VARNEY.

Mrs. Wm. Grant, sr., after having spent a few months at her old home, left on Saturday for Quelph, where she will spend the winter.

Mr. Albert Morrison of Saskatchewan, is spending some time with friends and relatives in this vicinity.

On Wednesday evening, December 16, the members of the Varney Methodist church gathered at the home of Mr. and Mrs. Wm. Mountain, to show their appreciation of the services rendered as organist, by their daughter, Miss Mamie. A social time was spent. The following is the address: To Miss Mamie Mountain:

Dear Friend,—We, the members of Varney church, at this season of joy and good wishes, feel it a pleasant duty to spend this evening with you, to manifest to a small extent the good feelings we have toward you for the valuable assistance you have given us for some time past as organist. We appreciate highly your action of coming to our assistance at a time of need, and rendering cheerfully your able services to our choir, as well as your influence and efforts in other work of the church. We would ask you to accept this purse, not for the sake of its monetary value, but as something by which you may ever remember the encouragement of those who are always ready to help a good cause that may suffer, even though it may necessitate inconvenience to themselves, you when have been the case with conclusion, we wish you all the joys of the season, and a long and useful life to help others, as you have done us, so that the address accompanying the Master's gift will be "well done, good and faithful servant."—Signed on behalf of the church—Rev. J. Ward, A. McCabe.

BLYTH'S CORNERS.

A Merry Christmas to the editors, his staff, and numerous readers. Mr. Wellington Thompson, and his uncle, Jim Bell, returned home from the west to spend a month or two at and around the Corners. The annual meeting of the Dominion Grange, held in Toronto last week was a splendid success. About a dozen of the ablest men from Manitoba, Saskatchewan and Alberta were present and by their able addresses greatly inspired and enthused the Grange organization. The splendid results which have been accomplished through organization is something wonderful and should be a practical lesson to Ontario farmers to follow their splendid example and loyalty. A banquet was held on the eve of the first unique affair, which was held in the Teapot Inn. It was decided to unite all the various branches of farmers' organizations into one organization to be known as the Ontario Council of Agriculture. Plans were devised and adopted to co-operate on a large scale between east and west.

on natural products in buying and selling. Rev. Mr. Marsh of Holstein preached a very able and inspiring sermon in Knox church on Sunday. We are quite convinced that the two congregations under his charge made no mistake in their selection.

The annual Grange meeting in Varney on Friday drew out a large crowd. The election of officers was as follows: Grand Master, Dr. G. M. Leeson; Sec., J. W. Blyth; Rec.-Sec., R. Watson; Treas., W. Watson.

The farmers' telephone company is experiencing a little difficulty with the Bell Company, which has caused some little delay in getting the wire strung along. Congratulations to Mr. Mrs. Charlie Odear, who joined heart and hand on Wednesday of last week, the 17th inst. We join with their many well-wishers for a big share of good things derived from married life.

Because temperance leaders objected to the stipulation that 50,000 votes be polled as a minimum to make the plebiscite effective, Premier Scott, of Saskatchewan, has withdrawn his "abolish the bar" bill.
