AND TERRIBLE SICK HEADACHES

Both Completely Cured by "Fruit-a-tives"

DRESDEN, Ont. July 17th, 1910. "I was a dreadful sufferer for many years from Sick Headaches and Biliousness, or Torpid Liver. I tried many remedies and physicians, but nothing seemed to do me any good. I finally used "Fruit-a-tives" and after the first box, I was so much better that I continued using these fruit tablets and they have entirely cured me.

"I certainly can recommend "Fruita-tives" to anyone who suffers from Headaches, Biliousness or Stomach Trouble." MRS. ISAAC VANSICKLE.

Thousands of people have had the same experience as Mrs. VanSickle. They have tried doctors and taken all sorts of medicine, only to find that "Fruit-a-tives" is the one and only remedy that actually cures these troubles.

"Fruit-a-tives" is the only medicine in the world made of fruit juices, and is the greatest Liver Cure ever discovered. It acts directly on Liver, Kidneys and Skin-sweetens the stomach and purifies the blood.

BLYTH'S CORNERS.

Since writing our last week's budget, in which we mentioned the serious illness of Mrs. Torry, the grim messenger of death visited relieved the sufferer of all pain.

The deceased lady has been resident of this locality for a long number of years, living on their farm up until about three years ago, when the farm was sold, and since that time has resided with her daughter, Mrs. Alex. McVain. The deceased was of a quiet disposition, a kind and generoushearted neighbor. Her husband, John Torry, predeceased her a number of years ago, and she leaves to mourn the loss of a kind mother, two daughters, Mrs. Robt. Lewey, and Mrs. Alex. McVain, and two sone, Russell and Clark, both in the west. The remains were laid to rest in Maplewood cemetery on Monday, March 25th.

Mr. James Moore's sale on Friday was a splendid success, both for crowd, and high prices. Mr. Robt. Brigham is certainly quite an adept in pulling out long prices.

Mr. Victor Caisley, who has pation with a clear conscience if been our right hand man for the past six years by the 1st of April, has engaged with Mr. James Blyth has been under the Barnardo Home supervision, and we are quite convinced that if he is a fair sample of the boys they are bringing out from time to time, the Home certainly is doing a lot to help solve the labor problem. Victor has proved himself to be an excellent lad, willing and truthful, and will leave a gap pretty hard to fill in by "the old man." We predict for Victor a bright future. He leaves to-morrow.
