### TRAVESTON

Reeve Hunt attended the November session of the County Council in Owen Sound, last week, and took an active part in the discussions.

Mr. Rob. Bryan, of Varney, is spending a few days with friends here.

Mrs. T.E. Blair, and Master Norman, spent a couple of days of last week at the parental home in Markdale suburbs.

Miss Jessie Peters left on Saturday to spend the winter months in Toronto. Jessie is a clever maiden, and a most likeable lassie.

Miss Jennie Davis and Missy Gladys Firth, were guests of Mrs. Robt. Webber, of Hutton Hill, last week.

Mr. George Peart and Miss Mary spent the week end with Mr. and Mrs. John Hudson, south Bentinck. Mr. Peart has been importuned so strenuously, that he has consented to become a candidate for the council, with good chances of being a winner.

Your scribe took a trip up into Euphrasia last week, and while passing through Markdale was surprised to see the large quantities of grain, potatoes, and dressed pork being marketed there, at prices almost surpassing belief. Peas were in good demand at \$1.25 a bushel, and oats were 55c. It dawned on our mind that there was room in Durham for a wide-awake produce shipper.

An event of interest to many Chronicle readers took place at the residence of Mrs. Joseph Edge, Toronto, on Wednesday evening, November 8th, when her only daughter, Dorothy, was happily united in marriage to Mr. Arthur D'Orr Le Pan, B.A. Sc., one of the Queen City's clever and most progressive young men. The bride was given away by her brother, Percy. The young couple have taken up their residence at 34 Tranby Ave.

Miss Mary Peters spent a few days of last week with her auntie, Mrs. Rob. McPadden, and the latter accompanied her niece home and spent the week end here.

Quite a number hereabouts attended the big meeting that welcomed Premier Sir James Whitney, on Wednesday of last week, and were greatly pleased with his frankness, and his convincing arguments. Old Glenelg will give Dr. Jamieson over a hundred of a majority.

Mr. W.L. Falkingham has had cement floors put in his horse stable, and in his piggery. Mr. James Ritchie performed the task, consequently, neat and strong is the workmanship.

Mr. John O. Greenwood disposed of his fine thoro-bred Polled Angus bull last week, to Mr. Watson, of South Glenelg.

### SURE SIGNS

### BLYTH'S CORNERS.

Shighing for the past few days has been excellent, but at time of writing the beautiful, mild, sunny weather is making it scarce.

Mr. David Mars-odd who purchased the frame house formerly occupied by the late Mrs. Mary Dickenson moved it on Saturday last from the Johnson farm down to his own where he intends to convert it into a hen house.

At a special meeting of the Varney Grange, last Friday night, called on account of pressing business, an order for 20 tons of salt was sent to the Kindredine Sal Works. A valuable addition was added to the membership in the person of Mr. William Mountain. The regular monthly meeting will be held on Friday night, December 8th.

Mr. Forest merchants can set the pace for the merchants of Durham as they are paying 25c per pound cash for all the good butter they can get.

Mr. John Marshall purchased last week quite a fine flock of sheep.

Mr. Conrad Becker has purchased a grain chopper and is busy on the line grinding grain for some of our big farmers.

Tax collector, Thomas Wallace, started on his annual round-up last week, and it is a matter of considerable satisfaction to know, that while Egremont and Glenelg are putting up with "hard tack" in taxes Normanby continues to "do it" with a moderate tax.

Mrs. Wm. Carson, who underwent a successful operation a fortnight ago is so far recovered as to be able to return home on Saturday last.

Judging by the dissatisfaction expressed on every hand, of our educational system, we predict Calder will give Jamieson the chase of his life. [Our cor. seems to be off his eggs again.—Ed.]

Just how these geese got benighted we can't tell, but we are not surprised at their becoming bewildered after so long a time in the pure atmosphere which contrasted so greatly with the atmosphere they came from. Should they decide to winter over with the "old father gander" they will not only be benighted and bewildered but worse. They will be benumbed, befuddled, besighted, beghogled.

We hope he may be successful in his new undertaking.

BURNETT.—In Durham, on Tuesday, November 28th to Mr. and Mrs. Edward Burnett, a daughter.

### Rev. Irl R. Hicks 1912 Almanac

Before the great drouth of 1901, the Hicks Almanac gave timely warning. For over two years prior to 1911, the Hicks Almanac again sounded a warning of drouth danger. And so, for forty years this same friend of all the people has steadfastly refused the offers of speculators, and continued to warn the public of coming dangers of storm and weather. As they should have done, the people have nobly stood by Professor Hicks, their faithful public servant who has rown old in their service. Send only one dollar to Word and Works Publishing Company, 3401 Franklin Avenue, St. Louis, Missouri, and get his magazine and Almanac both for one year. The Almanac alone, a fine book of 150 pages, is only 35c, by mail. Let everybody respond and receive the warnings of our National Seer for the coming year.

Don't waste your money buying strengthening plasters. Chamberlain's Liniment is cheaper and better. Dampen a piece of flannel with it, and bind it over the affected parts, and it will relieve the pain and soreness. For sale by all dealers
