FISH STILL IN GALILEE.
The abundance of fish in the Sea of Galilee is to this day the wonder of travellers. Most of the fishing done by the Syrians involves the use of nets, probably identical in construction with those of the apostles, and the best evidence of the centuries being done with nets is to be found in the ease with which most of the fish may be deceived with the help of any bait, natural or artificial.

FOR CONSTIPATION.
A Medicine That Does Not Cost Anything Unless It Cures.
The active medicinal ingredient of Rexall Orderlies, which is odorless, tasteless and colorless, is a comparatively new discovery. Combined with other extremely valuable ingredients, it forms a perfect bowel regulator, invigorates the invigorator and strengthens the Rexall Orderlies are eaten like candy, and are notable for their agreeableness to the palate and their lack of griping or any disagreeable effect or inconvenience.

PA'S RESOLUTION.
Papa is the funniest man That I most ever saw; He came home the other night, And laughed and said to ma; "Well, I've quit smoking, yes, I have, I've chucked it up for good," And ma, she hugged him, saying, "Well, I didn't think you could."

All through supper time pa taked And preached to me and Bill About tobacco, and you bet He knocked it fit to kill, He told of awful things it does To livers, hearts and lights, And hardly let up long enough To eat a dozen bites.

"I've quit for good and all," says pa, "No nicotine for mine; I've shaken off the cruel yoke, And say, I'm feeling fine, The janitor can have my pipe, I'm done with it at last; No more the deadly weed for me, My smoking days are past."

Pa sat around awhile and read, And then he walked around, And every little while he yawned, And then again he frowned, He left the room, and stayed so long We thought he'd gone to bed, But, peeping in the hall, we saw Something round and red.

We sneaked in there, right easy like, And we'd not gone very far, When we found the little red light of pa's cigar.

Here is a message of hope and good cheer from Mrs. C. J. Martin, Boone Mill, Va., who is the mother of eighteen children. Mrs. Martin was cured of stomach trouble and constipation by Chamberlain's Tablets, after five years' suffering, and now recommends these tablets to the public. Sold by all dealers.

PLESHERTON.
The Presbyterian congregation held their annual business meeting on Thursday afternoon last. The very inclement weather kept some away, but there was a good meeting, and notwithstanding the meeting, and notwithstanding the months, the work of the congregation was shown to be well up, and the spirit of helpfulness prevailed.

The auditors' report showed the receipts on general account with nearly \$600, which, together with balance from former year, left a good balance on hand, after meeting all liabilities. On balance building account a balance of \$89 remained. The Ladies' Aid closed with a balance in general fund of \$166, and on organ fund \$300. The Sabbath school had a balance of \$142 and the Guild \$25.

The new minimum for minister's salary being \$1000, a resolution was adopted that this congregation assume 45 per cent. of the amount. This is the second advance of \$50 from this congregation within three years. The retiring members from the managing Board, Price Teeter, W. L. Wright and M. Ferguson, were re-elected. The secretary-treasurer, Joseph Blackburn, was re-elected. Mrs. Blackburn was re-elected organist

and choir leader, and Chas. Stewart and Geo. Cairns, auditors. At the meeting of the village council last week, the abstract of which was: Receipts.— Taxes \$2941.16; Legislative grant, \$2450; fire debenture, \$356.80; interest, \$2.30; sidewalk debenture, \$2,000; loans, \$5,248.55. Expenditure.—Salaries, \$7,750; printing, etc., \$43,700; law costs, \$40; roads and bridges, \$405.55; schools, \$1,388.10; fire protection, \$61; miscellaneous, \$1,217.50; sidewalk expenditure, \$1,887.94. Balance on hand, \$745.57. Public school: Receipts.—Including former year balance on hand, \$2,868.84. Expenditure, \$2,269.93. Balance on hand, \$598.91.

Holland Centre hockey team played a match with the team here on Thursday evening last, but the visitors weren't fast enough for the juniors here, who won with 9 to 3.

Rev. F. L. Brown, chairman of the Owen Sound District, and Mr. Parker, general financial agent of the church, met with the Quarterly Office Board of the Methodist church on Wednesday evening of last week. Mr. Parker presented the new method of financing, which is being largely adopted by church boards.

Artemesia council had no meeting on Saturday, owing to the severe storm and snow-blocked roads, through which the reeve and other members were unable to get out. On Sunday, the ministers were unable to reach all their out-lying appointments.

The late Wm. Jackson, of the Glen, whose death was reported in the Chronicle last week, made numerous friends here the short time he resided in this village. Miss Jackson has the sympathy of her old friends here in the loss she has sustained.

Mrs. P. Holman's numerous friends here deeply sympathize with her in her bereavement by the death of her son, George V., at Grand Rapids, Mich., where he was employed as a printer, and resided for some time. He leaves a wife and two children. The deceased spent his early years here, and grew up to manhood very highly respected.

In our report last week of the characters in the Merchant of Venice, played here, we overlooked Miss Iva Mitchell, as Jessica. She played her part well. The company have accepted an invitation to repeat the play at Eugenia, on Sunday, a student, Mr. W. Bremmer, a student, preached in the Presbyterian church on Sunday, and was much enjoyed. Rev. Mr. McLeod, a candidate highly recommended, will preach next Sunday.

Mr. Geo. Boyd, of Mt. Forest, paid his sons a short visit last week. Mr. Fred Karstedt, and sister Ella, were at Coldwater on a short visit last week.

Mrs. Corbett, accompanied by Mrs. Wright, returned on Friday from visiting her daughters at Drumbo. Miss Bell Henderson left on Monday for Moose Jaw, after an extended visit with her parents here.

Mr. A. Stanfield, of Toronto, paid a short visit to the home of councillor Blakely last week. Dr. Murray is spending a few days in the city this week. Miss Myrtle Blakely visited her uncle at Corbetton last week.

Mr. Will Crossley, who has been living in Toronto, paid his parents a visit last week, and left on Monday to take a situation at Moose Jaw, Sask.

Mr. W. Boyd, of Regina, is on a short visit with his cousins, J. and W. Boyd here. At the recent meeting of the county council, Mr. Thos. Henry was re-elected on the High school Board here.

Mr. R. H. Moore received the news on Monday of the death of Sunday of his cousin, Rev. Geo. W. Arnold, B.A., pastor of Knox Presbyterian church, Guelph. Mr. Arnold, who occasionally visited his relatives in this vicinity, was a very able preacher.

The Literary Society of the High school had relaxation from study and an interesting hour on Friday afternoon last, when for programme a town council meeting was presented. Miss Annie McMillan presided with dignity, and during the weighty deliberation, there was much that was amusing from the budding orators.

Mrs. W. A. Armstrong entertained a large company of young people at a skating party one evening last week.

COAL IS BURNING UNDER THE GROUND.
Grand Forks, N.D., Feb. 6.—Hundreds of thousands of tons of coal are being consumed in Western North Dakota by fires which are burning in undeveloped mines, and action will be taken by the State Legislature to halt this destruction of the State's natural resources. Evidence regarding the destruction of lignite coal by slow fires was received at a hearing yesterday to investigate the possibilities of the North Dakota coal. The State Geologist reported that there are approximately 32,000 square miles of coal beds in the state, with an estimated tonnage of 500,000,000,000 tons.

"The burning bluffs" along the Missouri river, and over the western part of the state are mentioned as far back as the expedition of the Lewis and Clark expedition, the oldest inhabitants declare that many of these burning bluffs, which are these burning bluffs, or lignite beds, have been smouldering ever since they came to the territory. Miners claim that the fires can be extinguished, and there is a movement on foot to turn the task over to an experienced engineer.

This is the season of the year when mothers feel very much concerned over the frequent colds contracted by their children, and have abundant reason for it, as every cold weakens the lungs, lowers the vitality and paves the way for the more serious diseases that so often follow. Chamberlain's Cough Remedy is famous for its cures, and is pleasant and safe to take. For sale by all dealers.

People who suffer from Rheumatism, Kidney Trouble, Stomach Trouble, Liver or Bowel Disorders, Catarrh, Bronchitis, Asthma, Chronic Coughs, Weak Lungs, Lumbago, Piles, Urinary Disorders, Female Weaknesses of any kind, the weak, worn-out, broken-down and despondent will be delighted at the effect of a few doses. This wonderful treatment creates a fine appetite and helps the digestive organs to carry on their functions as they should. It strengthens the kidneys, too, and drives them as they should. That is why people who try it become so enthusiastic.

Any reader of The Chronicle who will try this extraordinary medicine that has created so much excitement by its cures can obtain absolutely free a full \$1.00 treatment by simply filling in the coupon below or writing a letter describing their case in their own words, if they prefer, and mailing to-day to James W. Kidd, Toronto, Canada. No money need be sent and no charge of any kind will be made. At this offer is limited, you should write at once, in order to be sure to receive your free treatment.

Will Give \$500 to Sick Readers of the Chronicle.
Famous Scientist Who Originated the Now Wonderful "Home Treatment" Offers \$1.00 Package Free to Sick and Ailing

In order that every reader of The Chronicle who may not have heard of this wonderful "Home Treatment" may have an opportunity to test this celebrated medicine, the now famous scientist, Dr. James W. Kidd, offers to give absolutely free a full size \$1.00 package to five hundred readers of this paper, to prove the wonderful claims which have been made for it. In making this offer the scientist said: "I know that there are many people who have been suffering for years with some chronic disease and many of them have spent large sums of money seeking a cure. I know that these people hesitate about investing money in medicine because they have despaired of ever getting well. Thousands have told me that story and many thousands of the same people have told me afterwards that my treatment had cured them after doctors had given up. I want to prove to a limited number—no matter what the disease, no matter how long they may have suffered, no matter how blue and discouraged—that my treatment really and actually does accomplish the wonderful results that have been reported."

People who suffer from Rheumatism, Kidney Trouble, Stomach Trouble, Liver or Bowel Disorders, Catarrh, Bronchitis, Asthma, Chronic Coughs, Weak Lungs, Lumbago, Piles, Urinary Disorders, Female Weaknesses of any kind, the weak, worn-out, broken-down and despondent will be delighted at the effect of a few doses. This wonderful treatment creates a fine appetite and helps the digestive organs to carry on their functions as they should. It strengthens the kidneys, too, and drives them as they should. SAY, BOSS!
Is the price of local papers going up? That seems evident. Is the expected increase in postage the cause? That's but one cause. And what other reason would you give? The subscription is now the same as when we paid only six dollars a week for the same kind of help that now costs twelve dollars a week. Any other reason? Yes. We remember when eggs were ten cents a dozen, we now pay twenty-five; butter was ten cents, now we pay twenty-five cents; we got four-foot wood at two dollars a cord, and it is now five dollars, and so on, and so forth. Would you consider these good reasons for an advance in the price of the paper? Never looked that way at it, but your reasons are certainly convincing. I guess I had better renew before the rise.

BY AUTO TO KLONDIKE.
The American consul at Dawson reports the opening of the automobile stage line from White Horse to Dawson, a distance of 350 miles. The run will be made in one or two days, according to the weather. The stages took five to ten days when horse-drawn. The auto is a big thing for the Klondike, and has been used successfully when the thermometer registered 70 degrees below zero.
