HANDSOME SHIELD FOR HANOVER LACROSSE TEAM.

Hanover, Oct. 31.—The members of the Hanover Lacrosse Club, winners of the junior championship of the C. L. A. this year, were made the recipients of handsome shields at the hands of the citizens of the town in recognition of their prowess on the playing field.

The function took place in the basement of the library building. Mr. H. H. Miller occupied the chair and made a few graceful remarks to the boys, after which he called on Alderman C. H. Withun, who helped materially in arranging for the gift to the boys, to present the shields to the victors.

The shields were designed by Mr. J. S. Knechtel, and were made of oak finished in mission. The shields are embellished with a silver plate with figures of two lacrosse players in action, and a smaller plate underneath bears the player's name and position. It is really a handsome ornament, both in design and conception.

At the conclusion of the presentation the boys were the guests of Mr. Herbie Henning, the club's goal keeper, at dinner at his home, where an enjoyable evening was spent.

At the conclusion of the supper, G. H. Mitchell, who acted as chairman, presented the members of the team with signet rings, which were purchased out of the club's treasury.

The chairman read a letter from Rev. G. Marshner, the honorary president of the team, who expressed his regret that owing to illness he was unable to be present, but hoped the boys would have a jolly evening and continue to win championships.

Rev. Mr. Marshner has always taken a keen interest in lacrosse here, and his influence has been for good in athletic circles. The boys appreciate his interest, and think that as honorary president he couldn't be beaten. They are very sorry that he is leaving Hanover to take another charge in the United States.—London Free Press.

A HANDSOME BRIDGE. The new C. P. R. bridge about to be flung across the Sauguen at the bend near Walkerton will be an exceptionally fine one. The structure, which is being brought from Peterboro, is a \$27,000 steel one, a three-span affair, which will be placed on two massive cement abutments, and will be able to withstand the spring freshets without recourse to the old dynamiting bombardment. It is expected that the old spike bridge will be removed and the new one in place before winter.

PILES

Nothing known to Science is better for this painful ailment than Zam-Buk. It reduces inflammation, stops bleeding, ends the agony. Easily applied and cleanly. Why go on suffering? Why not try it? Read the following cures.

Some Proofs of Zam-Buk's Power.

MR. THOMAS J. HOGAN, Champion Clog Dancer of Canada, 59 Chambord Street, Montreal, writes:—

"For some time past I have been troubled with Piles, but this year I suffered so much that I was obliged to cancel a number of engagements. I tried all the so-called remedies that were recommended, but they seemed to do me no good. Having been advised to try Zam-Buk, I purchased a fifty-cent box and after applying it a few times I felt marked relief. I continued with the Zam-Buk treatment and the relief was extended into a permanent cure.

MR. WILLIAM KENTY, of Upper Nine Mile River, Hants Co., N. S., says:—"I suffered terribly from Piles, the pain at times being almost unbearable. I tried various ointments but all failed to do me the slightest good. I was tired of trying remedies when I heard of Zam-Buk, and thought as a last resource I would give this balm a trial. I procured a supply, and after a very short time Zam-Buk effected what several other ointments and medicines had failed to effect—a complete cure."

Zam-Buk also cures ECZEMA, BLOOD POISON, ULCERS, COLD SORES, CHAPPED HANDS, SCALP SORES, CUTS, BURNS, BRUISES, SCALDS and all SKIN INJURIES and DISEASES. All druggists and stores, or Zam-Buk Co., Toronto, post free for price. Refuse harmful substitutes.
