distribution has become so wide that an by those present. additional two millions have been printed. Orders are coming from the far west to the extreme east. A manufacturer in St. Hyacinthe, Quebec, contributes his quota, and another manufacturer in Montreal sends his order.

The effort has been to place the stamps munity. If our readers do not find the stamps for sale in their Drug Store, Book Store, or through some individual worker, write the Secretary of the National Sani-Toronto, for a supply and all particulars. the sheepmen and they made

A Cheap Suit? of to-day are directed to getting If so you cannot do better than give was found difficult for all farmers us a call and inspect our large st ck. to attend the Agricultural colleges We have them in the latest style, and it was decided to take the colexceptionally well tailored-a really lege to the farmers. For this reason there was a short course in Stock Judging held in Durham on the 19th and 20th of December for the benefit of the farmers and stock raisers of this vicinity. Arrangements were all made by Mr. H. C. Duff, the District Representative whose office is in Markdale. The Department at Toronto sent a tent to this town, which had to be erected and seats placed round things quite lively for the last the inside so that the animals could be in the centre and viewed from all sides. Then stock had to half hour. After giving briefly the be got for purpose of judging. To characteristics of the different these men Mr. Duff and all present short wooled breeds, Mr. Gardowe their thanks because of the house described the type to be lessons learned by being able to looked for in the body of the criticise without fear the animals before them. The object of the course was to will be. Width between the eyes
