

THE DURHAM CHRONICLE

W. IRWIN Editor and Proprietor.

DURHAM, JUNE 12, 1913.

THE TEMPERANCE QUESTION.

A recent issue of The Mount Forest Confederate says:

"It is high time there was a change of Government in Ontario."

Perhaps so, but if the Confed. man lives long enough to see the change he'll be a very old man. In the same issue, in reply to the Orangeville Sun, which told him not to be concerned about the temperance Tories and reminds him they were fooled by Mowat and Ross for years on the temperance business, and that Whitney and Hanna's policies were good enough for them, this is what he says:

"So be it; but the question just now is not concerning Mowat and Ross, who did more for temperance than ever Whitney and Hanna would dream of doing, but concerning Mr. Rowell's Banish the Bar policy."

PRICEVILLE.

Frost every night for the last four nights. The crops are making very little progress in growth. Some clover fields are looking well, considering the weather. Old meadows will be short, by all appearances. Rain is needed badly; we had very little rain here for the past month. It is feared that the fruit crop will be a failure on account of so much frost.

Our town is a little quiet, but doing a good share of business. Our mill man is kept busy chopping, and station master Burgess is busy attending to his business.

Rev. Leese is away to Conference in Toronto this week. His pulpit will be supplied by Mr. Greenwood, the young school teacher up the Durham Road, on Sunday.

Rev. and Mrs. Matheson spent last week at the General Assembly in Toronto, and will be away some days of this week yet.

We are sorry that Mrs. Geo. Tryon is keeping poorly, and that there is very little change in her health yet. Miss James is always the same, but is always cheerful bearing her troubles patiently.

A telephone line was installed from the Methodist church to her bed, so that she can hear the sermons preached every Sunday.

We noticed the death of John A. Lamprey, of Guelph, in some of the papers. Mr. Lamprey was deputy-reeve of Glenelg some 45 years ago, and was a resident for 10 years. He moved back to Guelph, his first place of residence, in 1874. He owned the farm now the property of Otto Konold.

The funeral of the late Mrs. McCannell, from the residence of her son-in-law, Mr. Neil McMillan, of Swinton Park, was largely attended. Mrs. McCannell was a long resident of the south line at Top Cliff, and was a woman who was highly respected by all who formed her acquaintance. Her home in olden times was often a place of refuge to those in want, she being of a kind and charitable disposition. In matters relating to her religious ordinances she was always liberal in giving towards the support of the same, and in giving she did so with a cheerful heart. Seven years ago, she left the old farm, where she spent from the days of her marriage to the late Neil McCannell, and moved with her son, Neil, to Durham. Mrs. McCannell enjoyed herself in visiting members of her family in different parts of the country at her pleasure, but always made it a point not to stay too long from her own home with her son Neil, and where she always received the kindest care from her dutiful daughter-in-law; and now that she is gone, they will greatly miss her presence. Those who attended the funeral from a distance were Mr. Alex. McCannell, sr., and Mrs. Alex. McCannell, jr., Bruce county; Mr. and Mrs. Donald McQueen, of Stayner; and Mr. and Mrs. Francis McLeod, of Collingwood, sons-in-law and daughters-in-law of the deceased. Her late pastor, Rev.

Mr. Matheson, preached an impressive sermon at the funeral, making some suitable references to the life of the departed, and the assurance of being along with the innumerable throng in the house of many mansions. The pall bearers were six nephews of the deceased, Neil McLeod, Arch. McCuaig, Neil McPhail, Neil Clark, Alex. McCannell and Neil Alex. McQueen.

DORNOCH.

We are glad to see that Mr. R. Ledingham, of Bentinck, who has been ill for some time, is able to be around again.

Mrs. L. Kelly, of Toronto, is visiting with Mrs. R. Dargavel.

Miss Blanche Reid Sundayed with Williamsford friends.

Miss Margaret Mortley spent the week end at home.

Mr. and Mrs. Greenwood, of Glenelg, spent Sunday with Mr. and Mrs. Colin McIntyre.

Mr. C. McIlwain, of Williamsford, paid a visit to Dornoch on Sunday last.

We believe some buggy must have been crowded on Sunday last, as several pieces have been found between here and Williamsford.

Mr. J. Clancy and Miss M. Colfield spent Wednesday of last week in Williamsford.

We are glad to see the smiling face of Mr. John Johnston, who is spending his vacation with Mr. Robt Corlett.

Mr. Wesley Boldt, of Williamsford, visited Dornoch Saturday eve.

Mrs. Chas. Matthews, who has been visiting her mother, Mrs. M. Smith, has returned to her home in Buffalo.

Mrs. Chas. Blakey is visiting Toronto friends.

Mr. and Mrs. Colin McIntyre spent Saturday in Durham.

Mr. Jack Ray spent Sunday evening at Williamsford.

Mr. E. Trafford took a flying visit to Dornoch Saturday last.

Miss N. Black Sundayed with Miss L. McKnight.

Dr. E. R. Hastings, of Toronto, is taking the place of Dr. J. L. Smith, who is on his vacation with Toronto friends.

Mr. A. Allen, of Popular Valley, spent Friday evening with a friend south of this burg.

Mr. and Mrs. Will Smith spent the week end with the latter's mother in Elderslie.

Mr. and Mrs. N. Melosh Sundayed with Mr. and Mrs. Jack Vasey.

Miss M. Cumming, of Williamsford, spent Sunday last with Dornoch friends.

Wedding bells are still ringing. Another one in addition to the last.

Mr. J. Parke spent Tuesday last in Durham.

We are very sorry to hear that Mrs. S. Black is very ill.

The funeral of the eleven-year-old daughter of Mr. and Mrs. T. Flannigan took place on Monday last at St. Paul's cemetery. We extend our sympathy to the bereaved parents and friends.

A GREAT BELIEVER IN "FRUIT-A-TIVES"

Well Known Ontario Merchant Has Faith Because "Fruit-a-tives" Cured Him

MR. JAMES DOBSON

BRONTR, ONT., MARCH 1st, 1912.

"Fruit-a-tives has made a complete cure in my case of Rheumatism, that had at least five years standing before I commenced the treatment. The trouble was principally in my right hip and shoulder, the pain from it was almost unendurable. Not being able to sleep on that side, if I chanced to turn on my right side while asleep, the pain would immediately awaken me. This kept up until I started taking 'Fruit-a-tives'. I started by taking one or two tablets with a large glass of water, in the morning before breakfast and experienced pronounced relief very shortly. After a continued treatment for about six months, I was cured and am now in first class health. This, I attribute to my persistent use of 'Fruit-a-tives' and I heartily recommend your remedy to any Rheumatic sufferers."

obliged to remain at home and assume when quite young the responsibility of the management of the farm. This, with the fact that he could not continue at school, is thought to have weighed upon him and crushed his young, ambitious spirit. He, however, gave no signs of doing anything so rash as taking his own life, but went about his work in the usual way.

To his mother, whose trials and troubles have not been few, the deepest and most heartfelt sympathy is poured out by the community.

The remains of the deceased were buried on Saturday in the Singhampton cemetery, the funeral service being conducted by Rev. Mr. Purchase in the presence of a large number of sympathizing friends.—Collingwood Bulletin.
