**RHEUMATIC PAINS GO Swollen Joints VANISH**

**RHEUMA-Greatest Remedy for Rheumatism, Gout and Sciatica. Only 50 Cents and Money Back from MacFarlane & Co. If It Doesn't Satisfy**

Thousands of persons during the last year freed themselves from the bondage of Rheumatism; rid themselves of the torturing pain; reduced the swollen joints; threw away canes and crutches, and from helpless beings became able to work and be of use to themselves and their families.

They took RHEUMA: the modern enemy of Rheumatism, which is also sure to cure Lumbago, Sciatica, Arthritis, Gout, Chronic Neuralgia or Kidney disease.

Don't be skeptical about RHEUMA. You will know in a few hours after beginning the treatment that the poisonous Uric Acid is leaving your system through the natural channels. You will feel better in a day; you will know you are going to be cured in less than a week.

Don't think because RHEUMA is sold for only 50 cents a bottle that it won't bring you back to health. There is no guess work about it. RHEUMA is better than any remedy at ten times the price. Ask Macfarlane & Co.

The Promotion examinations are the order in the schools of South Grey. After that, then two months of holidays.

On Tuesday the 17th inst., at the home of the bride's sister, Mrs. Currie, Alma, Mr. J. D. Main and Miss Minnie Ker united heart and hand. The Rev. A. E. Marshall and the pastor of the Methodist church, Alma, officiated at the ceremony.

The showers Sunday night had a refreshing effect, but not enough rain fell. The soil is quite dry and the hay crop will be short.

Died on Monday, the 16th inst., at the residence of his father, Mr. Henry Reid, George Reid, aged 27 years. The deceased was a sufferer from tubercular disease, and all that physicians could do was of no avail. He was treated by Dr. Friedman, the German scientist who lately toured Canada in the interests of his new remedy for Consumption. He has been a resident of Toronto for several years but came home about a month ago in hope that a change would be beneficial. The remains were taken to Toronto for interment, a short service at the house having been conducted by Rev. Mr. Malcolm. He leaves to mourn his early demise, his widow and little son two years old; also his parents and four brothers. Sad that he should be taken so early in life.

The first pay of the season of the Creamery Company is being distributed now, the patrons receiving \$27.40 per hundred pounds of butter fat.

Mrs. J. H. Brown went to Toronto Tuesday and will join J. H. there on the return trip.

**Keeping Up Steam.**  
An Irishman just laosed secured a position as fireman in a large factory. The chief engineer instructed him in his new duties, saying, "To run our engine we require 100 pounds of steam. You can always tell how much steam you have by looking at this gauge."

Shortly afterward the engineer noticed that the engine was slowing up. Calling to the boiler room, he inquired of Pat how much steam he had on.

"Oh have a hundred and forty-five pounds, sor," answered the new fireman.

"Why, man, I told you we had to have 100 pounds to run."

"Niver mind that," was the cheerful answer. "Use what ye have got, an' whin that's gone O'll have more for ye."—Everybody's.

**Doomed the Colonel.**  
Emperor William I. of Germany was a strict disciplinarian. One day during the maneuvers of the army a cavalry regiment charged at a strongly entrenched and embattered village, of which the garden walls were lined with marksmen. "Look, look!" exclaimed the Russian representative. "That regiment is lost." "No," was the emperor's calm reply, "this regiment isn't, but the colonel certainly is." And sure enough, at the close of the maneuvers he was placed on the retired list.

**The Effect of Discipline.**  
"Just see how the chickens mind the old hen, Robby," said Mrs. Norris to her son. "Watch them run to her when she calls them."

"I suppose she sat on them when they were little," remarked the infant phenomenon reflectively.

**Somewhat Dubious.**  
"I wonder would the judge consider a plea of insanity?"

"Doubtless he would. Why do you hesitate?"

"Well, my client only stole twenty-five plunks."—Louisville Courier-Journal.

**Wisdom of the Serpent.**  
Mrs. Reider (with paper)—I see that the big anaconda up at the zoo won't eat chickens unless they are alive.

Mr. Reider—Wise old snake! That's the only way to beat the cold storage game.—Puck.

**His Advantage.**  
"I know more about that woman than she knows about herself."

"How can that be possible?"

"Easily. I know she isn't pretty, but she doesn't."
