

McKECHNIE'S PUBLIC BROKER'S SALE GREATER CROWDS THAN EVER

Many fingers burned, manufacturers over estimated their selling capacity. Tremendous surplusages drifting towards this Great Brokers' Sale at ridiculously low price. I never saw such a market said Business Broker Learoyd after returning from the Eastern markets. Cash talks very loud to manufacturers hard up to meet the banks' demand. \$6,000.00 New Bargains emptied into this big departmental store along with the tremendous stock now on hand. Now for distributing of it into thousands of waiting homes. Well, judging by the number of the excited buying crowd that attends every day, it will be all gone before the sale closes. The remarkable values awaiting you are strictly new desirable merchandise. This is a Rush Action Event; Broker's Bargains intensity of surprise; all opposition out-stripped this sale. The most comprehensive gathering of Half Price Bargains on earth. Over \$100.00 a day more than any other Sale. Merchants throw up their hands. The Broker's Bargains beyond the possibility of other stores to equal. If we serve you well, tell others; if not, tell us.
