HOW THE PRESIDENT IS ELECTED.

The President of the United States is elected, not by a direct ballot of the voters, but by 531 persons, who form what is called the "Electoral College." These 531 are elected by the different States, in proportion to the population; for instance New York being a populous State sends 39 to the Electoral College; Kansas, 10; California, 10; Pennsylvania 34, and so on; in all there are 531 votes in the College. There are eight states sending 100 votes to the College that have never gone any other way than Republican, and eleven others with 120 votes that have only departed once from the party ticket. On the other hand, thirteen of the southern States, sending in 137 votes, or one-third of the whole College, always go Democratic. If the Missouri delegates go Democrat, that will add eighteen more. Generally speaking, the Republicans have a good majority on the Electoral College. The members of this Electoral College are elected by the people in their respective states and cast their votes for president and vice-president on the second Monday in January following. They have no discretion, but are chosen under a pledge to vote for a particular candidate—a pledge which since 1794 has never been violated. The results of these votes are then forwarded, sealed, to the president of the Senate, and are by him opened and counted in the presence of both Houses of Congress, and the result declared on the second Wednesday in February. A majority of the whole number of electors is necessary to elect. If no person have such a majority, the president is chosen by the House of Representatives, voting by states, and the vice-president is chosen by the Senate.

For soreness of the muscles, whether induced by violent exercise or injury, there is nothing better than Chamberlain's Liniment. This liniment also relieves rheumatic pains. For sale by all dealers.

It's War to the Death on the Fly.

—Gray in Atlanta Constitution.

PERSONAL.

Mrs. J. T. Collyer, of Guelph, is visiting her mother, Mrs. Eva. Miss Annie Mason, of Merlin, is visiting her aunt, Mrs. A. Beggs. Mr. R. G. McGill, ex-C.P.R. agent at Ceylon, was in town Tuesday. Mr. Herb. Livingston was in town Tuesday on business.

Miss Sarah Jack returned to Toronto, after visiting relatives in town and vicinity for a month.

Miss Katie Clark, teacher at Cochrane, New Ontario, is visiting friends in town.

Mrs. Connors, and little son, of Merlin, are visiting her mother, Mrs. A. Beggs.

Mr. Erben Whitmore, of Chicago, is spending a few days with relatives and friends in town.

Miss Norma Darling, of Simcoe, is visiting her father, Mr. John A. Darling, here.

Mrs. Handforth, and baby girl, of Toronto, are visiting her parents, Mr. and Mrs. James McNally.

Miss Sadie Ferguson, of London, is visiting her little friend, Flora-bell Nichol, at the Middaugh House.

Miss L. McAuliffe was in Toronto on Monday and Tuesday, buying a large stock of fall millinery.

R. R. Hopkins, M. D., Inspector of schools, Toronto, is visiting with Rev. and Mrs. Hartley, at the rectory.

Mr. W. H. Bean, is spending a couple of weeks at Preston Springs to secure relief, if possible, from his rheumatic trouble.

Mr. Ernest Wright, and "Dooley" McComb, of Toronto, were visiting town friends from Friday till Monday last.

Mr. Wm. Livingston, of Chatham, formerly of the Standard Bank staff here, was in town over Sunday.

Mr. John Swinburne returned from the west on Saturday, and has accepted a position in Hanover.

Miss Kathleen Grant, stenographer and typewritist, has accepted a position in the office of the National Portland Cement Co.

Mr. Harold Moffat, of the Owen Sound Advertiser, in company with other Owen Sounders, passed town Tuesday, on their way to Mt. Forest, where they took part in a bowling tournament.

Mrs. C. E. Seymour returned last week from a seven weeks' visit to New York, and other cities. She intends to return to Shanghai, China, about the first of September.

Rev. Mr. Ferguson, of Mildmay, was in town over Sunday, to renew acquaintanceship with the members of his congregation here about twelve years ago. He is looking well, and doesn't appear a day older.

LANGUID people are sick people. They lack vitality and resistive power. Scott's Emulsion brings new life to such people—it gives vigor and vitality to mind and body. All Druggists. Scott & Bowne, Toronto, Ont. 12-9

GOLDEN WEDDING

Mr. and Mrs. George Whitmore have crossed the half century mark in their Wedded Life

On July 12th, Mr. and Mrs. Geo. Whitmore quietly celebrated their Golden Wedding at their home on George street.

Mrs. Whitmore's maiden name was Ellen Davis, daughter of the late Matthew Davis, and was born near the city of Quebec in the year 1835. Mr. Whitmore was born at Smith's Falls, in the year 1836. They were among the earliest settlers of Durham, having come with their respective parents in 1848.

They were married fifty years ago, in the English church, by the Rev. Mr. Haines. The union resulted in six children. Mrs. F. Haven, Portland, Oregon; Mrs. T. Corbett, Toronto; Mrs. Schutz, Durham, and Herbert, Arthur and Eliza, deceased. Besides the family, there are seven grandchildren. The aged couple have been continuous residents of Durham, with the exception of the first three years of their married life, which they spent at Haywards Falls, Glenelg. They are still quite active, and enjoy fairly good health.

Mrs. Schutz, and their grandson, Erben Whitmore, of Chicago, were the only members of the family able to be present for the occasion but congratulations and kind remembrances were received from each of the absent ones.

SILVER WEDDING

Mr. and Mrs. John Crutchley honored by their friends.

On Saturday night last, Mr. and Mrs. John Crutchley were married twenty-five years, and a number of the employees under Mr. Crutchley's foremanship, decided to honor the happy couple on the advent of their silver wedding day by a suitable address and presentation.

The following address was read by Mr. George Lloyd, and the presentation was made by Mr. Archie McPhee:

To Mr. John Crutchley.

Dear Sir,—We, the undersigned employees, representing the Durham Cement Company, under your foremanship, have learned with pleasure that to-day is the 25th anniversary of your marriage. We wish to mark this interesting milestone in your journey through life by extending to yourself and Mrs. Crutchley all the expressions of goodwill suitable to such an occasion, and hope you may both be spared to celebrate your golden wedding, still retaining, as you have now, the love and affection and regard of your many friends. As a visible memento of our goodwill, we ask your acceptance of these gifts, hoping you may both be long spared to use them.

Signed on behalf of the employees of the Cement Co.—Arch. McPhee, John McQueen, George Lloyd. Mr. Crutchley expressed his thanks, and hoped the harmony so long existing would be continued.

A MARTYR TO HAY FEVER

"Fruit-a-tives" Cured After 15 Years' Suffering

CORNWALL CENTRE, ONT., NOVEMBER 27th 1911. "I was a martyr to Hay Fever for probably fifteen years and I suffered terribly at times. I consulted many physicians and took their treatment, and I tried every remedy I heard of as being good for Hay Fever but nothing helped me.

Then I heard of "Fruit-a-tives" and decided to try them, and I am thankful to say that this remedy cured me completely.

To every sufferer from Hay Fever, I wish to say—"Try Fruit-a-tives". This medicine cured me when every other treatment failed, and I believe it is a perfect cure for this dreadful disease—Hay Fever"

Mrs. HENRY KEMP. The real cause of Hay Fever is poisoned blood, due to the faulty action of the bowels, kidneys and skin. "Fruit-a-tives" cleans the blood by regulating bowels, kidneys and skin—and thus relieves the excessive strain on the nervous system. Try "Fruit-a-tives". See a box, 6 for \$2.50, trial size, 25c. At all dealers or sent on receipt of price by Fruit-a-tives Limited, Ottawa.

ORCHARD.

Mr. James Brown returned from Wilcox, Sask., looking as if the west had agreed with him.

During the severe electric storm which passed over this locality last week, lightning struck Mr. Chas. Wilson's house, knocked the chimney off at the roof, and came down the stovepipes, shattering them. Both Mr. and Mrs. Wilson were stunned. Mrs. Wilson's nerves were so much shattered she had to remain in bed for some days.

Miss Emily Eddington has returned from Toronto, to remain during the warm weather.

Several from this locality celebrated the glorious twelfth in Mt. Forest, and report a very large crowd.

Mr. Chas. Nelson returned last week from Regina, Sask. He witnessed the cyclone which passed over that city, and he doesn't think it a very pleasant experience.

Rev. Mr. Ward, our new minister, preached a rousing sermon last Sunday.

A number of gentlemen from a city to the south of us, were taking a pleasure trip by automobile on the 12th, and just south of the village, when they were going at a pretty high speed, the auto and occupants came to grief. We didn't learn just how it happened, but the auto now lies on the side of the road, with the engine badly smashed, and other parts broken. Two of the men were badly cut about the face. A livery was phoned for, and they were conveyed to the station, to take the afternoon train south. Rather a sorry ending to a pleasure trip, but then it's never safe to be out on skates.

Mrs. Pinder, and Miss Maud Jasper, of Teeswater, spent Wednesday with Miss Lulu Bradley.

Mrs. E. Duffus left Monday for her home in Saskatoon, Sask.

Buy it now. Chamberlain's Colic, Cholera and Diarrhoea Remedy is almost certain to be needed before the summer is over. Buy it now and be prepared for such an emergency. For sale by all dealers.

HAMPDEN.

A few from around this little burg took in the excursions to Owen Sound and Mt. Forest, and report a very pleasant trip.

Miss Rebecca Park, of Red Bridge, who was home from Cincinnati for her vacation, returned to her duties last Thursday.

Mrs. Alex. Anderson is visiting at present with her brother at Hillsburg.

Mr. Angus Mearns, of Toronto, is spending a few weeks with the Mearns family.

Mr. and Mrs. Thos. Young went to Chesley for a day or two.

We congratulate Miss Janet Kerr and Miss Isabel Fulton on their great success in their recent examination in music. Hampden should soon have all the music that is required.

Congratulations to Mr. and Mrs. Wm. Willis, in their new life of matrimony.

A first-class garden party will be held at the Hampden School house on the 26th of July. Come one and all and enjoy yourselves, as everything is being prepared to make the night a success. Come from far and near—never heed the distance—only think of the good time you will have when you get there. Ladies are requested to bring refreshments. Admission 10c. and 15c.

Parker's Bug Killer... (For the Potato Bug)

THIS is the only preparation that has proved good where others have failed. Easy to apply—No water to carry, and better for the plants than Paris Green. Now is the time to apply it when the plants are showing up. Good for Cabbage Plants, Berry Bushes, Turnips, as well as the Potatoes. The only preparation that acts as a Fertilizer as well as an insecticide.

GUN'S DRUG STORE G. T. R. Town Ticket Office

Hardware!

"Victrolia" Gramophones

We are always adding something to our already large stock of goods which will satisfy the taste of our numerous customers. Last week we were appointed agent for the celebrated Berliner "Victrolia," Gram-o-Phone, and Records. This week we have placed in our store a few samples of "Victrolias" and Records. Call early and select what you want in that line.

We have one of the greatest Tool-Grinders, we, think, that has ever been manufactured, and a look at it will not hurt your feelings a particle. We also have in stock a great selection of Hay Rakes, Scythes, Grain Cradles, Scythe Stones, Sections, Guards, Heads, and Machine Oil
