### A BLOOD MEDICINE WITHOUT ALCOHOL.

Recently it has been definitely proven by experiments on animals that alcohol  
lowers the germicidal power of the body and that alcohol paralyzes the white cor-  
puscles of the blood and renders them unable to take up and destroy disease germs.  
Disease germs cause the death of over one-half of the human race.

A blood medicine, made entirely without alcohol, which is a pure glyceric ex-  
tract of roots, such as Bloodroot, Queen's root, Golden Seal root, Mandrake and  
Stone root, has been extensively sold by druggists for the past forty years as Dr.  
Pierce's Golden Medical Discovery. The refreshing influence of this extract is like  
Nature's influence—the blood is bathed in the tonic which gives life to the blood—  
the vital fires of the body brighter and their increased activity consumes the  
tissue rubbish which has accumulated during the winter.

Dr. R. V. Pierce, the founder of the Invalids' Hotel and  
Surgical Institute, and a physician of large experience and  
practice, was the first to make up an ALTERNATIVE EXTRACT of  
roots, without a particle of alcohol or narcotic.

"It is with the greatest pleasure, that I write to let you know of  
the great benefit I received from the use of your medicines and self-  
treatment at home," writes Mrs. Wm. Heyes, of Ladysmith, B. C. "I suf-  
fered for three years from a running sore. Consulted four doctors but  
they failed to mend or give relief. Finally I was told I was in con-  
dition and would have to consult a specialist concerning my ear, that the  
dead bone must be cut out before the wound would heal. A kind friend  
advised me to write to Dr. Pierce, which I did, and after seven months  
of use of the treatment the sore is healed, and I enjoy better health than I  
ever did. I dressed the wound with Dr. Pierce's Anti-Healing Salve and  
troubles. I shall always recommend your medicines.

Deafness Cannot be Cured  
by local application, as they cannot reach the  
diseased portion of the ear. There is only one  
way to cure deafness, and that is by constitu-  
tional remedies. Deafness is caused by an  
inflamed condition of the mucous lining of the  
Eustachian Tube. When this tube is inflamed  
it has a rumbling sound or imperfect hearing,  
and when it is entirely closed, Deafness is the  
result, and unless the inflammation can be taken  
out and the tube restored to its normal condition  
hearing will be destroyed forever. Nine cases out  
of ten are caused by Catarrh, which is nothing  
but an inflamed condition of the mucous surfaces.  
We will give one hundred dollars for any case  
of Deafness (caused by catarrh) that cannot be  
cured by Hall's Catarrh Cure. Send for circular  
free.

### SACKETT'S CORNERS

Intended for last week.  
Well, Mr. Editor, here we are  
again and at the time of writing  
good snow storm is on hand, but  
the weather is not so very cold.

Mr. John Atkinson, of British  
Columbia is visiting his father who  
is very ill at present. Mr. Atkinson  
visited here 16 years ago and sees  
a decided change for the better.

Mr. James Renwick, of this place,  
had a very good wood bee,  
and wishes to thank those who  
turned out to help him so faith-  
fully. Their kindness is much ap-  
preciated by Mr. and Mrs. Renwick.

We welcome Miss Olive Sackett  
who in home on a two weeks' vaca-  
tion from the Toronto Telephone  
staff.

We regret to learn that Mr. Plu-  
mer Stearne, of Dromore, is very  
sick at present and has turned the  
mail service over to Thomas Gar-  
son, of Dromore. We trust that Mr.  
Garson will discharge the duty as  
faithfully as Mr. Stearne has.

Mr. Wm. Sackett has sold his  
cow and colt at good prices for  
both, but is still keeping his driver.  
William is thinking of mov-  
ing to the city in the spring.

A Des Moines man had an attack  
of muscular rheumatism in his  
shoulder. A friend advised him to  
go to Hot Springs. That meant an  
expense of \$150 or more. He  
sought for a quicker and cheaper  
way to cure it, and found it in  
Chamberlain's Liniment. Three  
days after the first application of  
this liniment he was well. For sale  
by all dealers.

Mrs. Thos. Estell, near Walk-  
erton, fell while going to the barn,  
and broke her leg. After calling  
for some time, her cries were  
heard by two neighbor women,  
who carried her to her home.

### RIVERDALE.

Intended for last week.  
Quite a number from this part  
attended the nomination in Dur-  
ham.

Miss Bella Weir, of Boothville,  
spent a few days last week visit-  
ing friends in this part.

A very pretty and quiet event  
took place at the Methodist par-  
sonage in Durham on Wednesday  
November the 29th, when Katie,  
the eldest daughter of Mr. and  
Mrs. Samuel Ritchie was united in  
Hymen's holy bonds to the man of  
her choice, Mr. Wm. Jacques. The  
ceremony over, the happy couple  
left on the afternoon train for  
Ingersoll and other points.

Miss Jennie Peters, of Normanby  
spent over the week end with her  
cousin, Miss Mar Patterson.

Mr. Jos. Atkinson purchased a  
fine horse last week from Mr. John  
Weir, of Boothville.

The tax collector has been going  
his rounds, and taxes are rather  
high in this part this year.

The dog tax does not seem to be  
very satisfactory. Some have  
not got, and others with two or three  
dogs have no taxes to pay at all.

Mr. John Staples purchased a  
fine young horse from Mr. Har-  
rison, of Egremont.

Monday evening was regular  
lodge night in L.O.L. 1192, when a  
goodly number of members were  
present. After general business  
was all finished up, the elections  
and installation of officers for  
the ensuing year was gone  
through, when the following offi-  
cers were duly elected and in-  
stalled; W.M., Jos. Brown; D. M.,  
A.A. Aljoe; Chaplain, G. Aljoe;  
Rec. Sec., Jas. Brown, Jr.; Fin. Sec.,  
G.A. Watson; Treas., T. McFadden;  
D. of C., Wm. T. Brown; Lecturer,  
H. Lawrence; Committee, Herb. Al-  
len, W.J. McFadden, T. Collier, W.  
Hewitt, J. Allen.

lishers to guarantee that every  
person who, during the month of  
December, pays a year's sub-  
scription to The Family Herald  
and Weekly Star, of Montreal,  
will receive a copy of their valu-  
able premium picture, entitled  
"Home Again." The Family Her-  
ald and Weekly Star's subscription  
receipts in November were 60  
per cent. over 1910, almost en-  
tirely owing to the picture, which  
is admitted by all who have seen  
it to be the best premium ever  
given with a newspaper. Those  
who fail to secure a copy will  
have themselves to blame. The  
Family Herald and Weekly Star  
and such a beautiful picture, all  
for one dollar, is such rare value  
that no person can afford to miss  
it. The picture is given both to  
renewal and new subscribers.

Mrs. Thos. Estell, near Walk-  
erton, fell while going to the barn,  
and broke her leg. After calling  
for some time, her cries were  
heard by two neighbor women,  
who carried her to her home.

## This Concrete Root Cellar Costs Less Than Wood and is Much More Durable

Cement is particularly adapted to the con-  
struction of Root Cellar floors and walls.

Experience proves that for the farmer, Con-  
crete is superior to wood in every point of  
comparison.

Concrete permits of a desirable degree  
of coolness without freezing. There is no  
question as to its durability. Concrete lasts,  
not for years, but for ages; and needs no  
repair.

Anyone who has scooped vegetables from  
the old plank floor will appreciate the fact that  
Concrete offers a smooth, continuous surface  
with no projecting plank ends or nails to  
damage the scoop or ruffle the temper of the  
scooper.

The various uses to which  
Concrete may be profitably  
put, on the farm, are plainly  
and simply in our 160-page  
book,

### "What the Farmer Can Do With Concrete"

which shows how the following  
farm buildings and utilities can  
be constructed of concrete—

Barns, Cisterns, Dairies, Dip-  
ping Tanks, Foundations, Fence  
Posts, Feeding Floors, Gutters,  
Hens' Nests, Hitching Posts,  
Horse Blocks, Houses, Poul-  
shelter Walls, Stables, Stairs,  
Stalls, Steps, Tanks, Troughs,  
Walks, and so forth.

regularly sells for 50c. Write
