Sunday school work, and of their hospitality and sociability. Deep regret was expressed of their removal from the neighborhood, and as tokens of appreciation, they were asked to accept as slight mementoes, a Bishop robe, a beautiful hanging lamp, and small gifts to the family. Mr. Falkingham made a most feeling and fitting reply. Complimentary speeches were made by Messrs. E. W. Hunt, Jas. and Jos. Atkinson, W. J. Cook, Wm. Timins, your scribe, and others, all testifying to the worth and work of the different members of the family. Mr. Falkingham has been for nine years secretary-treasurer of the Sunday school, has been president of the League for years, and filled other positions of trust in the church. A night of song, music, games and feasting followed till after midnight, when the whole company linked and feelingly sang "Auld Lang Syne." It is eighteen years since the family came to the Falls. Part of the family move to Orchard this week. The rest will follow later on. They will be sadly missed in the neighborhood, but carry the good wishes of all with them.

WILL GIVE \$500 TO SICK READERS OF THE CHRONICLE.

Famous Scientist Who Originated the Now Wonderful "Home Treatment" Offers \$1.00 Package Free to Sick and Ailing

In order that every reader of The Chronicle who may not have heard of this wonderful "Home Treatment" may have an opportunity to test this celebrated medicine, the now famous scientist, Dr. James W. Kidd, offers to give absolutely free a full size \$1.00 package to five hundred readers of this paper, to prove the wonderful claims which have been made for it. In making this offer the scientist said: "I know that there are many people who have been suffering for years with some chronic disease and many of them have spent large sums of money seeking a cure. I know that these people hesitate about investing money in medicine because they have despaired of ever getting well. Thousands have told me that story and many thousands of the same people have told me afterwards that my treatment had cured them after doctors and everything else had failed. I want to prove to a limited number—no matter what the disease, no matter how long they may have suffered, no matter how blue and discouraged—that my treatment really and actually does accomplish the wonderful results that have been reported."

People who suffer from Rheumatism, Kidney Trouble, Stomach Trouble, Liver or Bowel Disorders, Catarrh, Bronchitis, Asthma, Chronic Coughs, Weak Lungs, Lumbago, Piles, Urinary Disorders, Female Weaknesses of any kind, the weak, worn-out, broken-down and despondent will be delighted at the effect of a few doses. This wonderful treatment creates a fine appetite and helps the digestive organs to carry on their functions as they should. It strengthens the kidneys, too, and drives rheumatism poisons from the blood as if by magic. That is why people who try it become so enthusiastic. Any reader of The Chronicle who will try this extraordinary medicine that has created so much excitement by its cures can obtain absolutely free a full \$1.00 treatment by simply filling in the coupon below or writing a letter describing their case in their own words, if they prefer, and mailing it to-day to James W. TRAVERTON.

Not having penned a budget since 1913 began, several most interesting items have consequently been neglected. Mrs. Harold Clark, accompanied by Master George and Missy Elizabeth, of Edmonton, is over on an extended visit to the Robson household. Mrs. Geo. Henry, of St. Helen's, arrived on Saturday to visit her mother, Mrs. E. Edge, her sister, her better half, and some of the old friends. Miss Mary Peart, of the post office, is away on a week's visit to relatives near Hanover. W. R. Wallace is "making good" in No. 5, and winning the good-will of both old and young. On Monday, January 6th, to Mr. and Mrs. M. Quillinan was born a bouncing boy. Mike is getting to be quite a family man. Miss Mary Pritchard, of Vandaleur, was the guest of Miss F. J. Hunt the first of the week. Miss Flo. Hunt came home from Durham on Saturday, where she had taken care of her auntie for a fortnight. Mr. A. Wright arrived home from Saskatchewan the first of last week, where he has been home-staying for the past two years. Mrs. Wright and family came down from Owen Sound on Saturday and joined him here. The family purpose to go west in the spring. Mr. and Mrs. Thos. Jack, and daughter Sarah, of Elbow, Sask., are visiting at Mr. Will Jack's at present, and among old neighbors. There was a big crowd at Mrs. John Colbert's sale on Tuesday afternoon of last week, and the prices realized were most gratifying. Mr. Rudd Matthews was auctioneer, and Manager Hughes, of the Royal Bank, is an adept in noting down the prices and names. Mrs. Colbert has rented her farm to Mr. Will Timmins, and left on Saturday to make her home with her niece, Mrs. Haeg, of Chicago, who, with her two children, have been with her for the past month. Mrs. Colbert has been a most kindly, helpful neighbor, and carries away the respect and sympathy of a wide circle of neighbors and friends. The home of Mr. and Mrs. W. L. Falkingham, of "Falls Farm," on Tuesday night of last week, was a scene of unusual bustle, noise, mirth and activity. Nearly seventy neighbors and friends gathered uninvited and took possession of the place, but were warmly welcomed by the genial host and hostess and family, though they were somewhat mystified by the visit. However, this was soon explained, when Mrs. W. J. Greenwood was called upon to read a most complimentary address, which spoke of the high esteem

and of their hospitality and sociability. Deep regret was expressed of their removal from the neighborhood, and as tokens of appreciation, they were asked to accept as slight mementoes, a Bishop robe, a beautiful hanging lamp, and small gifts to the family. Mr. Falkingham made a most feeling and fitting reply. Complimentary speeches were made by Messrs. E. W. Hunt, Jas. and Jos. Atkinson, W. J. Cook, Wm. Timins, your scribe, and others, all testifying to the worth and work of the different members of the family. Mr. Falkingham has been for nine years secretary-treasurer of the Sunday school, has been president of the League for years, and filled other positions of trust in the church. A night of song, music, games and feasting followed till after midnight, when the whole company linked and feelingly sang "Auld Lang Syne." It is eighteen years since the family came to the Falls. Part of the family move to Orchard this week. The rest will follow later on. They will be sadly missed in the neighborhood, but carry the good wishes of all with them. A couple of weeks ago, we received a copy of the North Battleford News, containing excellent cuts of the public buildings and some of the municipal officials. The one that interested us most was that of C. R. McIntosh, B. A., the gifted editor and writer. We notice that he was elected High school trustee, coming within three of heading the poll. The News is printed on extra good paper, contains a wide advertising patronage, ably written articles, all for the small sum of one dollar a year. We wish this Dornoch boy every success.

HYMENEAL HINTZE-ZINTER. A very pretty but quiet wedding was solemnized on Wednesday of last week in Zion Lutheran church here at three o'clock, when Miss Maritena Zinter, youngest daughter of Mrs. John Zinter, was united in marriage to Mr. John Hintze, of Stoford, Sask., formerly of Normanby. The bride was prettily attired. She wore a dress of white soiree silk, trimmed with lace, and carried a bouquet of orange blossoms. She was waited on during the ceremony by Miss Ella Goessel, of Kincardine, who was dressed in blue silk. Mr. Henry Hintze, a brother of the groom, also of Stoford, Sask., was groomsmen. After the ceremony was performed by Rev. H. Schultz, the wedding party, consisting of a few of the near relatives, returned to the bride's home, where a sumptuous dinner was awaiting them. The groom's gift to the bride was a fur-lined coat, to the bridesmaid a necklace, and to the groomsmen a tie pin. The gifts which they received from guests and friends in town are very valuable and numerous. The couple will be at home in Ayton till about March, when they will leave for their home in Stoford, Sask.—Ayton Advance.

A concrete milk-house makes milk worth more. PEOPLE are willing to pay more for milk that comes from a clean, sanitary dairy. In nearly every city such dairies charge from 50 per cent. to 100 per cent. more than others—and even then they can't supply the demand for pure, high-grade milk. You will get more value out of your cows if you properly cool and store the milk. Such milk is not only more wholesome—and therefore can be sold for a better price—it is also slower to sour than milk handled by ordinary methods. Ask for the free book, "What The Farmer Can Do With Concrete". IT will tell you how to build a concrete milk-house, and also describes scores of other uses for concrete around the home and on the farm. It is not a catalogue. Its 160 handsomely illustrated pages are devoted entirely to the subject—in which every progressive farmer is interested. YOU do not place yourself under the slightest obligation in asking for the book. We do not even ask that you agree to use cement. Just sign the coupon attached to this advertisement, or send your name and address by letter or post card, and the book will be mailed to you at once. Address, Publicity Manager CANADA CEMENT COMPANY LIMITED 513 Herald Building, Montreal. WHEN you buy cement, remember that the farmers of Canada have found that "Canada" cement is best.
