THE POULTRY SHOW

The Durham and South Grey Poultry and Pet Stock Show on Wednesday and Thursday of last week, was a great success, both in the number and class of exhibits. This was the third annual show of the society, and every year so far, it has been growing better. Two years ago, there were about three hundred entries, last year the number reached about five hundred, and this year they made another jump up and reached five hundred and fifty. Outside exhibits came here from Hanover, Bolton, Listowel, and other places, yet, notwithstanding the competition, our local fanciers were able to capture a good share of the prizes. Poultry raising in Durham and vicinity has become a profitable and we think it should receive every encouragement. Many of the factory hands have engaged in the business, and they find it not only profitable, but a healthful recreation. They take much interest in spending their leisure hours amongst their feathered favorites. The raising of fowl and the cultivation of even a small garden will help to solve the problem regarding the high cost of living. The following is the prize list:

We had the telephone installed in our home on Monday, and it is proving itself a great convenience. Mr. Geo. Ritchie was seriously ill for a week with heart trouble, and has been advised by his physician to refrain from any strenuous exertions for some time. A number of neighbors met at his place on Monday, and cut up a fine pile of wood for him. Two years in the west has made Mrs. Archie Ector, who are spending the winter among their old neighbors here. THE JOY OF GIVING

"Tis more blessed to give than to receive," says the Good Book, and we are continually receiving letters that prove the truth of this maxim. Here's an extract that tells how the good work we are doing in the fight against Consumption appeals to every section of the community. A well-known citizen of Brantford writes: "On Christmas morning my boys gave me \$2.50 to get some present for myself that I wanted. I think you can use it to good advantage in your noble work in the National Sanitarium Association, so am enclosing it for that purpose." Doesn't it make you feel proud to know that there are Canadian fathers with the self-sacrificing instinct so strongly imbued in them? Isn't it good to realize that the rising generation is getting such a splendid example shown them? Last year it cost over \$62,000.00 to keep the Muskoka Free Hospital open. More money is urgently needed to provide for those seeking admission. The needy Consumptive is right at your door. Won't you help him to help himself? The smallest gift will be most acceptable. Just slip your contribution in an envelope to-day, while you think of it, addressed to Mr. W. J. GAGE, Chairman of the Executive Committee, 84 Sedgwick Ave.; or Mr. E. DUNBAR, Sec. Treas., 347 King West, Toronto, and experience the real joy of giving.

SHE FAINTED WITH THE AGONY

"Fruit-a-lives" Cured Her Kidneys MOUNTAIN, ONT., DEC. 14th, 1910 "I desire to let the world know the great debt I owe 'Fruit-a-lives' which saved my life when I had given up hope of ever being well again. For six years, I suffered from dreadful Kidney Disease. My legs and lower part of my body were fearfully swollen. The pain in my side and legs would be so bad that I would faint with the agony. Five different doctors attended me and all said it was Kidney Disease and gave me no hope of getting well. A kind neighbor visited me and mentioned the case of Mrs. Fenwick who had been cured of a sickness like mine. I took 'Fruit-a-lives' and in a short time, I began to feel better—the swelling went down—the pains were easier—and soon I was well. I have gained over 30 pounds since taking 'Fruit-a-lives'—and my friends look upon my recovery as a miracle." (Miss) MAGGIE JANNACK. "Fruit-a-lives" are sold by all dealers at \$3 a box, 6 for \$2.50, trial size, 25c.—or sent on receipt of price by Fruit-a-lives Limited, Ottawa.
