it is.

Miss Reesor proved herself an accomplished elocutionist, and Mr. Hubbard, the soloist, gave a number of highly pleasing selections.

BORN.

COTTRELL.—At Hope, B.C., on Saturday, October 17th, to Mr. and Mrs. H. V. Cottrell, a daughter.

MARRIED.

WILSON-BANKS.—On Thursday, October 11th, 1911, at the home of the bride's mother, Edge Hill, Miss Winifred Banks, to Mr. Herbert Stanley Wilson, Durham.

TRAVERTON

Roots and corn are nearly all housed, and have proved a very good crop.

We join with the many in extending congratulations and good wishes to two of our pupils who were so happily wedded on Thursday evening of last week, viz. Mr. Bert. Wilson and Miss Winnie Banks.

Tom Cook jr. arrived home on Saturday evening from Calgary, after a sojourn of two months. He reports magnificent crops in the vicinity of the city, but late in maturing, consequently injured by frost. Tom has gained 15 pounds in the sixty days. He reports the Ryan brothers, the Morrison brothers, and other Glenelgers as doing remarkably well.

Mr. Patrick Haley's sale on Wednesday of last week, was well attended, and prices, for most of the stock, ruled high.

One of Glenelg's oldest settlers and pioneers, Mr. Angus McDonald passed away after a brief illness on Tuesday of last week at the ripe age of 92. Deceased was a native of Scotland, came to Canada in early manhood, and for over half a century has resided on lot 17, con. 6. He has been tenderly cared for these last few years by his son, Alex. The deceased was a Reformer in politics, a member of the Roman Catholic church, and in St. John's quiet acre on Thursday morning, he was laid to rest, Rev. Father Ferguson officiating.

Somewhat suddenly and unexpectedly, another of our oldest pioneer fathers, Mr. Wm. Banks, fell into the last long sleep on Sunday morning, Oct. 22nd. He has been a sufferer for many years from rheumatism, but had been ailing but a few days. Mr. Banks was born in Yorkshire, England, eighty-three years ago, and when a young man of twenty-nine years, came to Canada, settling first in Chinguacousy, afterwards for some years in Amaranth, but thirty-two years ago came to Glenelg, and took up residence on lot 16, con. 6. Over fifty years ago, he wedded Miss Bessie Banks, who survives him, though in feeble health. To them were born five children, four of whom are living, are widely known and most highly esteemed, namely Mrs. Thos. Smith, of the Eborale post office; Miss Rebecca and James at the old home, and Will, in Alberta. Mr. Banks was a man of sterling honor, honesty and industry, was the most obliging and helpful of neighbors and possessed a never-failing humor and ready wit that made him many warm friends. He has been a faithful member of Zion church for many years, and in politics, leaned to the Reform side. He possessed more than the ordinary intelligence, and was a heavy reader. The funeral took place on Monday afternoon to Zion church, where Rev. Dr. Farquharson conducted a touching service, after which the remains were laid away in the wreath-lined grave, in the presence of quite a large concourse of neighbors and friends. The sympathy of a large circle goes out to the aged partner and the sorrowing family.

"FRUIT-A-TIVES" CURED HIM

AVONDALE, N. B., October, 15th. "I have been a great sufferer from indigestion for fifteen years. For the past two years, I lived on porridge, stale bread, etc. I had treatment from two doctors, and tried nearly every kind of medicine, but got worse. Finally I saw a testimonial of "Fruit-a-tives" and concluded to give them a trial. I took nearly four boxes of "Fruit-a-tives" and they have made me feel like a new man. I can eat all kinds of hearty foods without suffering, and am no longer constipated."
