MEANING OF THE CROSS

This cross (in red) has been adopted in Canada and all over America as the emblem under which the Crusade against Consumption is carried on.

Every reader knows of the ravages of this disease; how, too often, the bread-winner of the family falls a victim, or the young man or young woman, with a promise of a happy and useful life, is stricken down.

This modern Crusade, like the one of old, is a winning fight. The death rate from Consumption in this province shows a decrease of over 25% in the past few years.

Nearly 6000 of these poor sufferers have been cared for in our Consumptive Homes in Muskoka and near Weston. To-day we have 300 patients under treatment—patients who, if they had the money, could not through fear of contagion gain admittance into other hospitals.

In the Muskoka Free Hospital alone we are now caring for 156 patients. 128 of these cannot pay a single cent for the cost of their maintenance, 15 pay 70c. per day, 1 pays 57c. per day, 12 pay 50c. or less per day.

Our Trustees, having faith in the generous-hearted people of Canada, have continued to carry on this work during the past year.

Money to pay doctors, food, nursing and caring of these sick ones, is urgently needed. Will your readers help and have the joy of sharing in a work that has the promise of the Master's reward?

TIMES HAVE CHANGED.

In childhood, when my works were aching, my granny doctored me: she held my nose and kept me taking boneset and ginger tea. Then soon departed all the colic, the anguish and the pain, and I went forth to sport and frolic, till I got sick again. And thuswise all the kids were treated by grannies in their day; they swallowed yarb tea superheated, and sickness skipped away. But now the world is so enlightened, we jeer at granny's dope; at old-time remedies we're frightened—the surgeon is our hope. The surgeon comes with saw and cleaver, he comes in sombre garb; he gives no tea to cure our fever; he scorns the ancient garb. He tells us that some cog or ratchet has slipped in our insides; he cuts us open with a hatchet, and all our works divides. He heaves us with his gory axes, till, with expiring sigh, we sadly ask him what the tax is and then curl up and die.—Walt Mason.

tea is the result of care and experience in blending—must be the combination of fine flavor, smooth strength and richness. Because all these elements are so generously included in Red Rose Tea it well merits the term "good tea."

McWILLIAMSVILLE.

Miss Edna Dennett, of Owen St. spent a couple of weeks with her mother, and other friends.

Mrs. Wm. Watson, sr., has been quite indisposed for some time.

Mrs. Henry Dennett intends leaving to-day, Tuesday, for Montana, U.S.A., where she will visit for a time, or perhaps remain for good. She will be accompanied by her daughter, Mrs. Geo. Walker, and two children, who have been visiting here for the past month or more.

W. R. Watson purchased a thoroughbred Poll Angus bull from John O. Greenwood, of Traverston. Miss Lottie Brown left for Toronto on Thursday last, after tenderly caring for her mother through the latter part of her sickness and death.

The announcement of the death of Mrs. James Brown was briefly dealt with in last week's Chronicle, but with accurate data to hand, we feel duty bound in sadness to impose on its columns for further space, to express our feelings, and sentiments of the community, in memory of one of our most respected neighbors and friends, Mrs. Brown's early life was one of thrift and hardiness, but as the years advanced, the vigorous constitution weakened, and the latter years of her life were spent in torture and pain, but generally able to look after her household duties until last March, when she took to her bed, and has since been almost constantly confined to her room.

Four weeks before her death, the last ray of hope for recovery had fled, and her husband and family, who had so tenderly cared for her, began to despair of her ever getting well again. She gradually failed, and on Saturday, November 18th, at 8.50 p.m., she passed peacefully away, surrounded by all the members of her devoted family, to meet the army of the faithful, who are gone before. The subject of our sketch was Mary Ann Wright daughter of Mr. Wm. Wright, now of Philadelphia, U.S.A., and was born in County Derry, Ireland, fifty-eight years ago. At the age of two years, she emigrated with her parents to Canada, and settled near Orangeville. Forty years ago, she married James Brown, and settled on lots 6 and 7, concession 2, S.D.R., Glenelg, where she remained until the time of her death. She leaves to mourn her much regretted demise, her husband, three sons, and four daughters, James, William.

There could be no better medicine than Chamberlain's Cough Remedy. My children were all sick with whooping cough. One of them was in bed, had a high fever and was coughing up blood. Our doctor gave them Chamberlain's Cough Remedy, and the first dose eased them, and three bottles cured them," says Mrs. R. A. Donaldson, of Lexington, Miss. For sale by all dealers.

Mr. Bert. Thompson, of Euphrasia, while threshing near Rocklyn, had both feet severed about six inches above the ankles. He was arranging the blower, when in some way his feet came in contact with the straw cutting attachment. Mr. Thompson has been very unfortunate during the last few years. He was kicked by a horse, had two fingers taken off in a sawmill, and not long ago his house was destroyed by fire.

Mary A., and Emma, at home, Joe, in Durham, Lottie, in Toronto, Jennie (Mrs. Wm. Hargreave), in Egremont, Thos. T., Ester and David, died in childhood. She also leaves to mourn her loss her aged father, who is nearing the four-score mark, also five sisters in Philadelphia, and Mrs. Anthony Lawrence, of Glenelg. She was a most devoted wife and parent, and was respected by all who knew her. In religion, she was a faithful and consistent Methodist, and was seldom absent from her church in Durham when health and weather permitted. The funeral took place on Tuesday, 21st, to the English church burying ground and was very largely attended by friends and relatives, from far and near. The impressive services at the house and grave were conducted by her pastor, Rev. Mr. Wright. The beautiful casket was covered with flowers, which were tributes from those who were near and dear to her, among them being a pillow from the family, a wreath from her sister, Mrs. Anthony Lawrence, a spray from W. Zufelt, and a spray from the employes of Annesley Hall, Toronto, also a beautiful wreath from the officers and students of the same place, the two latter ones arriving too late for the funeral. The pall bearers were her three sons, James, William and Joe, Wm. Hargreave, Wm. Zufelt, and Thos. Moore. We join with the community in extending our sympathy to the bereaved ones.

PURIFIED HIS BLOOD

Dr. Morse's Indian Root Pills Healed Mr. Wilson's Sores

When the sewers of the body—bowels, kidneys and skin ducts—get clogged up, the blood quickly becomes impure and frequently sores break out over the body. The way to heal them, as Mr. Richard Wilson, who lives near London, Ont., found, is to purify the blood. He writes: "For some time I had been in a low, depressed condition. My appetite left me and I soon began to suffer from indigestion. Quite a number of small sores and blotches formed all over my skin. I tried medicine for the blood and used many kinds of ointments, but without satisfactory results. What was wanted was a thorough cleansing of the blood, and I looked about in vain for some medicine that would accomplish this. At last Dr. Morse's Indian Root Pills were brought to my notice, and they are one of the most wonderful medicines I have ever known. My blood was purified in a very short time, sores healed up, my indigestion vanished. They always have a place in my home and are looked upon as the family remedy. Dr. Morse's Indian Root Pills cleanse the system thoroughly. Sold by all dealers at 25c a box."

The boy's appetite is often the source of amazement. If you would have such an appetite, take Chamberlain's Tablets. They not only create a healthy appetite, but strengthen the stomach and enable it to do its work naturally. For sale by all dealers.
