forms. The children have these to write in the work of the Fair and the teacher should seize the opportant tunity to have them taught in school while the pupils are schoo

training for his future life.

The parents also gain from this work. One of the chief drawbacks work. One of the chief drawbacks to the farmer in Grey county at

eral ill health. Why f Because a disordered stemach does not permit the food to be assimilated and carried to the blood. On the other hand, the blood is charged with poisons which come from this disordered digestion. In turn, the nerves are not fed on good, red blood and we digestion. In turn, the nerves are not fed on good, red blood work that see those symptoms of nervous breakdown. It is not head work that does it, but poor stomach work. With poor thin blood the body is not protected against the attack of germs of grip—broachitis—consumption. Fortify the body now with

DR. PIERCE'S Golden Medical Discovery

an alterative extract from native medicinal plants, prescribed in both liquid and tablet form by Dr. R. V. Pierce, over 40 years ago. More than 40 years of experience has proven its superior worth as an invigerating stomach tonic and blood purifier. It invigerates and regulates the stomach, liver and bowels, and through them the whole system. It can now also be had in sugar-coated tablet form of most dealers in medicine. If not, send 50 cents in one-cent stamps for trial box to Dr. Pierce's invalids' Hotel and Surgical Institute, Buffale, N.Y.
