How To Tell if Your Hair is Diseased.

Even if you have a luxuriant head of hair, you may want to know whether it is in a healthy condition or not. Ninety-eight per cent. of the people need a hair tonic.

Pull a hair out of your head, if the bulb at the end of the root is white and shrunken, it proves that the hair is diseased and requires prompt attention if its loss would be avoided. If the bulb is pink and full, the hair is healthy.

We want everyone whose hair requires treatment to try Rexall "93" Hair Tonic. We promise that it shall not cost anything if it does not give satisfactory results. It is designed to overcome dandruff, relieve scalp irritation, to stimulate the hair roots, tighten the hair already in the head, grow hair and overcome baldness.

It is because of what Rexall "93" Hair Tonic has done and our sincere faith in its goodness that we want you to try it at our risk. Two sizes, 50c. and \$1.00. Sold only at our store-The Rexall Store, Macfarlane & Co.

DANGERS OF LYING IN BED.

Lack of muscular exercise is the first result of lying in bed. As a result, the appetite is weakened, the digestive action slows down, and the muscles of the stomach abdomen cease to act upon the intestinal mass. When the body is in a recumbent position the heart works with the least expenditure of effort and the least fatigue, and the circulation and the functional activity are decreased.

But unless the subject is exceptionally vigorous all the benefits are counterbalanced by dangers. In bed, the subject is shut away from fresh air and sunlight. The result of that deprivation is a condition similar to anaemia. But the supreme menace to the weak or the aged confined to bed is the clogging of the pulmonary circulation an action which frequently results in passive congestion, of both sides of the lungs. For this reason the simple fracture of a bone may be the cause of death, because when the patient lies in bed there is no movement of the muscles to act as an incentive to deep breathing.

Norway is buying heavily of wild animal traps made in the United States.

DISUNITED CHRISTIANITY.

The reported proclamation of a holy war by the Sheik-ul-Islam, the head of the Mohammedan hierarchy has brought from Cardinal Farley a statement on the expected attitude of the Christian nations in the event of such a serious outcome of the Balkan war. "Since the pope has lost the temporal power," said his eminence, "there is a lack of cohesion among the Christian nations, and it is absolutely impossible for me or anyone else to figure out what their attitude will be."

"Strictly speaking, there is no such thing as the attitude of the Christian nations at all. Each nation has its own attitude, and that is so bound up with its own ambitions that none of them acts from the point of Christianity at all. They are Christian nations merely in the sense of the people being for the most part Christians, but not in the sense of international relationships."

BEWARE OF BLOOD-POISON

Zam-Buk Is A Sure Cure.

Mr. Jas. Davey, of 786 Ellice Ave. Winnipeg, says: "A few months since I was cured of a poisoned finger through the timely use of Zam-Buk."

"I cut a deep gash across the knuckle of the first finger of my right hand in opening a lobster can. I suffered at the time with the soreness and pain, but had no idea it would become a serious wound. However, in about two days I was greatly alarmed, as my whole hand and arm to the elbow became suddenly inflamed and the finger was much discolored showing signs of blood-poisoning. The pain was dreadful and I was forced to leave off my work and go home."

"The wound on the knuckle had been poisoned by dust and dirt getting into it. I then decided to start the Zam-Buk treatment, and having first bathed the cut, I applied the healing balm. It soothed the pain almost instantly, and by the next day there was a great improvement."

"In a week's time, through perseverance with this wonderful preparation, a complete cure was brought about."

Zam-Buk is just as good for eczema, ulcers, scalp sores, abscesses, piles, ringworm, boils, varicose ulcers, running sores, cold sores, chapped hands, etc. It draws all poisonous foulness from a wound or sore and then heals. Use it, too, for cuts, burns, bruises, and all skin injuries. Zam-Buk Soap should be used in conjunction to the balm for washing wounds and sore places. Excellent, too, for baby's bath.

All drug stores and stores sell Zam-Buk at 50c. box and Zam-Buk Soap at 50c. tablet. Post free upon receipt of price from Zam-Buk Co., Toronto.

BACK FROM THE NORTH AFTER TWELVE YEARS.

Ottawa, Nov. 15.-There arrived in Ottawa to-day a gentleman, until a few weeks ago, had not seen civilization for twelve years. The visitor is Mr. C. Harding, Hudson Bay factor in the Great Slave Lake and Mackenzie River district.

Mr. Harding, accompanied by his wife, is en route for England to enjoy a year's holiday after spending twenty-three years in the trading service with the Indians in the far North. On the way out he paid a visit to the Hudson Bay Company headquarters at Winnipeg, but only remained there a few weeks. On his arrival at Edmonton he saw an automobile for the first time, and was so curious at the sight that he immediately chartered one for a trip around the western city.

Mr. Harding is manager of all the Hudson Bay Company's posts as far north as Fort McPherson on the Heel River. At this point there is a detachment of Royal Northwest Mounted Police. It is in the district where the party, including Lieut. Fitzgerald, lost their lives a couple of years ago while en route out to attend the coronation of King George.

"We receive our mail only twice a year," said Mr. Harding to the Canadian Press. "You will therefore understand that we are not very familiar with the doings of the outside world. Though the Dominion elections were held in September, 1911, the result was not known at Fort McPherson until March, 1912. News of the Titanic disaster, which occurred last April, did not reach us until the end of July. Our mails consist chiefly of letters and post cards, a newspaper being rather a curiosity in the far North. Newspapers are only received once during the year."

ORCHARD.

Here we are once more. Mrs. Con. Schenk, of Egremont, visited her mother, Mrs. J. Mark, one day recently.

The boys who took off some of the gates around this burg on Halloween returned them "with care" one evening last week.

Mr. A. Kellar, sr., has moved his family out to his residence in the village.

Mrs. J. Wilton, of Varney, visited her friend Mrs. W. T. Pinder, on Thursday last.

Mr. and Mrs. Julius Keller and little daughter visited the former's father on Sunday last.

Mr. Sam Neal has moved to his new home in the village of Holstein.

Miss Florence Mark and Miss Lulu Bradley attended the W. M. S. convention in Mount Forest on Thursday last.

A party of tourists were proceeding southward a week ago Sunday, and when they got as far as the river, lo! there was no bridge. They decided, however, to go through the water, and in doing so they got stuck, and if it had not been for Mr. Jacob Hoeflin, who came to their rescue, they might have been here yet. That bridge, oh that bridge! Many and varied have been the things said about it and the two councils which are responsible for it. Some of them wouldn't look well in print.

Mrs. Jacob Hoeflin, and daughter, Janet, visited the former's daughter, Mrs. Donald McIvride, on Saturday last.

We are sorry to learn that Miss Clara Hoeflin, who is at present with her sister, Mrs. McIvride, is not at all well. The Hoeflin family have been having their own share of trouble lately.

Mr. Chas. Wilson has leased Mr. Jacob Smith's farm, and Mr. Smith we learn intends to try life in the west next year.

The Orchard Christmas Tree will be held on the 20th of December in the church, and a box social is to be held in the school house on the 13th. That's a lot of things to happen in Orchard in one month.

Mr. C. W. McLellan has been re-engaged by the trustees of this section for another year.

TRAVERSTON.

Too late for last week.

The wild cat screeches of two or three threshing outfits are still to be heard in the vicinity.

Grandma Peart is seriously ill the past few days, and her daughters, Mrs. George Furneaux, Mrs. Robt. Milburn and Mrs. John Hudson, are assisting in nursing and caring for her.

W. R. Falkingham is expected home from the west this week. His father is busy these days buying a car load of horses for a lumber company in Newfoundland.

Never in the history of the present generation has the soil of old Glenelg been so saturated with water. And still there's more to follow.

Mrs. John Gray has been visiting at her daughter's home near Crawford the past week.

One of the oldest, most widely-known and highly respected of the early pioneers, passed away on Monday night, November 4th, in the person of Mrs. Thos. Anderson, of the 6th concession. Deceased, whose maiden name was Divina Brown O'Hare, was born July 19th, 1825, on the Duke of Buccleuth's estate, Dumfriesshire, Scotland. In early girlhood she was happily wedded to the late Thos. Anderson, who passed away over twelve years ago. In 1852, with four little children, they came out to Canada,

living for a time in Toronto, and later in Durham, but in 1856 settled on lot 19, concession 6, and resided there until the end of his life's journey. To them were born 11 children-Irving, of Glenelg Centre; Margaret, Mrs. Arch. Butler, who passed away over twenty-eight years ago; John, of Duluth George, died eight years ago; Isabella, Mrs. Geo. R. Simpson, Vancouver; Mary W., Mrs. J. Mantell, of Tillsonburg; James, Calgary; Martha, Mrs. Geo. Grant of Toronto; Lavina, Mrs. D. Simpson, of Vancouver; Alexander, of Dundurn, Sask.; Agnes, died infancy, and Thos. H., who resided on the old homestead. She suffered severely all summer, but the family have exhibited the tender love and devotion to the mother. Mrs. Anderson was a woman possessing more than ordinary activity, physical power, and bigheartedness. Her home was a most hospitable one always, and she ever proved the neighbor ready to help at every need. Rev. Mr. Matheson, of Priceville, pastor, conducted a most impressive service in the home and at graveside, a large concourse of kindred friends and neighbors showing their sympathy by following the remains to their last resting place in Zion cemetery on following Thursday afternoon.

Mrs. Wellwood was up from Toronto to attend her aunt's funeral and also to help to nurse mother. Mrs. Wm. Anderson, is far from well.

BRIDGE IS DESTROYED.

Zurich, Nov. 15.-A 30-horsepower traction engine, owned by Will Kalfass, went through the bridge on the Zurich road near the town last night, wrecking the structure and throwing Mr. Kalfass and assistant into the water. The engine is badly damaged. It took score of men to pull the engine out of the wreck. The accident will necessitate the building of new bridge, which will cost approximately \$500. A temporary bridge is being put up.
