DRAINAGE PROBLEMS.

The last regular meeting of the Glenelg Centre Farmers' Club was held in the township hall on the 9th of April. On account of the floods many were kept away, but a goodly number were present and were rewarded by hearing a good address by Mr. Alf. O'Neill. He spoke on Drainage, and told how and what effect this would have on the soil. He showed that the crop would be in the ground a great deal earlier in the spring, and that in some cases crops could be raised where none are now raised. Drains should be laid deep enough to escape the frost and thick enough to take all the surplus water out of the soil. The farmer does not have to use his own money to drain his own fields, for he can get money from the township councils if he applies for it. This is not given as a gift, but as a loan, which is to be paid back in instalments, with a small rate of interest. This enables the farmer to get the drainage done and allows the drains to pay for themselves. There are many places that need draining and it will pay farmers to do so. If the field is one that the lane goes through, it may pay to drain the field so that the young men will not get mired when they come to see the daughters.

The next meeting will be on the 30th of April, when the Agricultural Representative for the County, Mr. Hugh C. Duff, will address the meeting. This should be a good meeting, and a good turnout is expected, even if it is in seeding.

ORCHARD.

From our own correspondent. Spring is coming, but it seems in no particular hurry about it. A few of the farmers here have started to plough, but report considerable frost still in the ground. Mrs. Jos. Blyth returned on Wednesday from Preston, where she spent the holiday visiting her daughters.

The flood of Easter Sunday did not forget to visit this neighborhood, as well as the rest of places. Mr. Peter Cornish's bridge across the river, which was erected last fall, was taken away, also the bridge at Dadds' Mills, and about one hundred feet of the mill dam was washed away also. Mr. Dadds' customers have circulated a subscription list to raise money to assist him in repairing the dam at once, which was very heartily responded to, and already a goodly sum has been contributed.

Miss E. Eddington returned on Wednesday to Toronto, to resume her studies at business college.

Those from this vicinity who will assist on the program at the Shredded Wheat Banquet at Holstein are Mr. W. Dickson, little Misses Ferne and Thelma Brown, and Miss L. Bradley.

Mr. Arthur Gadd, who has been assisting his brother-in-law, Mr. A. Pettigrew, left Tuesday for Brandon, Man.

Mrs. Nichol, of Galt, is visiting her daughter, Mrs. J. Kirby.

Fall wheat looks fairly good, in this locality, considering the hard winter.

The Easter services, which were special for the Sunday school children, were not as much of a success as was anticipated, owing to the unfavorable condition of the roads, and weather, and those south of the river were unable to attend on account of the bridge having been swept away.

The Misses Hoeflin, of Toronto, visited the parental home here last week.

Mr. James Edwards is vacating the old hotel.

Some of the neighbors in this part are busily engaged in making maple syrup, and report a good run of sap.
