She admitted that local option meant that men in "dry" towns were apt to turn to drinking whiskey instead of beer, the former being more easily procured. and in making these admissions she showed that she saw a condition of affairs such as at present prevails in Owen Sound-the taking of business to other towns and the reckless consumption of bad whiskey. SARNIA, ONT., Feb. 5th, 1910. "I have been a sufferer for the past 25 years with Constipation, Indigestion and Catarrh of the Stomach. I tried many remedies and many doctors but derived no benefit whatever.

Finally, I read an advertisement of Fruit-a-tives'. I decided to give Fruit-a-tives' a trial and found they did exactly what was claimed for them. I have now taken 'Fruit-a-tives' for some months and find that they are the
