GLENELG FARMERS DECIDE

IT IS BETTER TO BE SINGLE. It was decided that it was better to remain single than it is to get married, at the meeting of the Glenelg Centre Farmer's Club on June 10th last. At least that is the decision the judges gave of the debate on that subject. Those who supported the single side of the question were John O'Neill and Wm. Keating, and owing to his partner dropping out at the last moment, President Binnie had to take the whole burden of the married men and women. It was a good debate, and appreciated by the two hundred who were present to hear it.

Songs were sung by Messrs. Wm. Keating and T. H. Binnie, and Miss Flossie McVicar. This was Miss Flossie's first appearance on the platform, and she did very well. We expect to hear her again.

So far, the Club have bought their grass and clover seeds, their seed corn, and have made arrangements to buy their fence wire at wholesale rates. They have a library for the use of the members and have 105 paid members.

A picnic will be held in Mr. Arch. McMillan's bush on July 1st, and all are expected to attend, and spend the holiday in proper style. The admission fee will be 25c., but the show will be worth \$1.00.

Each age of our lives has its joys. Old people should be happy, and they will be if Chamberlain's Tablets are taken to strengthen the digestion and keep the bowels regular. These tablets are mild and gentle in their action and especially suitable for people of middle age and older. For sale by all dealers.

PRICEVILLE.

Monday morning, June 17th, was fine, with a slight frost, but none to hurt.

Crops are beginning to pick up now since the rains are not so heavy. Hay is going to be later than last year, as there are no signs of it heading out yet. In some places it is going to be a good crop, but in many instances it will be light.

Fall wheat is going to be later than last year, and is not as good a crop as was expected—but fairly good in general. A large quantity of buckwheat is sown this year on account of so many places being too wet for other crops. Some of the farmers only got their grain crop in a week or ten days ago, as they thought, although late, it was better late than not put in at all.

Finley McCuaig, son of Mr. Arch McCuaig, of Top Cliff, met with a rather painful accident one day last week. While in the act of hauling out manure, and coming back from the field, the lines got under the tongue of the wagon and he walked up between the horses to take them off. While in that position, the horses took fright and ran away, throwing the young man under the horses' feet. The wagon ran over him, causing severe bruises, from which he is under Dr. Lane's care. He is doing as well as can be expected under the circumstances, and we hope to see the young man around again in a short while.

Mrs. Wm. McLeod, jr., who was laid up for a month or more, is able to be about again but she is not very strong yet.

Mrs. Kipp, a lady from Toronto, will lecture in the Presbyterian church here next Sunday morning at eleven o'clock. She speaks for the women societies in Ontario.

Sacrament will be administered in the Presbyterian church here on the last Sunday in June, at the usual hour. The individual cup is to be introduced for the first time in the history of the church.

Mr. Hugh McKechnie has bought Mr. Aldcorn's goods in this town and will be getting possession of them later on. We hope that Mr. McKechnie will receive good patronage in his undertaking.

Miss Jean Walker, of Toronto, spent a short time visiting her aunt's here, Mrs. N. McKinnon and Mrs. Alex. Muir, of Ceylon.

Died.—At the residence of Mr. Don. Campbell, north line, on June 10th, 1912, Seth Cole, well-known for many years in Durham and Flesherton. He ran stage for Mr. Trimble for some years. His remains were taken by his friends to the States for burial.

The entrance examinations were held in this place during the past week for this section of the county. A number were writing, and we hope they will be successful.

Mr. Alex. McLeod is getting near completing his mill dam, which was partly taken by the spring freshets.

Mr. Arch. McCuaig is preparing to build a silo this summer. A large quantity of corn was sown this spring, as it is feared other feed will be scarce.

The Rev. Mr. Leece, of the Methodist church, was away to Conference during the past week or two. Sheep shearing is rather late this year, as we see a large number of sheep unwashed yet.

Hotelkeeper McGrath put in a new piano lately into his residence and Mrs. Conkey put one in also. There will be music galore in town now.

A number will be taking in the excursion to Guelph this week.

Dr. Ghent, of Seattle, son of the late Dr. Ghent, of this place, visited his old home here for a couple of days last week. The young Dr. is Senator at Seattle, and was born at Priceville 41 years ago.

When your child has whooping cough be careful to keep the cough loose and expectoration easy, by giving Chamberlain's Cough Remedy as may be required. This remedy will also liquify the tough mucus and make it easier to expectorate. It has been used successfully in many epidemics, and is safe and sure. For sale by all dealers.

ABERDEEN.

Alex. Morton is doing some carpenter work for Gibson Collinson of Ceylon, this week.

Mrs. Duncan McLean, accompanied by her mother, Mrs. McArthur, of Edge Hill, are visiting relatives in Saugeen and Bruce, for a few days.

There is a lot of corn being planted here this spring. Crops are looking fine. Fall wheat is beginning to head out and is looking well. A lot of the hay meadows have been hurt some with the frosts, but with a few showers will be an average crop.

James Ewen was up to Owen St'd as a jurymen last week.

Mrs. Hind, of Durham, was visiting her old home here for a few days last week.

Duncan McLean is a very busy man these days. He is remodelling his stables, putting in stalls, stanchions and litter carrier. When completed, he will have one of the best barn and stables in the township.

Neil Clark has been improving the appearance of his farm by erecting a wire fence along the front of it.

James Clark, from the township of Saugeen, was visiting his sister, Mrs. J. W. Smith, one day last week.

A sprain may as a rule be cured in from three to four days by applying Chamberlain's Liniment and observing the directions with each bottle. For sale by all dealers.

There is no use trying to get away from the fact that it takes all kinds of people to make an interesting world. A St. Louis man is suing for divorce because his wife refused to introduce him to his mother-in-law.—Toledo Blade.
