The month of weddings, and the need of invitations, try The Chronicle office.

Wanted.—Girls to learn dressmaking. Apply at the rooms at the Commercial Hotel, and give The Chronicle a brief call.

We are sorry to hear that Mrs. Burnett, of Hamilton, better known here as Ella Robertson, is seriously ill in the hospital.

Editor Widmeyer, of the Ayrton Advance, was in town Saturday, in company with Mr. Doersam, of the Commercial Hotel, and gave The Chronicle a brief call.

All accounts due to the estate of the late Thomas McGrath, are payable at the store, and must be settled by June 1st, or they will be placed in other hands for collection. This is the last notice.—McGrath, Durham.

The services in the Presbyterian church last Sunday were conducted by Rev. Mr. Matheson, of Beville. We regret to learn that Farquharson is not gaining in strength very rapidly and will not be able for some time to take charge of his regular work.

Three children were badly bitten in Toronto on Sunday by a dog supposed to have hydrophobia. The dog was subsequently killed and the head sent to Provincial analyst, Dr. Amyot, for examination. The children are under careful medical treatment.

The merchants of the town have decided to keep the stores open on Saturday, May 24th, and in lieu thereof Mayor Black advises that Monday, May 26th, will be observed as a public holiday, when all stores will be closed. Our country readers will please remember that business places will still be open on Saturday next and closed on Monday.

Miss May Glass, who has been engaged as stenographer and typist at the Furniture Factory, has resigned her position, and goes to Calgary, where she has secured a lucrative position. She has a brother living there, and this will help to remove the loneliness experienced in going to a strange place. We wish her success.

Sometimes you meet a farmer who will tell you with all solemnity, that it doesn't do any more than pay to raise hogs, even at the present prices. We were of the opinion that hog raising was one of the best departments in connection with the farming business, and a short time ago we got sufficient evidence from a farmer not far away to convince us that we were about right. He tells us that he bought 22 young hogs for \$80, and after fattening them he received \$477.45 for the lot. He says it pays and pays well. We don't know how long he fed them, but those accustomed to raising hogs will be able to form an idea of how old they should be to bring the price named.

On Friday afternoon last, a team belonging to James Dunbar, of Glenelg, was standing in front of Black's hardware store, and Mr. Dunbar, who was getting some goods, was standing beside them. For some reason the team started off on a slow walk, and Mr. Dunbar caught the breeching of the high horse, and called to them to stop. Suddenly they started off, and ran at a furious rate along Garafraxa street, south. Straddling an electric light post just in front of The Chronicle office, the wagon was brought to a sudden stop. The neck-yoke was broken. All four tugs were torn from the whiffletrees, and the harness stripped from both horses. After being liberated from the wagon, the horses didn't show much fright and ran into the yard in front of the foundry, where they were easily caught. It is well that the harness was not strong and gave way easily or the damage might have been heavy. The horses and wagon were apparently uninjured and the damage to the harness was easily remedied.

For sale cheap—lady's bicycle. Apply to Miss A. C. MacKenzie.

New subscribers may have The Chronicle for the balance of the year for 50c.

Some people change their minds so often that it makes one dizzy to look at them.

Mother's Day services were conducted in the Methodist church on Sunday morning. It was largely a suitable song service.

The annual Sunday school convention and rural deanery meeting for the county of Grey, will be held next Tuesday in Markdale.

We are sorry to learn of the sudden illness of Mrs. Atfield, of Varney, who has been under the doctor's care since Monday.

A special meeting of L. O. L. No 1192 will be held in Glenelg on Tuesday, May 27th. A good attendance is requested.—Alex. Al-joe, W.M.

The first meeting after seeding of the Glenelg Centre Farmers' Club, will be held in the township hall on the evening of Friday, May 23rd. A good attendance is requested, as some important business is to be brought up.

In taking a message over the phone last week, we got things mixed a little. We said, "Mrs. Campbell and Mrs. Grant" called at the manse and made a presentation to Rev. Dr. Farquharson, who has been ill for some time. We should have said "Mr. Campbell and Mr. Grant." Whenever we make a mistake, we are always willing to make a correction.

Next Sunday will be Missionary Campaign Sunday throughout the archdeanery of Perth, which includes the counties of Bruce, Grey, Perth and Brant. The Rev. J. W. Hodgins, B.A., of Stratford, will preach in Trinity church both morning and evening, and at St. Paul's, Egremont, at 3 p.m. The offerings throughout the day, not otherwise designated, will go toward missions. Rev. W. H. Hartley will be conducting the services at Southampton and Port Elgin.

Editor Mitchell, of The Hanover Post, accompanied by Mrs. Mitchell and baby, and Mr. and Mrs. Lorenz, were in town Sunday. Mr. Mitchell is sporting a new car, and took his friends out for a spin. Think of the editor of a local newspaper owning a real motor car, and his brethren of the Fourth Estate may well wonder where the money came from. We have been trying to save up enough to pay for ploughing the garden. We wish brother Mitchell success, and hope the rest of us may soon get as rich as he is.

Two automobiles with three passengers in each arrived here on Sunday morning. That's nothing strange. One party stopped at the Hahn House and the other at the Middaugh House. That's nothing strange, either. But on entering the hotels each party began searching operations at once. That lent interest to the scene. We can't follow the proceedings accurately, but we learn that liquid refreshments containing more than two and a half per cent. were found in both houses. The next scene will be enacted in the town hall.

After the Laurier demonstration in Toronto, it was discovered that a number had gained admission to the arena on tickets that were alleged to have been forged. The Globe of Monday claims that a clue has been obtained and that 6,000 tickets had been printed, a greater number than the Liberals themselves had issued, all of genuine tickets being 5,000 in all. The "bogus" were printed by E. H. Randall, of 168 King Street East, and delivered to a man he claims he does not know. The price received for the work was \$15, from which country offices will learn something of city prices. The tickets were handled, it is claimed, by some prominent Conservatives. Threats are made that the "forgers" and others will be prosecuted.

Mr. Frank Lenahan has purchased the Campbell property adjoining Dr. D. B. Jamieson's, and intends to erect a residence on it right away. We congratulate him on his enterprise.

Two loads of young people, members of the Hanover A. Y. P. A., drove over to Durham on Tuesday evening to fraternize with the members of the branch of Trinity church. A most enjoyable social evening was spent in the basement of the church.

A telephone picnic is being held on the premises of Mr. Robt. Brigham, at Allan Park, on Tuesday, June 3rd. Durham band has been engaged and a gala day is assured. Everyone is most cordially invited, but it is understood that they are expected to bring baskets with them.

Mr. George Arrowsmith has disposed of the Massey-Harris implement business here and is going on the road for the company. Mr. A. B. McLellan is his successor and Mr. Arrowsmith wishes to thank his many customers for their liberal patronage, and hopes they continue in the same liberal manner to support his successor.

For eleven weeks after St. Valentine's day, when Mr. Thos. M. Reid was laid up with heart trouble, he was unable to leave his bed. We have pleasure now in telling our readers that he is on the mend and is able to get down town and meet his old friends and acquaintances. We had a brief call from him on Tuesday, and are glad to see him as well as he is.

The condition of Mr. Wm. Brown, whom we reported last week as being seriously ill at his home at Holstein, is still critical. Besides the trouble with his heart, Mr. Brown is now suffering with an attack of pneumonia, and though his family have not altogether given up hope of his recovery, they regard his condition as most serious.

For the first time since he had his thigh broken several weeks ago, the familiar figure of Mr. George Ryan, sr., was to be seen on the streets of Durham on Wednesday afternoon last. Though he had been hobbling around on his own premises on a crutch for two or three days previously, this was his first trip over town, and, needless to say, everyone was glad to see him.

News has been received of the death on the 11th inst. of Mrs. John Sumpton, of Dauphin, Man. She was about 67 years of age, a sister of Mr. M. Jacklin, and a resident of Bentinck for many years till the family moved West a little over sixteen years ago. We have not learned the cause of her death nor other particulars. Her husband died eight or nine years ago.

On Wednesday afternoon last, two little girls, the children of Mrs. Bartlett, were crossing the C. P. R. bridge over the Saugeen when the mail train came along. They were seen by the engineer. They were shut off steam and was bringing the train to a stop, and were in no danger. They became excited, however, and jumped from their position on the bridge to the ground, a distance of about fifteen feet. Both children were badly shaken up, and we understand that one received rather severe injuries in the back, though no serious consequences are anticipated.

The annual meeting of the Saugeen Presbyterian will be held in the Presbyterian church, Durham, on Tuesday next, May 27th. The morning session opens at 10 a.m. This meeting will be mostly taken up with business. The afternoon meeting begins at 1.45. Dr. Margaret McKellar, of India, will give an address on her work in India, which will be a rare treat for all ladies interested in missions. The evening session at 7.30 will be an open meeting, to which all are cordially invited. Dr. McKellar will give an address on "Missions—Light Views Illustrative of Missionary Work." Dinner and tea will be served in the basement.

James Falkingham killed by fall from wagon. On Tuesday forenoon, Mr. James Falkingham met with an accident which resulted in sudden death. Between nine and ten o'clock, he was throwing off a load of ashes on the roadway leading from the street to his barn. He was on the back end of the wagon, and assisted by a grandson, who was shovelling from the front end. The roadway in question slants off rapidly on the west side. The horse apparently took a step forward and the front wheel of the light wagon dropped quickly into a pitch-hole on the slanted side. The sudden jar pitched the old gentleman out at the back end of the wagon, and falling on his head, his neck was broken and death was instantaneous.

These are the facts as near as we have been able to learn, and a careful examination of the scene of the accident leads us to believe them correct.

The deceased, who was about 85 years of age, has been a resident of Durham and vicinity for many years, and was a good, honest citizen. He was a hard worker, and by thrift and industry had accumulated considerable property. He was a hardy man, and only a short time ago was heard to say he had never known sickness.

He leaves a widow, his second wife, who is quite feeble, also three sons, some place in the West. Mrs. Wm. Paylor, of Traverston, is a daughter, and another daughter, Mrs. Frank Grasby, is residing at Cordora, Manitoba.

The funeral will leave for Zion cemetery at two o'clock on Friday afternoon.

THE SPORTING SCHEDULE. Durham is to branch out into baseball this summer, as well as to have a juvenile lacrosse team in the field. The following schedules were drawn up at Hanover on Monday evening, Messrs. P. Ram- and R. Saunders representing Durham's interests.

BASEBALL. June 5—Walkerton at Durham. June 7—Hanover at Chesley. June 13—Durham at Hanover. June 14—Chesley at Walkerton. June 20—Hanover at Durham. June 21—Walkerton at Chesley. June 28—Chesley at Walkerton. June 27—Durham at Walkerton. July 1 or 5—Chesley at Durham. July 5—Hanover at Chesley. July 11—Walkerton at Hanover. The official Spalding league ball will be used, and the league will be known as the Saugeen Baseball League.

LACROSSE. June 6—Durham at Hanover. June 20—Hanover at Durham. July 12—Durham at Hanover. July 22—Hanover at Durham.

We regret to learn that Frank Morlock, a lad about thirteen or fourteen years of age, is nursing a broken wrist. He was trying to crank the auto and it kicked back on him.

Mr. and Mrs. Thos. Fluker and three daughters left Monday afternoon for Vancouver, where they intend to make their home. They have a son and other relatives there, and have been thinking of going west for years. Mr. Fluker has been engaged with the Grand Trunk Railway as section boss and has been a resident of this town for the past nine or ten years. Mr. and Mrs. Fluker have been highly esteemed members of the community, and all will regret to learn of their departure. We wish them every success in their new home.

On Saturday last, a son of Mr. Wm. Clark, who lives opposite The Chronicle office, returned from fishing, and stood his equipment up against the side of the house with a baited hook hanging about two feet above the ground. This proved too great an opportunity to miss, and one of Clark's senior's prize hens happened along, made a jump for the worm, and got "hooked." We don't know what finally became of the hen, or the boy, but it is one safe bet that the lone heir to the Clark fortune has by this time received instructions on what not to do with a fishing tackle when he is through with it.
