Some of the leaders claim that they will fight to a finish, and judging by the way votes have been coming in during the last few days, it looks as though some of the top-notchers would get a run for their money. Clara Ritchie is not asleep, Ida Gibson is coming strong, and Mrs. Bob. McGillivray, who jumped from ninth to seventh place last time, is liable to take another jump. Mrs. Lloyd had enough votes at home last time to have put her at the top, and, by the way, just keep your eye on that name Noble. Sounds like a likely one. And what about Mrs. Mighton? She says she knows right now who's going to get the Piano. That little matched team called "Gladys" has shown wonderful speed. Ever since the contest opened they have been running hand in hand right up at the top, setting the pace, which has now tightened up to a whirlwind finish. Here they come—look out!</p>							Extra Value in Men's Work Shirts
