

IRWIN E. Ho, and Proprietor.

DURHAM, FEBRUARY 27th, 1913.

POOR PEOPLE IN THE WEST

Last week we published a letter from a satisfied Western man, and the next day we picked up a copy of the Flesherton Advance...

"In conversation with a young man from the West last week he stated that there is far more poverty in the West than there is in Ontario. He also said that four out of five who go West fail to make good.

Our readers may take the above paragraph for what it is worth. We know for a matter of fact that some who never did anything in the east, went west and apparently made good. We know, too, that some who went west never developed into anything better after they got there.

Land speculators and speculators in town property make money fast some times, and some times they fail just as they do here. We sometimes hear of speculators in Toronto getting rich in a single deal, but Toronto has its paupers as well as its millionaires.

DURHAM POULTRY ASSOCIATION

The Durham and South Grey Poultry Association held their annual meeting on February 6th, in A. H. Jackson's offices...

The officers elected for the ensuing year are: Hon. Pres. R. J. Ball, M.P.; Hon. Vice Pres. D. Jamieson; Pres. W. Black; 1st Vice Pres. C. H. Oyns; 2nd Vice Pres. W. J. Ritchie; 3rd Vice Pres. C. W. Lang; Secy., W. A. McDonald; Treas., E. A. Hay.

EXCUSE ME!

You have heard, no doubt, of a fascinating comedy of this title that was played a short time ago in all the leading cities of Canada and the United States.

It caught and held the attention of the pleasure-seeking public from first to last, wherever it was presented. Nothing that ever appeared on the Toronto stage received wider publicity or more popular patronage.

The story is well illustrated with cuts made from real photographs of the actors in the play, and are true to life.

The Chronicle has always endeavored, by careful selection, to provide its readers with the best serial story obtainable, and we believe we have, as a general rule, succeeded.

THE LIBERAL CONVENTION

The annual meeting of the South Grey Liberal Association was held here on Friday afternoon last. The president, Dr. Mearns, of Hanover, occupied the chair, and discharged the duties very acceptably.

The attendance was fair, and the vacant seats may be partly accounted for by the unfavorable condition of the weather, and the state of the roads.

He scored the idea of there ever being an emergency, notwithstanding the contentions of Mr. Borden, Mr. Foster and others, and quoted remarks from Mr. Asquith and others regarding Britain's claim to naval supremacy and her ability to fight her own battles without aid from the colonies.

In his closing remarks, he paid a tribute to the ability of Mr. H. Miller while he was a member of the House, and felt that he was a much missed man in the questions before the Parliament.

feelingly to the death of Mr. Wm. Irvine, of Bentinck, and asked that a resolution of condolence be prepared and presented the family of the deceased.

He spoke briefly on the Banking system and the naval question, and expressed his belief that reciprocity, now a dead issue, defeated the party in 1911, but if the people had a chance to vote now on the naval question.

The addresses were very good, and quite temperate for political speeches. There was applause at different points, but to us it didn't seem like superfluous enthusiasm at any time.

GOLDEN WEDDING

A very interesting event took place at the home of Mr. and Mrs. Wm. Lawrence, Bruce street, on Friday, February 21st, when their children and grandchildren gathered together to celebrate the Golden Wedding of the esteemed couple.

The marital union resulted in an issue of four sons and four daughters, John and Joe, in Egremont; William, on the homestead; Thomas, in Welland; Mrs. Con. Ector, in Areola, Sask.; Mrs. Wm. J. McFadden, in Glenelg; Mrs. Wm. Ector, in Welland and Mrs. Wm. MacDonald, in Durham.

The address was read by Miss Nina McFadden, and the presentation made by two other grandchildren, Misses Elva and Gertie Lawrence. The following is the address:

To Our Father and Mother, Grandfather and Grandmother. We have gathered here to-day to mark an incident of importance in your life and ours, which occurred fifty years ago.

GOLDEN WEDDING

We heartily congratulate Mr. and Mrs. John Cornish, who celebrated their golden wedding on the 27th of January. In doing so we are simply voicing the feeling of the many friends, relatives and acquaintances of the honorable couple who resided in this locality for more than forty years before moving West in 1904.

"Wednesday of last week Mr. and Mrs. John Cornish, of Lumsden, celebrated the fiftieth anniversary of their wedding. Fifty years of married life is but a short time in the allotted span of life when looked back at by the principal participants, yet it is a long way ahead when one begins to think about it.

"My father then took me thirty miles to see a well-known doctor. He photographed the arm and hand. This photograph was sent to a New York hospital to the specialist; but they sent word they could do nothing further for me, and I was in despair.

"One day a friend asked me if I had tried Zam-Buk. I said I had not, but I got a box right away. That first box did me more good than all the medicine I had tried up to that time.

ATTRIBUTE MY CURE SOLELY

And Entirely To Taking "Fruit-a-tives"

HULL, QUE., Dec. 24th, 1909 "For the past twelve years, I had painful attacks of Dyspepsia. I could not digest my food and everything caused the most agonizing pain in my stomach.

Three doctors attended me for two years and gave me all kinds of medicine but did me no good. My weight came to only 80 pounds and everyone thought I was going to die.

Now I feel very well, weigh 115 pounds, and this is more than I ever weighed even before my illness. I attribute my cure solely and entirely to "Fruit-a-tives" and can never praise them too much for saving my life.

Mrs. ANDREW STAFFORD, 59c a box, 6 for \$2.50, trial size 25c. Attorneys or from Fruit-a-tives Limited, Ottawa.

small token of our love and esteem, we would ask you to accept these chairs, and pray that you may be long spared to impart to us your wise counsel and blessing and when your days on earth are ended may you be received into the home of the Great Father, where we all hope to meet you and enjoy unbroken fellowship forever.

In behalf of your children, John William Cornish.

Not only were many children of these aged parents present on the occasion, but eleven of thirteen grandchildren were also present. The children born to Mr. and Mrs. Cornish are, John William, at Wascana; Mrs. Fred Gibson, Lumsden; Mrs. John Brown, Wascana; Percy, Mount Forest; Harry, Lumsden; Mrs. G. B. McEachern, Hedley, B.C.; Victoria, Mrs. Hastie, at Webb, Sask.

On the same evening, the Ladies' Aid of the Methodist church, of which Mrs. Cornish is an active worker, invited a number of friends and relatives to a tea in the parlors of the church.

Dear Mr. and Mrs. Cornish, Your many friends in the Lumsden Methodist church heartily congratulate you on this the completion of fifty years of married life. The lovable qualities and the sterling Christian character of you both have endeared you to us all, and we pray that God may prolong your lives for many happy years, and that you may have the joy of seeing your children's steps, grow in wisdom and stature and in favor with God and man.

Mr. Cornish was unable to be present, but his good wife accepted the congratulations of those present, thanking all individually for their many expressions of good wishes and future prosperity. An hour or so was spent in social conversation after tea.

SORES FROM ELBOW TO FINGERS.

Zam-Buk Worked a Miracle of Healing.

Reverend Gentleman Fully Corroborates.

Miss Kate L. Dolliver, of Caledonia, Queen's County, N.S., says: "I must add my testimony to the value of Zam-Buk. Ulcers and sores broke out on my arm, and although I tried to heal them by using various preparations, nothing seemed to do me any good.

"I had five different doctors, and faithfully carried out their instructions. I drank pint after pint of blood medicines, tried salve after salve, and lotion after lotion, but it was of no avail.

"My father then took me thirty miles to see a well-known doctor. He photographed the arm and hand. This photograph was sent to a New York hospital to the specialist; but they sent word they could do nothing further for me, and I was in despair.

"One day a friend asked me if I had tried Zam-Buk. I said I had not, but I got a box right away. That first box did me more good than all the medicine I had tried up to that time.

The Value of Medicine is in Its Potency

Unless a Medicine is active it cannot very well perform the required service of relieving sickness. The action of a drug depends on its quality and freshness.
