Writing Copy for the Press

The old instructions to persons writng for a newspaper to write on one side only is being enlarged. Some writers begin too close to the top of the page, leaving no room for instructions to the printer. Others leave too little space between the lines. Others ance on Saturday last he was watched run long corrections and additions and when being searched as he was a- round the margins of the page, or bout to leave the building no less than over to the other side; the right plan 41 eggs were found in his spacions being to cut the page in two at the pockets. This was too much of a good point where an extensive addition is being made, and put this addition on

All these habits are probably trasame reason for the habit of crossing a letter, writing across the page first from left to right, and then from top to bottom. Bad handwriting is another source of trouble, but this cannot always be helped. Not everyone is gifted like the present writer, with the faculty of writing copperplate .-Editonal from Toronto Star Weekly.
