

PURIFIED HIS BLOOD

Dr. Morse's Indian Root Pills Healed Mr. Wilson's Sores

When the sewers of the body—bowels, kidneys and skin ducts—get clogged up, the blood quickly becomes impure and frequently sores break out over the body.

"For some time I had been in a low, depressed condition. My appetite left me and I soon began to suffer from indigestion. Quite a number of small sores and blotches formed all over my skin.

At last Dr. Morse's Indian Root Pills were brought to my notice, and they are one of the most wonderful medicines I have ever known.

Dr. Morse's Indian Root Pills cleanse the system thoroughly. Sold by all dealers at 25c a box.

TRAVERTON.

Everybody has a good word to say of the weather of late. Hope it may continue.

Mr. and Mrs. Fred McClocklin, of Holstein, and Mrs. Mark Wilson, and Master G. Patterson, of Flesherton, were guests of the McClocklin homestead, one day recently.

Mrs. Packard, of Tacoma, Washington State, is visiting with her cousin, Mrs. A. J. Robson, at present.

A bunch of rollicking, good-hearted fellows from Edge Hill helped Mr. Henry Williams to haul lumber from Schnitzler's mill, for his new barn, last week.

A fellow named, Glynn, from Bruce county, takes a run out to these parts every few years, and some are of the opinion that he should not be running at large.

Mr. Will Cook, and his son Tom set their new sawing machine in operation on Monday. It is run by an 8-horsepower gasoline engine, and after firing the blocks away from it for some hours, we readily confess that it was fast enough for anything.

Mrs. J. Love has resigned her position as teacher in No. 5, the term of service expiring at Easter. It is with great reluctance that the Trustee Board accepts it, as she is a most successful and popular teacher.

Mrs. Peart, sr., left at the close of the week to visit her daughters in Durham and vicinity.

Over half of our community took in the big horse fair on Thursday last, and had a most enjoyable day, even if they didn't make a sale.

NO THIRD PARTY

The Ontario Branch of the Dominion Alliance waited on the Ontario Government last week, and were very peremptory in their demands for advanced temperance legislation to abolish the bars, the treating system, and drinking in clubs.

There is much talk about public ownership, but here is a respect in which the principle could well be applied—by assuming public ownership of the loss which attends and must be enforced in the destroying of animals unfit for food.

CATARRH CANNOT BE CURED, with local applications, as they cannot reach the seat of the disease. Catarrh is a blood, or constitutional disease, and in order to cure it, you must take internal remedies.

Thirty thousand bales of cotton were destroyed in a great fire which broke out in one of the big warehouses in Bombay, at noon, on Tuesday. The damage is estimated at \$1,250,000.

SCOTT'S EMULSION

has helped countless thousands of thin, weak, delicate children—made them strong, plump and robust.

It creates an appetite, aids digestion, fills the veins with rich red blood.

After illness or loss of weight from any cause, it brings strength and flesh quicker than anything else.

ALL DRUGGISTS 11-16

Do you know that more real danger lurks in a common cold than in any other of the common ailments. The safe way is to take Chamberlain's Cough Remedy, a thoroughly reliable preparation, and rid yourself of the cold as quickly as possible.

CATTLE UNFIT FOR FOOD.

A warm discussion has been going on of late as to where the loss must fall for such cattle as are pronounced to be diseased and unfit to be sold for food.

It is pretty safe to say that none of them will bear the loss, but that it will ultimately be paid by the consuming public.

That being so would it not be well to recognize the fact and all that is implied in it? A system cannot be considered satisfactory which forces packer, drover and breeder to seek by round-about methods to recover a loss and which tempts each in turn to try to avoid loss by having infected sold as food.

There is much talk about public ownership, but here is a respect in which the principle could well be applied—by assuming public ownership of the loss which attends and must be enforced in the destroying of animals unfit for food.

F. J. CHENEY & CO., Props., Toledo, O. Sold by druggists, price 75c. Take Halls Family Pills for constipation.

There is no better remedy made for colds than Chamberlain's Cough Remedy. It acts on nature's plan, relieves the lungs, opens the secretions, aids expectoration, and restores the system to a healthy condition.

EDGE HILL.

Miss Kate McFayden was visiting friends in Holstein for a few days.

Mr. Jas Weir of Dromore was visiting at Mrs. D. Edges on Saturday.

Miss Ada Staples of Markdale was visiting her brother, Mr. Fred Staples the beginning of the week.

Mr. and Mrs. Archie Beaton of Bunnessan were visiting at Mr. A. Anderson's last week.

Mr. and Mrs. Alex Jopp and little daughter have returned to their home in Little Current after visiting his grandmother, Mrs. Jas. Edge. They visited at Toronto and Niagara Falls on the way home.

Messrs. Albert and Ellsworth Watson of Paisley are visiting the different Ritchie families in this neighborhood.

Mr. W. Davis is visiting in Toronto this week. He has purchased several horses to take with him on his return home to Manitoba.

Several of the neighbors were assisting Mr. H. Williams to haul lumber from Schnitzler's mill on Wednesday and Thursday.

Your money back if you are not satisfied with the medicine we recommend

We are so positive that our remedy will permanently relieve constipation, no matter how chronic it may be, that we offer to furnish the medicine at our expense should it fail to produce satisfactory results.

It is worse than useless to attempt to cure constipation with cathartic drugs. Laxatives or cathartics do much harm. They cause a reaction, irritate and weaken the bowels, and tend to make constipation more chronic.

Constipation is caused by a weakness of the nerves and muscles of the large intestine or descending colon. To expect permanent relief you must therefore tone up and strengthen these organs and restore them to healthier activity.

We want you to try Rexall Oederlies on our recommendation.

They are exceedingly pleasant to take, being eaten like candy, and are ideal for children, delicate persons, and old folks, as well as for the robust. They act directly on the nerves and muscles of the bowels. They apparently have a neutral action on other associate organs or glands.

RIVERDALE.

The concert in the school on Friday night was a huge success. The night was an ideal one. The school was comfortably filled by a very attentive audience.

Messrs Elsworth and A. Watson, of Paisley, are visiting with relatives in this vicinity.

Miss Ethel Weir is spending a few days in town.

Mr. Wm. Patterson is home from Toronto.

Mr. Wesley McNally visited his parents here over the week end.

Mr. and Mrs. Ben Connts, of Vickers, visited her parents, Mr. and Mrs. James Atkinson, over Sunday.

VARNEY.

Mr. and Mrs. Chas. Brown from your town visited one day last week with their son James of Varney.

There seems to be a lot of sickness around our hamlet among the children. Margaret Leeson, Margaret Eden, Ada Brown, Andy Hoy, Victor Blyth, and Beatrice Richardson, the most of these are almost better, and we hope that they all will soon be well.

children who have been spending a few weeks at Mrs. McClinton's brother, Dr. Leeson of Varney, visited last week with Mrs. Leeson in Mt. Forest.

Wm. Bryans has completed his contract of supplying our school with wood and the trustees are well satisfied with the job.

A sleigh load of sixteen from Poplar Hill spent one night last week very pleasantly at the home of Mr. and Mrs. James Brown of Varney.

James Wilton attended the Farmers Institute in Holstein last Wednesday and J. W. Blyth attended the same in Ayton on Thursday. Both were excellent meetings.

Nearly every body of the men kind attended the Horse Fair in Durham last Thursday.

Richard Bryans had the misfortune to get his shoulder knocked out of joint on Horse Fair day by a horse they had up giving him a quick jerk. Dr. Jamieson put it back to place again.

Miss Winnie Lauder entertained a number of her girl friends last Thursday and they enjoyed themselves immensely.

We are very sorry to hear that Fred Keller expects that he will have to go back to the Hospital again.

James Finnigan applied our school with a few cords of cedar wood to help keep up the heat. It takes something to do it this winter.

The open Grange meeting that we spoke of in our last budget came off all right and was a very good success in spite of it being the coldest night for many a long day.

Mr. H. C. Duff District Representative of the Dept. of Agriculture at Markdale, and Mr. Thos. Binnie of Bunnessan were present and gave us good addresses, the former on Egg Circles and the latter on Poultry and Poultry Houses. So if we benefit by what they told us we

we will have more eggs and get a good deal better price for them. The Grange Glee Club enlivened the meeting with several well rendered selections.

Mrs. M. Allen and baby spent last week with Mrs. Allan's mother, Mrs. James McLaughlin of Varney.

J. W. Blyth has taken the agency from the Page people again. They now handle a great many things outside of wire and iron fences. You had better call and see him if you want Bargains.

We are pleased to see Miss Mamie Mountain around again after her sick spell.
