"Fruit-atives" Performs Another Miracle

BRISTOL, N. B., JULY 25th. 1911 "I had a stroke of Paralysis in March 1910, and this left me unable to walk or help myself, and the Constipation of the Bowels was terrible.

Nothing did me any good and I was wretched in every way.

I then took "Fruit-a-tives" for the Constipation and it not only cured me of this terrible trouble, but gradually this fruit medicine toned up the nerves and actually cured the Paralysis. By the use of "Fruit-a-tives", I grew

stronger and stronger until all the Paralysis and weakness left me. I am now well again and attend my store every day. I say "Thank God for Fruit-a-tives"
